Selected Letters, 1919-1964 Dame Edith Sitwell, 1970 *Literary Converts* Joseph Pearce, 2009-09-03 Literary Converts is a biographical exploration into the spiritual lives of some of the greatest writers in the English language Oscar Wilde Evelyn Waugh C S Lewis Malcolm Muggeridge Graham Greene Edith Sitwell Siegfried Sassoon Hilaire Belloc G K Chesterton Dorothy Sayers T S Eliot and J R R Tolkien The role of George Bernard Shaw and H G Wells in intensifying the religious debate despite not being converts themselves is also considered Many will be intrigued to know more about what inspired their literary heroes others will find the association of such names with Christian belief surprising or even controversial Whatever viewpoint we may have *Literary Converts* touches on some of the most important questions of the twentieth century making it a fascinating read **The Poetry of American Women from 1632 to 1945** Emily Stipes Watts, 2014-09-10 American women have created an especially vigorous and innovative poetry beginning in 1632 when Anne Bradstreet set aside her needle and picked up her poet's pen The topics of American women poets have been various their images their own and their modes of expression original Emily Stipes Watts does not imply that the work of American men and that of American women are two different kinds of poetry although they have been treated as such in the past It is her aim rather to delineate and define the poetic tradition of women as crucial to the understanding of American poetry as a whole By 1850 American women of all colors religions and social classes were writing and publishing poetry Within the critical category of female poetry developed from 1800 to 1850 these women experimented boldly and prepared the way for the achievement of such women as Emily Dickinson in the second half of the nineteenth century Indeed at times for example from 1860 through 1910 it was women who were at the outer edge of prosodic experimentation and innovation in American poetry Moving chronologically Professor Watts broadly characterizes the state of American poetry for each period citing the dominant male poets she then focuses on women contemporaries singling out and analyzing their best work This volume not only brings to light several important women poets but also represents the discovery of a tradition of women writers This is a unique and invaluable contribution to the history of American literature **No Man's Land: The war of the words** Sandra M. Gilbert, Susan Gubar, 1988-01-01 V 1 the war of the words V 2 sexchanges **Our Emily Dickinsons** Vivian R. Pollak, 2017 *Our Emily Dickinsons* situates Dickinson's life and work within larger debates about gender sexuality and literary authority in America Examining Dickinson's influence on Marianne Moore Sylvia Plath Elizabeth Bishop and others Vivian R. Pollak complicates the connection between authorial biography and poetry that endures *Women, Periodicals and Print Culture in Britain, 1890s-1920s* Binckes Faith Binckes, 2019-04-10 New perspectives on women's contributions to periodical culture in the era of modernism This collection highlights the contributions of women writers editors and critics to periodical culture in the late nineteenth and early twentieth centuries It explores women's role in shaping conversations about modernism and modernity across varied aesthetic and ideological registers and foregrounds how such participation was

shaped by a wide range of periodical genres The essays focus on well known publications and introduce those as yet obscure and understudied including middlebrow and popular magazines movement based radical papers avant garde titles and classic Little Magazines Examining neglected figures and shining new light on familiar ones the collection enriches our understanding of the role women played in the print culture of this transformative period

Key Features Helps recover neglected women writers and cast new light on canonical ones Highlights the geographical diversity of modern British print culture Emphasises the interdisciplinary nature of modernism including essays on modernist dance music cinema drama and architecture Includes a section on social movement periodicals

A War Imagined Samuel Hynes, 2011-06-30 Between the opulent Edwardian years and the 1920s the First World War opens like a gap in time England after the war was a different place the arts were different history was different sex society class were all different Samuel Hynes examines the process of that transformation He explores a vast cultural mosaic comprising novels and poetry music and theatre journalism paintings films parliamentary debates public monuments sartorial fashions personal diaries and letters Told in rich detail this penetrating account shatters much of the received wisdom about the First World War It shows how English culture adapted itself to the needs of killing how our stereotypes of the war gradually took shape and how the nations thought and imagination were profoundly and irretrievably changed

No Man's Land Sandra M. Gilbert, Susan Gubar, 1991-01-23 V 1 the war of the words V 2 sexchanges

The Many Facades of Edith Sitwell Allan Pero, Gyllian Phillips, 2017-06-13 A fascinating book that takes us deep into Edith Sitwell's world of artifice disguise high camp and verbal ingenuity In these essays Sitwell emerges as a central figure in an alternative avant garde in early twentieth century Britain Faye Hammill author of *Sophistication A Literary and Cultural History* Establishing Edith Sitwell at the center of British modernism this volume showcases her many achievements in poetry autobiography novel writing criticism art and performance Forgoing the gossip about her eccentric appearance and self fashioned persona that

has too often overshadowed serious writing about her work the contributors explore how Sitwell combined persona and poetry to foster an outpouring of iconoclastic creativity The Many Facades of Edith Sitwell argues that Sitwell was crucial to the development of a British avant garde that operated alongside the conventionally accepted transatlantic modernism of Ezra Pound and T S Eliot With Sitwell as an influential literary player and social architect the British interwar arts scene was not an ascetic escape from personality as the modernism of Pound and Eliot has often been characterized but an alternative space of flamboyant extravagant and ornate performance Allan Pero is associate professor of English at the University of Western Ontario Gyllian Phillips is associate professor of English studies at Nipissing University *The Journal of the Rutgers University Library* Rutgers University. mentor to some of the most influential artists of her day Although she had the bearing of a British aristocrat Barry was the self educated daughter of a brass founder and a palm reader from the Isle of Man An aspiring poet her early work attracted the attention of Ezra Pound whose letters to Barry comprise the essence of his thoughts on writing Moving to London at Pound s suggestion in 1917 Barry joined a demimonde of Bloomsbury figures including Ford Maddox Ford T S Eliot Arthur Waley Edith Sitwell and William Butler Yeats and fell in love with Pound s eccentric fellow Vorticist Wyndham Lewis During these tumultuous years Barry launched a career as a novelist biographer and critic of motion pictures which were dismissed as lower class amusements She wrote articles for the Spectator positioning film as a new art form and in 1925 cofounded the London Film Society Emigrating to America in 1930 Barry joined the modernist Askew Salon where she met Alfred Barr Jr the director of the new Museum of Modern Art Barr helped Barry establish a film library and convince powerful Hollywood interests to submit their work for exhibition creating a significant new respect for film and prompting the founding of the International Federation of Film Archives for which Barry served as Life President Barry continued to augment MoMA s film library until World War II when she joined the Office of Strategic Services to develop pro American films with Orson Welles Walt Disney John Houston Samuel Goldwyn and Frank Capra Yet despite these patriotic efforts Barry s foreignness and association with such filmmakers as Luis Bu uel made her the target of an anticommunist witch hunt She eventually left for France working for MoMA only as consultant Barry died in obscurity her contribution to film and cultural history largely forgotten Sitton reclaims her phenomenal achievements while recasting the political involvement of artistic institutions in the early twentieth century
