The Selected Work of Tom Paine Thomas Paine,1945 There is extraordinary vitality in the writings of Tom Paine Howard Fast through his Citizen Tom Paine created the market for this excellent selection from his works with biographical and historical background and comments by Fast Paine emerges as pamphleteer without rival as courageous advocate of flagging causes No other pen did so great a service to the cause of Revolution the American Revolution with Common Sense and the Crisis Papers the murmurings of revolution which came eventually in England with Rights of Man and the cause of religious freedom with the often misquoted and misinterpreted The Age of Reason How these writings came into being how they affected not only the lives of masses of people but Tom Paine s own troubled life how they set a high standard for all who sometimes failed to realize that a declaration of rights is also a declaration of duties The final section contains the much discussed but rarely read letter to Washington along with sundry other shorter papers connected with it in Paine s period of disillusion *The Selected Work of Thomas Paine and Citizen Tom Paine* ,1945 [The Selected Work of Tom Paine](#) Thomas Paine,Howard Fast,1945 **Selected Work of Tom Paine and Citizen Tom Paine** Thomas Paine,1943 *SELECTED WORK OF TOM PAINE AND CITIZEN TOM PAINE BY HOWARD FAST*. Politics without Stories David Ricci, 2016-08-19 Liberal candidates scholars and activists mainly promote pragmatism rather than large and powerful narratives which may be called alpha stories for their commanding presence over time Alternatively conservative counterparts to such liberals tend to promote their policy preferences in alpha stories praising effective markets excellent traditions and limited government In this face off liberals represent a post Enlightenment world where many modern people following Max Weber are disenchanted while many conservatives echoing Edmund Burke cherish stories borrowed from the past *Politics without Stories* describes this storytelling gap as an electoral disadvantage for liberals because their campaigning lacks and will continue to lack the inspiration and shared commitments that great long term stories can provide Therefore Ricci argues that for tactical purposes liberals should concede their post Enlightenment skepticism and rally around short term stories designed to frame in political campaigns immediate situations which they regard as intolerable

These may help liberals win elections and influence the course of modern life
