#### **Selected Works Of Govind Ballabh Pant V:**

Selected Works of Govind Ballabh Pant Govind Ballabh Pant, Bal Ram Nanda, 2002 This series documents and illuminates the career and personality of an eminent political leader providing valuable source material for analysts and scholars of Selected Works of Govind Ballabh Pant Govind Ballabh Pant, Bal Ram Nanda, 2002 modern Indian politics and history v 13 covers April 1949 to August 1951 v 14 covers September 1951 to March 1953 v 15 covers April 1953 to December 1954 v 16 covers January 1955 to August 1956 v 18 covers January 1959 7 March 1961 **Selected Works of Govind Ballabh** Pant: Ianuary 1938- December 1938 Govind Ballabh Pant, 1993 V 1 covers 1906 to 1924 v 2 covers 1924 to 1925 v 4 covers 1927 to 1928 The Selected Works of Maulana Abul Kalam Azad: 1957-1958 Ravindra Kumar, 1991 Selected Works of Jawaharlal Nehru, 1988 This volume covers nearly eleven weeks Books in Print ,2002 from October 6 1948 when Nehru left India for London to attend the Commonwealth Prime Ministers Conference to December 19 when the annual session of the Indian National Congress at Jaipur concluded It collects Nehru s addresses and articles related to this stressful time in world history Among his articles are support for the causes of Indonesia and the Africans in their battles against alien rulers arguments for the continued membership of India in the Commonwealth and a piece on the importance of protecting Indian interests in neighboring countries Above all Nehru stressed the need to maintain secular values and the urgency of restructuring the economy to meet the demands of free India The British **Left and India** Nicholas Owen, 2007-11-15 Tracing the complex and troubled relationship between the British Left and the nationalist movement in India in the years before Indian independence Nicholas Owen's study looks at the failure of British and Indian anti imperialists to create the kind of powerful alliance that the Empire's governors had always feared

Selected works of Govind Ballabh Pant Govind Ballabh Pant,1999 The British National Bibliography Arthur James Wells,2003 Sixteen Stormy Days Tripurdaman Singh,2024-01-25 Winner of the Ramnath Goenka Award 2020 On 26th January 1950 India became a republic shedding its last links with its colonial past and inaugurating a new era of liberty and freedom With fundamental rights and civil liberties guaranteed by the state the new constitution was universally acclaimed as the world's greatest experiment in liberal government This idealistic birth of a new republic meant a clean break with a repressive past And yet barely twelve months later the very makers of the constitution were denouncing their own creation Passed in June 1951 the First Amendment to the Constitution was a pivotal moment in Indian constitutional history Sixteen Stormy Days explores the contentious legacy of this First Amendment which drastically curbed freedom of speech restricted freedom against discrimination and circumscribed the right to property It follows the sixteen days of debate that led up to it the people that created it the great battle waged against it and the immense consequences it has had for Indian democracy It is a cautionary tale about an almost forgotten but hugely consequential piece of history that holds the key to understanding the position of civil liberties and individual freedoms in India today It challenges conventional wisdom on iconic figures such

as Jawaharlal Nehru B R Ambedkar Rajendra Prasad Sardar Patel and Shyama Prasad Mookerji and lays bare the vast gulf between the liberal promise of India's Constitution and the authoritarian impulses of her first government Democracy in India Bidyut Chakrabarty, 2018-01-12 Constitutional democracy is both a structure of governance and a way of providing an ideological perspective on governance The 1950 Constitution of India established constitutional democracy in India and the narrative of the rise and consolidation of constitutional democracy in India cannot be understood without comprehending the politico ideological processes that consolidated simultaneously both colonialism and constitutional liberalism This book examines the processes leading to constitutionalizing India and challenges the conventional idea that the Constitution of India is a borrowed doctrine A careful study of the processes reveals that the 1950 Constitution was the culmination of an ideational battle that had begun with the consolidation of the British Enlightenment philosophy in the early days of British paramountcy in India The book therefore argues that constitutionalizing endeavour in India had a clear imprint of ideas which had its root in this philosophy The study reveals a striking continuity of the same kind of ideological sentiments when the nationalists devised their own constitutionalizing design visible in the 1928 Motilal Nehru report and which reappeared in the 1945 Sapru Committee report Deviating from the conventional study of constitutional evolution of a polity which is generally legalistic this book explores the processes since the beginning of colonial rule in India which led to the conceptualization of constitutional democracy in a milieu engaging with arguments formulated by James and JS Mill A detailed analysis of the roots of constitutional and political liberalism in India this book sheds light on the material surrounding India's constitutional development It will be of interest to scholars in the field of Indian Political Theory South Asian Politics and History Rafi Ahmed Kidwai: BRIDGING REGION and nation RATHIN BISWAS, 2020-06-04 Pandit Ko bhi Salam hai aur maulyi ko bhi mazhab na chahiye mujhe imaan chahiye Akbar Allahabadi Rafi Ahmed Kidwai Bridging Region and Nation is a political biography of a congressman from Uttar Pradesh to whom nothing mattered but Indian freedom During pre partitioned days when greatest of the Muslims queued to Muhammad Ali Jinnah in his Pakistan movement he stood his guns with resolute firmness He was Pandit Jawaharlal Nehru s closest colleague India s first communication Minister and was one of the two Muslims in the Nehru cabinet along with Maulana Abul Kalam Azad He achieved miracles as Food and Agriculture Minister by his policy of food de control He was an administrative genius to the caliber of Sardar Patel a nationalist Indian and a humanist in truest term This book is a product of extensive research on pre partition Gandhian phase of UP congress vis vis India as a whole It will provide opportunity for the readers to peep inside the Congress organization in colonial era in the back drop of rising factionalism and communalism The Empire Project John Darwin, 2009-09-24 The British Empire wrote Adam Smith has hitherto been not an empire but the project of an empire and John Darwin offers a magisterial global history of the rise and fall of that great imperial project The British Empire he argues was much more than a group of colonies ruled over by a scattering of British expatriates until eventual independence It was

