Sacred Sites And Repatriation Contemporary Native American Issues:

Sacred Sites and Repatriation Joe Watkins, 2009 An issue of paramount concern to the Native American community repatriation as it relates to sacred sites is explored in detail from both sides of the ongoing debate **Contemporary Voices along the Lewis & Clark Trail**, **The Oxford Handbook of the Archaeology of Death and Burial** Sarah Tarlow, Liv Nilsson Stutz, 2013-06-06 This Handbook reviews the state of mortuary archaeology and its practice with forty four chapters focusing on the history of the discipline and its current scientific techniques and methods Written by leading scholars in the field it derives its examples and case studies from a wide range of time periods and geographical areas 50 Events That Shaped American Indian History Donna Martinez, Jennifer L. Williams Bordeaux, 2016-12-05 This powerful two volume set provides an insider's perspective on American Indian experiences through engaging narrative entries about key historical events written by leading scholars in American Indian history as well as inspiring first person accounts from American Indian peoples This comprehensive two volume resource on American Indian history covers events from the time of ancient Indian civilizations in North America to recent happenings in American Indian life in the 21st century providing readers with an understanding of not only what happened to shape the American Indian experience but also how these events some of which occurred long ago continue to affect people's lives today The first section of the book focuses on history in the pre European contact period documenting the tens of thousands of years that American Indians have resided on the continent in ancient civilizations in contrast with the very short history of a few hundred years following contact with Europeans during which time tremendous changes to American Indian culture occurred The event coverage continues chronologically addressing the early Colonial period and beginning of trade with Europeans and the consequential destruction of native economies to the period of Western expansion and Indian removal in the 1800s to events of forced assimilation and later self determination in the 20th century and beyond Readers will appreciate how American Indians continue to live rich cultural social and religious lives thanks to the activism of communities organizations and individuals and perceive how their inspiring collective story of self determination and sovereignty is far from over Ethical Approaches to Human Remains Kirsty Squires, David Errickson, Nicholas Márquez-Grant, 2020-01-01 This book is the first of its kind combining international perspectives on the current ethical considerations and challenges facing bioarchaeologists in the recovery analysis curation and display of human remains It explores how museum curators commercial practitioners forensic anthropologists and bioarchaeologists deal with ethical issues pertaining to human remains in traditional and digital settings around the world The book not only raises key ethical questions concerning the study display and curation of skeletal remains that bioarchaeologists must face and overcome in different countries but also explores how this global community can work together to increase awareness of similar and indeed disparate ethical considerations around the world and how they can be addressed in working practices The key aspects addressed include ethics in bioarchaeology and forensic

anthropology the excavation curation and display of human remains repatriation and new imaging techniques As such the book offers an ideal guide for students and practitioners in the fields of bioarchaeology osteoarchaeology forensic anthropology medical anthropology archaeology anatomy museum and archive studies and philosophy detailing how some ethical dilemmas have been addressed and which future dilemmas need to be considered **Race** Alan H. Goodman,Yolanda T. Moses,Joseph L. Jones,2019-12-06 The second edition of the bestselling title on modern notions of race providing timely examination of perspectives on race racism and human biological variation In this fully updated second edition of this popular text on the study of race Alan Goodman Yolanda Moses and Joseph Jones take a timely look at modern ideas surrounding race racism and human diversity and consider the ways that ideas about race have changed over time New material in the second edition covers recent history and emerging topics in the study of race The second edition has also been updated to account for advancements in the study of human genetic variation which provide further evidence that race is an entirely social phenomenon RACE compels readers to carefully consider their own ideas about race and the role that race plays in the world around them Examines the ways perceptions of race influence laws customs and social institutions in the US and around the world Explores the impact of race and racism on health wealth education and other domains of life Includes guest essays by noted scholars a complete bibliography and a full glossary Stands as an ideal text for courses on race racism and cultural and economic divides Combines insights and examples from science history and personal narrative Includes engaging photos illustrations timelines and diagrams to illustrate important concepts To read author Alan Goodman s recent blog post on the complicated relationship between race and biology please click here **Native American Issues** Paul C. Rosier,2003-10-30 This volume presents six major issues that have been divisive in and out of the Native American community Readers will learn about the varied cultural political social and economic dimensions of contemporary Native America and will be prompted to consider the complexity and complications of ethnic and cultural diversity in the United States Where do you stand on the issue of sports teams named after Native Americans Are tribal claims on ancestral remains and sacred objects in museums valid The contemporary issues that Native Americans struggle with are critical concerns for all Americans This volume presents six major issues that have been divisive in and out of the Native American community Readers will learn about the varied cultural political social and economic dimensions of contemporary Native America and will be prompted to consider the complexity and complications of ethnic and cultural diversity in the United States Readers will ponder the very foundations of the United States and the rights of its original inhabitants descendants The range of issues encompasses Native Americans throughout the country from the Mashpee Wampanoags of Massachusetts to Pacific Northwest tribes This book incorporates views from a wide variety of sources including newspaper op eds Supreme Court rulings and more A resource guide complementing each chapter includes an extensive listing of suggested reading plus videos film Web sites and organizations **The Native American Almanac: A Portrait of Native America Today** Arlene B. Global Indigenous Communities Lavonna L. Lovern,2021-05-15 *Global Indigenous Communities* is a wide ranging examination of global Indigenous communities that continue to suffer from colonization and assimilation issues including intergenerational trauma The scholarship is interdisciplinary it is not easily categorized as sociology anthropology ethnography or philosophy but cuts across all of these disciplines as well as Indigenous methodologies The book not only presents an academic study of Indigenous issues covering Indigenous community life religion the environment economic matters education and healthcare but also incorporates contributions from Carol Locust EdD that reflect on her lifetime of experience in Indigenous education and healthcare Each studied prism of Indigenous life is revealed to be impacted by the experience of intergenerational trauma that results from continued colonization Ultimately this book aims to bridge the communication gap between Western and Indigenous scholarship and readership artfully

