Selected Poems Of Tu Fu

David Hinton, Bai Li, Li Po

Selected Poems Of Tu Fu:

The Selected Poems of Tu Fu Tu Fu, David Hinton, 1989-06-17 For over a millennium Chinese literati have almost unanimously considered Tu Fu 712-770 A.D. to be their greatest poet. Tu Fu radically altered poetry as he found it in the High Tang period. In addition to making formal innovations in language and structure, he extended the range of acceptable subject matter to include all aspects of public and private experience, thus becoming, in the words of translator David Hinton, the first complete poetic sensibility in Chinese literature. This edition of *The Selected Poems of Tu Fu* is the only comprehensive selection of the poet's work currently available in English. While retaining a scholar's devotion to the text, Hinton has attempted to recreate Tu Fu's poems as new systems of uncertainty. By reflecting all the ambiguity and density of the originals, he has created compelling English poems that significantly alter our conception of Chinese poetry. Included with the poems are the translator's introduction and translation principles, as well as a biography of Tu Fu; together these provide a fascinating portrait of a uniquely sensitive spirit during one of the most tumultuous periods in Chinese history. *The Selected Poems of Tu Fu* Du Fu, 1989 For over a millennium Chinese literati have almost unanimously considered Tu Fu 712-770 A.D. to be their greatest poet. *Selected Poems of Du Fu*, 2003-03-17 Du Fu 712-777 has been called China's greatest poet, and some call him the greatest non-epic, non-dramatic poet whose writings survive in any language. Du Fu excelled in a great variety of poetic forms, showing a richness of language ranging from elegant to colloquial, from allusive to direct. His impressive breadth of subject matter includes intimate personal detail as well as a great deal of historical information, which earned him the epithet poet-historian. Some 1,400 of Du Fu's poems survive today; his fame rests on about one hundred that have been widely admired over the centuries. Preeminent translator Burton Watson has selected 127 poems, including those for which Du Fu is best remembered and lesser-known works. **The Selected Poems of Tu Fu** Tu Fu, 2020-02-25 A new and substantially expanded version of Hinton's landmark translation of Tu Fu, published on the thirtieth anniversary of that original edition. Shortlisted for the Lucien Stryk Asian Translation Prize, Tu Fu 712-770 C.E. has for a millennium been widely considered the greatest poet in the Chinese tradition, and Hinton's original translation played a key role in developing that reputation in America. Most of Tu Fu's best poems were written in the last decade of his life as an impoverished refugee fleeing the devastation of civil war. In the midst of these challenges, his always personal poems manage to combine a remarkable range of possibilities: elegant simplicity and great complexity, everyday life and grand historical drama, private philosophical depth and social engagement in a world consumed by war. Through it all, his is a wisdom that can only be called elemental, and his poems sound remarkably contemporary. *Tu Fu* Feng Chih, 2004-12-01 This volume is published in commemoration of the 1,250th birthday of Tu Fu, one of China's greatest poets who lived in the Tang Dynasty 618-907 A.D. Tu Fu was a contemporary and equal of Li Po, widely known in the West. In the minds of many Chinese people, he is even greater. Both glorified their days, the golden age of classical Chinese poetry, with writings of unmatched brilliance. It was a time of

great turmoil a time when the Tang rule was declining and wars of aggression swept the country Tu Fu born of an intelligentsia family sank to the lowest rung of the social ladder He shared the lot of the common folk and therefore had a deep insight into the calamities and sufferings in which they were involved He hated wars of aggression and longed for peace He made his poetry a vehicle for the expression of his sympathy for the people as well as a faithful account of his own tragedy His poems have been cherished with ever growing admiration In 1962 Tu Fu was commemorated as one of the World's Cultural Giants Feng Chih the compiler of this book is a professor of Peking University and the outstanding specialist on Tu Fu's works His other collection of Tu Fu's works containing 264 poems is popular reading among Chinese lovers of poetry The translator Rewi Alley himself a poet from New Zealand has been in China for more than thirty years He has travelled widely in northwestern and southwestern China and has personally seen the mountains rivers cities and countryside mentioned by Tu Fu He is most qualified for the translation of Tu Fu's poems The present volume contains 140 of Tu Fu's poems written at various periods of his life some of them already widely read Additional features include the reproductions of the rubbing of a stone carving of Tu Fu's portrait facsimiles of Tu Fu's works printed in the Sung and Yuan Dynasties and paintings inspired by the poems

The Selected Poems of Li Po David Hinton, Bai Li, Li Po, 2013-12-24 Li Po A.D. 701-762 lived in Tang Dynasty China but his influence has spanned the centuries the pure lyricism of his poems has awed readers in China and Japan for over a millennium and through Ezra Pound's translations Li Po became central to the modernist revolution in the West His work is suffused with Taoism and Chan Zen Buddhism but these seem not so much spiritual influences as the inborn form of his life There is a set phrase in Chinese referring to the phenomenon of Li Po Winds of the immortals bones of the Tao He moved through this world with an unearthly freedom from attachment and at the same time belonged profoundly to the earth and its process of change However ethereal in spirit his poems remain grounded in the everyday experience we all share He wrote 1200 years ago half a world away but in his poems we see our world transformed