above all a global phenomenon Its power derived rather less from the assertion of imperial authority than from the fusing together of three different kinds of empire the settler empire of the white dominions the commercial empire of the City of London and Greater India which contributed markets manpower and military muscle This unprecedented history charts how this intricate imperial web was first strengthened then weakened and finally severed on the rollercoaster of global economic political and geostrategic upheaval on which it rode from beginning to end The Remarkable Madame Pandit Manu Bhagavan, 2025-09-30 A pioneering politician and diplomat Vijaya Lakshmi Pandit 1900 1990 was an Indian icon admired worldwide for her brilliance and glamour Eleanor Roosevelt called her the most remarkable woman she had ever met Madame Pandit as she was widely known moved in elite global circles even as she worked to improve the lives of millions She traded guips with Winston Churchill worked alongside Albert Einstein and was detained for the attempted assassination of Benito Mussolini She even came out of retirement to campaign against her own niece Indira Gandhi to stop an authoritarian takeover and save Indian democracy The Remarkable Madame Pandit is the definitive biography of India's greatest modern diplomat Manu Bhagavan chronicles Pandit's life and times from her upbringing in an illustrious family to her role in her country's fight for independence and through her globe trotting career bridging East and West Pandit was India's first woman cabinet minister an ambassador to the United States and the Soviet Union and the first woman elected president of the UN General Assembly Her influence extended well beyond these formal roles she became one of the most prominent international voices for peace while paving the way for women in many fields Based on eight years of research using material in five languages from seven countries this book tells Madame Pandit's gripping story in full and in so doing retells the history of India and the world in the twentieth century The Great Partition Yasmin Khan, 2007-09-18 The collected works of Mahatma Gandhi Mohandas Karamchand Gandhi,1994 **Populism and Patronage** Paul D. Kenny, 2017-09-22 Populist rule is bad for democracy yet in country after country populists are being voted into office Populism and Patronage shows that the populists such as Indira Gandhi and Narendra Modi win elections when the institutionalized ties between non populist parties and voters decay Yet the explanations for this decay differ across different types of party system Populism and Patronage focuses on the particular vulnerability of patronage based party systems to populism Patronage based systems are ones in which parties depend on the distribution of patronage through a network of brokers to mobilize voters Drawing on principal agent theory and social network theory this book argues that an increase in broker autonomy weakens the ties between patronage parties and voters making latter available for direct mobilization by populists Decentralization is thus a major factor behind populist success in patronage democracies The volume argues that populists exploit the breakdown in national patronage networks by connecting directly with the people through the media and mass rallies avoiding or minimizing the use of deeply institutionalized party structures This book not only reinterprets the recurrent appeal of populism in India but also offers a more general theory of populist electoral support that is tested using qualitative and

quantitative data on cases from across Asia and around the world including Indonesia Japan Venezuela and Peru

Legends in Gandhian Social Activism: Mira Behn and Sarala Behn Bidisha Mallik,2022-06-15 This book is about Madeleine Slade 1892 1982 and Catherine Mary Heilemann 1901 1982 two English associates of Mohandas K Mahatma Gandhi 1869 1948 known in India as Mira Behn and Sarala Behn The odysseys of these women present a counternarrative to the forces of imperialism colonialism capitalism and globalized development The book examines their extraordinary journey to India to work with Gandhi and their roles in India's independence movement their spiritual strivings their independent work in the Himalayas and most importantly their contribution to the evolution of Gandhian philosophy of socio economic reconstruction and environmental conservation in the present Indian state of Uttarakhand The author shows that these women developed ideas and practices that drew from an extensive intellectual terrain that cannot be limited to Gandhi s work She delineates directions in which Gandhian thought and experiments in rural development work and visions of a new society evolved through the lives activism and written contributions of these two women Their thought and practice generated a new cultural consciousness on sustainability that had a key influence in environmental debates in India and beyond and were responsible for two of the most important environmental movements of India and the world the Chipko Movement or the movement against commercial green felling of trees by hugging them and the protest against the Tehri high dam on the Bhagirathi River To this day their teachings and philosophies constitute a useful and significant contribution to the search for and implementation of global ideas of ecological conservation and human development Accessions List.