combining Indigenous approaches with a traditional academic style American Indians in a Modern World Donald Lee Fixico,2008 American Indians in a Modern World recounts how American Indians tribal communities and tribal governments have survived and flourished in the period following the Dawes Land Allotment Act of 1887 especially through tremendous cultural resilience **Indian Resilience and Rebuilding** Donald L. Fixico,2013-10-10 Indian Resilience and Rebuilding provides an Indigenous view of the last one hundred years of Native history and guides readers through a century of achievements It examines the progress that Indians have accomplished in rebuilding their nations in the 20th century revealing how Native communities adapted to the cultural and economic pressures in modern America Donald Fixico examines issues like land allotment the Indian New Deal termination and relocation Red Power and self determination casino gaming and repatriation He applies ethnohistorical analysis and political economic theory to provide a multi layered approach that ultimately shows how Native people reinvented themselves in order to rebuild their nations Fixico identifies the tools to this empowerment such as education navigation within cultural systems modern Indian leadership and indigenized political economy He explains how these tools helped Indian communities to rebuild their nations Fixico constructs an Indigenous paradigm of Native ethos and reality that drives Indian modern political economies heading into the twenty first century This illuminating and comprehensive analysis of Native nation s resilience in the twentieth century demonstrates how Native Americans reinvented themselves rebuilt their nations and ultimately became major forces in the United States Indian Resilience and Rebuilding redefines how modern American history can and should be told

American Indian Sovereignty and Law Wade Davies,Richmond L. Clow,2009-02-04 American Indian Sovereignty and Law An Annotated Bibliography covers a wide variety of topics and includes sources dealing with federal Indian policy federal and tribal courts criminal justice tribal governance religious freedoms economic development and numerous sub topics related to tribal and individual rights While primarily focused on the years 1900 to the present many sources are included that focus on the 19th century or earlier The annotations included in this reference will help researchers know enough about the arguments and contents of each source to determine its usefulness Whenever a clear central argument is made in an article or book it is stated in the entry unless that argument is made implicit by the title of that entry Each annotation also provides factual information about the primary topic under discussion In some cases annotations list topics that compose a significant portion of an author s discussion but are not obvious from the title of the entry American Indian Sovereignty and Law will be extremely useful in both studying Native American topics and researching current legal and political actions affecting tribal sovereignty Native Universe Gerald McMaster,2008 This gorgeous volume draws from the vast archives of the National Museum of the American Indian and features the voices and perspectives of some of the most prominent Native American scholars writers and activists 350 color photographs *Native American Voices* Susan Lobo,Steve Talbot,Traci Morris Carlston,2016-02-19 This unique reader presents a broad approach to the study of American

Indians through the voices and viewpoints of the Native Peoples themselves Multi disciplinary and hemispheric in approach it draws on ethnography biography journalism art and poetry to familiarize students with the historical and present day experiences of native peoples and nations throughout North and South America all with a focus on themes and issues that are crucial within Indian Country today For courses in Introduction to American Indians in departments of Native American Studies American Indian Studies Anthropology American Studies Sociology History Women s Studies The Extraordinary Book of Native American Lists Arlene Hirschfelder, Paulette F.
