Ghost, Spook, Supernatural, Mystery, Haunting and Other Tales E. F. Benson, 2024-01-08 E F Benson's Complete Short Stories Collection is a remarkable anthology that showcases over 70 tales imbued with his signature blend of supernatural intrigue and psychological depth. Ranging from ghost stories to mysteries, this collection reflects the late Victorian and early Edwardian literary milieu, seamlessly intertwining spookiness with profound human emotions. Benson's narrative style is characterized by meticulous detail and atmospheric settings that evoke a sense of place while often leaving readers teetering on the precipice of dread and curiosity. Each story is a testament to his craft, illuminating the dark recesses of the mind and the spectral uncertainties that linger in the periphery of life. E F Benson, a contemporary of celebrated authors like M R James, was steeped in a literary tradition that explored the unexplainable. His experiences as a social commentator, essayist, and novelist informed his understanding of human nature, allowing him to navigate the complexities of character and belief seamlessly. With a background rooted in the English upper class and a keen interest in the occult, Benson's stories often reflect his sophisticated understanding of societal norms and the uncanny. This collection is highly recommended for readers who appreciate the intricate exploration of the supernatural and its intersection with human psychology. Benson's ability to evoke suspense and atmosphere resonates throughout the collection, making it a must-read for fans of classic ghost stories and anyone intrigued by the mystique of the unknown.

Connections and Influence in the Russian and American Short Story Jeff Birkenstein, Robert C. Hauhart, 2021-03-10 In *Connections and Influence in the Russian and American Short Story*, editors Robert C Hauhart and Jeff Birkenstein have assembled a collection of eighteen original essays written by literary critics from around the globe. Collectively, these critics argue that the reciprocal influence between Russian and American writers is integral to the development of the short story in each country, as well as vital to the global status the contemporary short story has attained. This collection provides original analyses of both well-known Russian and American stories, as well as some that might be more unfamiliar. Each essay is purposely crafted to display an appreciation of the techniques, subject matter, themes, and approaches that both Russian and American short story writers explored across borders and time. Stories by Gogol, Dostoevsky, Turgenev, Chekhov, and Krzhizhanovsky, as well as short stories by Washington Irving, Faulkner, Langston Hughes, Richard Wright, Ursula Le Guin, Raymond Carver, and Joyce Carol Oates, populate this essential multivalent collection. Perhaps more important now than at any time since the end of the Cold War, these essays will remind readers how much Russian and American culture share, as well as the extent to which their respective literatures are deeply intertwined.

Women and Appletrees Moa Martinson, 1985 About this novel, which focuses on two young women early in the 20th century, both victims of sexual abuse, as they struggle to gain for themselves and their children the rights and opportunities usually denied to poor women. Tillie Olsen said, "I love and am ineradicably grateful for this book; this writer, as I have been, but to a few dozen others in my lifetime. Images, scenes, relationships, comprehensions portrayed here will never leave us." She is a writer of international stature and significance.
