The Body and the Song Marilyn May Lombardi, 1995 In this original contribution to Elizabeth Bishop studies Marilyn May Lombardi uses previously unpublished materials letters diaries notebooks and unfinished poems to shed new light on the poet's published work She explores the ways Bishop's lesbianism alcoholism allergic illnesses and fear of mental instability affected her poetry the ways she translated her bodily experiences into poetic form A cornerstone of *The Body and the Song* is the poet's thirty year correspondence with her physician Dr Anny Baumann who was both friend and surrogate mother to Bishop The letters reveal Bishop's struggles to understand the relation between her physical and creative drives Dr Anny also helped Bishop unravel the connections in her life between psychosomatic illness and early maternal deprivation her mother was declared incurably insane and institutionalized in 1916 when Bishop was five years old Effectively an orphan she spent the rest of her childhood with relatives In addition to these letters Lombardi uses Bishop's unpublished notebooks to demonstrate the poet's resolve to face the facts to confront her own emotional intellectual and physical frailties and translate them into poetry that is clear eyed and economical in its form Lombardi argues that in her subtle way Bishop explores the same issues that preoccupy the current generation of women

writers A deeply private artist Bishop never directly refers to her homosexuality in her published work but the metaphors she draws from her carnal desires and aversions confront stifling cultural prescriptions for personal and erotic expression In choosing restraint over confession Bishop parted company with her friend Robert Lowell but Lombardi shows that her reticence becomes a powerful artistic strategy resulting in poetry remarkable for its hermeneutic potential Informed by recent gender criticism Lombardi's lucid argument advances our understanding of the ways the material circumstances of life can be transformed into art

Human Aude, 2006 Using delicate prose and intense imagery this translation explores the relationship and struggle of the human body and its inner being Completely paralyzed by Lou Gehrig's disease Magali is imprisoned in her own body able to communicate only by blinking her eyes Feeling mentally free but physically trapped she reflects on her past and regards her present physical existence as a prison A relationship formed between Magali and her doctor gives one of them the hope to live and the other the grace to die

That Summer in Paris Morley Callaghan, 2006 It was the fabulous summer of 1929 when the literary capital of North America moved to La Rive Gauche the Left Bank of the Seine River in Paris Ernest Hemingway was reading proofs of *A Farewell to Arms* and a few blocks away F Scott Fitzgerald was struggling with *Tender Is the Night* As his first published book rose to fame in New York Morley Callaghan arrived in Paris to share the felicities of literary life not just with his two friends Hemingway and Fitzgerald but also with fellow writers James Joyce Ford Madox Ford and Robert McAlmon Amidst these tangled relations some friendships flourished while others failed This tragic and unforgettable story comes to vivid life in Callaghan's lucid compassionate prose

Lanzmann and Other Stories Damian Tarnopolsky, 2007-05 Ranging widely in subject matter from a musician's destructive narcissism to the strange effects a persistent Norwegian has on a bachelor's love life the stories in this collection also vary in style Both elegantly insightful and highly adventurous these tales are inventive deeply comic sometimes very unsettling and completely engaging

The Collected Poems C.P. Cavafy, 2008-10-09 A Greek gentleman in a straw hat standing absolutely motionless at a slight angle to the universe E M Forster's famous description of C P Cavafy the most widely known and best loved modern Greek poet perfectly captures the unique perspective Cavafy brought to bear on history and geography sexuality and language Cavafy wrote about people on the periphery whose religious ethnic and cultural identities are blurred and he was one of the pioneers in expressing a specifically homosexual sensibility His poems present brief and vivid evocations of historical scenes and sensual moments often infused with his distinctive sense of irony They have established him as one of the most important poets of the twentieth century The only bilingual edition of Cavafy's collected poems currently available this volume presents the most authentic Greek text of every poem he ever published together with a new English translation that beautifully conveys the accent and rhythm of Cavafy's individual tone of voice In addition the volume includes an extensive introduction by Peter Mackridge explanatory notes that gloss Greek historical names and events alluded to in the poems a chronological list of the poems and indexes of Greek and English titles About the Series For over 100 years Oxford

World's Classics has made available the broadest spectrum of literature from around the globe. Each affordable volume reflects Oxford's commitment to scholarship, providing the most accurate text plus a wealth of other valuable features including expert introductions by leading authorities, voluminous notes to clarify the text, up-to-date bibliographies for further study, and much more.

Asterisks David Wevill, 2007. Poems written with clarity and craftsmanship; this collection contemplates what is real and observable versus what is not. The verses are like asterisks that refer to somewhere else and they strike with meditative depth and spiritual strength. Drawn from experiences in Burma, England, Spain, and the United States, these words depict moments in time and step back into silence.

100 Love Sonnets Pablo Neruda, 2007. Celebrating the works of a great Chilean poet, this collection offers a vibrant translation of Neruda's sensual and erotic poetry. Famous for his politically engaged lyrics, the Nobel Laureate also wrote bold and sexual sonnets, and this compilation captures the spirit and verbal dexterity of the lesser-known genre. These sonnets from one of the most influential and beloved 20th-century poets accompany questions for discussion and lists of recommended readings and related websites.
