for well being and enlightenment or just at its threshold may this book provide the insights inspiration and courage you need in order to find your way *Tantra, Mantra and Yantra of Sri Vidya* Vinita Rashinkar,2021-04-07 Sri Vidya begins where the current understanding of quantum physics ends say modern day scholars about this little known highly esoteric spiritual tradition that has been carefully kept under wraps by its secretive and serious practitioners The study of Sri Vidya is fascinating as much as it is frustrating because information about its various aspects is exceptionally hard to find Tantra Mantra and Yantra of Sri Vidya is an endeavor to explore the Sri Vidya tradition and understand it as the unfolding of Shakti the inherent power which lies at the core of our being and holds the key to our worldly and spiritual success Sri Vidya practice comprises tantra a technique or framework for worship whose two main elements are mantra sacred sound and yantra sacred geometry Tantra can be described in simple terms as the utilization of the mental faculty to pursue the objectives of worship using mantra and yantra Mantra is the use of sound energy to bring about oneness with the Divine while yantra is a geometric drawing that serves as a tool to reach the Divine The book delves into concepts such as Sankhya Yoga Karma and Kundalini in order to establish the context of how Sri Vidya is to be approached combining elements of knowledge devotion and ritual The author has kept in mind the sensibilities of the modern spiritual seeker and their needs and interests presenting the information in a non dogmatic and practical manner thereby allowing everyone an opportunity to learn and experience the benefits of Sri Vidya This is the third book by the author in the Spirituality Series The first book was about the Sri Chakra Yantra and the second book had Chakras as its subject *Heal the Body Holistically* Carolyn J. Williams,2016-06-29 There is a transcendent awareness above the five senses that we relate to as common sense that is present and readily accessible to each and every one of us When we realize it we see it is the source of true peace good health happiness satisfaction courage and joy Weve got to feel connected to something bigger than ourselves Whether you call it god universal mind love presence divine spirit life energy there is a force that beats our hearts breathes our breaths keeps the sun shining The more we struggle to live the less we live Give up the notion that you must be sure of what you are doing Instead surrender to what is real within you by detoxifying meditating quieting the mind fasting and praying for that within is sure And yet we dont know how to access it we dont know how to bring it into our awareness We dont know how to manifest it or embody it *The Art of Solo Traveling* Anurag,2025-03-26 It s hard to find someone who does not like traveling Traveling is a very natural instinct of human beings Going into nature engaging with new people and places and movement are core to us It makes us feel alive Traveling has played a huge role in where we are today as a society planet and species It is also a fact that it is the only time in human history that anyone can literally go to any part of the world within a few hours It is also true that many people want to travel but do not Why It could be confusion not finding a partner or some fear Whatever it is the reality is that the best way to fulfill your travel dreams is to go solo The best part is that solo traveling is a skill and anyone can learn it Solo traveling has helped me understand myself and truly connect with life The

experiences I've had are so special that words or pictures can't fully capture them. This book is my way of sharing what I've learned to inspire you to explore the world and appreciate our beautiful planet. Remember the world is waiting for you.

Dis-Solving Conflict from Within Henry Yampolsky, 2022-05-10 *Dis-Solving Conflict from Within* presents a new paradigm for looking at conflict. Written by a professional mediator and an occasional adventure motorcyclist, this book presents a mindfulness-based framework for understanding conflict and more importantly responding to conflict with strength, clarity, and ease as opposed to reacting to it with fear, avoidance, or aggression. The first part of the book takes the reader step by step through the method, drawing on famous teachings in both conflict resolution and mindfulness, real-life examples from the author's own practice, and colorful anecdotes from his personal adventures which included riding a motorcycle across the Himalayas. The rest of the book is a very practical application for how these teachings can transform the way we live our lives in conflicts ranging from arguments with your spouse and debates about current affairs at your dinner table to greater societal conflicts and existential challenges facing us. At once spiritually based and yet also immensely practical, this book is relevant not just for conflict resolution professionals but for anyone who wants to live more peacefully with the people around them. In a signature style that is both educational and funny and always all his own, Henry Yampolsky draws on his formal education, his life experiences, and his knowledge and acceptance that all people, no matter their beliefs, are infinitely connected. Distilling conflict down to our most basic needs as human beings leads the reader to the inevitable conclusion that we are not so different after all. While acknowledging the validity of the stories of conflicts created by humans, Yampolsky gently but firmly guides the reader to the same conclusion he has come to: that conflict can be transformed into an opportunity for growth, connection, and dialogue once we learn to turn within. **Numbers That Speak Sacred**
