**Jawaharlal Nehru**

### **Selected Works Of Jawaharlal Nehru 1 September 17 November 1955 Volume3:**

Selected Works of Jawaharlal Nehru: 1 September-17 November 1955 Jawaharlal Nehru, 2002 This volume covers nearly eleven weeks from October 6 1948 when Nehru left India for London to attend the Commonwealth Prime Ministers Conference to December 19 when the annual session of the Indian National Congress at Jaipur concluded It collects Nehru's addresses and articles related to this stressful time in world history Among his articles are support for the causes of Indonesia and the Africans in their battles against alien rulers arguments for the continued membership of India in the Commonwealth and a piece on the importance of protecting Indian interests in neighboring countries Above all Nehru stressed the need to maintain secular values and the urgency of restructuring the economy to meet the demands of free India

**Arms Races in International Politics** Thomas Mahnken, Joseph Maiolo, David Stevenson, 2016-01-14 This volume provides the first comprehensive history of the arms racing phenomenon in modern international politics drawing both on theoretical approaches and on the latest historical research Written by an international team of specialists it is divided into four sections before 1914 the inter war years the Cold War and extra European and post Cold War arms races Twelve case studies examine land and naval armaments before the First World War air land and naval competition during the 1920s and 1930s and nuclear as well as conventional weapons since 1945 Armaments policies are placed within the context of technological development international politics and diplomacy and social politics and economics An extended general introduction and conclusion and introductions to each section provide coherence between the specialized chapters and draw out wider implications for policymakers and for political scientists Arms Races in International Politics addresses two key questions what causes arms races and what is the connection between arms races and the outbreak of wars **The**

**Sino-Indian War of 1962** Amit R. Das Gupta, Lorenz M. Lüthi, 2016-11-03 Cover Title Copyright Contents List of maps Acknowledgements Notes on contributors Introduction Part 1 Bilateral perspectives 1 India's relations with China 1945-74 2 Foreign Secretary Subimal Dutt and the prehistory of the Sino-Indian border war 3 From Hindi Chini Bhai Bhai to international class struggle against Nehru China's India policy and the frontier dispute 1950-62 4 The strategic and regional contexts of the Sino-Indian border conflict China's policy of conciliation with its neighbours Part 2 International perspectives

Selected Works of Jawaharlal Nehru: 1 September-17 November 1955 Jawaharlal Nehru, 1984 India and the Anglosphere Alexander Davis, 2018-12-07 India has become known in the US the UK Canada and Australia as the world's largest democracy a natural ally the democratic counterweight to China and a trading partner of massive economic potential This new foreign policy orthodoxy assumes that India will join with these four states and act just as any other democracy would A set of political and think tank elites has emerged which seek to advance the cause of a culturally superior if ill defined Anglosphere Building on postcolonial and constructivist approaches to international relations this book argues that the same Eurocentric assumptions about India pervade the foreign policies of the Anglosphere states international relations

theory and the idea of the Anglosphere The assertion of a shared cultural superiority has long guided the foreign policies of the US the UK Canada and Australia and this has been central to these states relationships with postcolonial India This book details these difficulties through historical and contemporary case studies which reveal the impossibility of drawing India into Anglosphere type relationships At the centre of India Anglosphere relations then is not a shared resonance over liberal ideals but a postcolonial clash over race identity and hierarchy A valuable contribution to the much needed scholarly quest to follow a critical lens of inquiry into international relations this book will be of interest to academics and advanced students in international relations Indian foreign policy Asian studies and those interested in the Anglosphere as a concept in international affairs

**India's Nuclear Policy** Bharat Karnad, 2008-10-30 This book examines the Indian nuclear policy doctrine strategy and posture clarifying the elastic concept of credible minimum deterrence at the center of the country's approach to nuclear security This concept Karnad demonstrates permits the Indian nuclear forces to be beefed up size and quality wise and to acquire strategic reach and clout even as the qualifier minimum suggests an overarching concern for moderation and economical use of resources and strengthens India's claims to be a responsible nuclear weapon state Based on interviews with Indian political leaders nuclear scientists and military and civilian nuclear policy planners it provides unique insights into the workings of India's nuclear decision making and deterrence system Moreover by juxtaposing the Indian nuclear policy and thinking against the theories of nuclear war and strategic deterrence nuclear escalation and nuclear coercion offers a strong theoretical grounding for the Indian approach to nuclear war and peace nuclear deterrence and escalation nonproliferation and disarmament and to limited war in a nuclearized environment It refutes the alarmist notions about a nuclear flashpoint in South Asia etc which derive from stereotyped analysis of India Pakistan wars and examines India's likely conflict scenarios involving China and minorly Pakistan

**Selected Works of Jawaharlal Nehru: 1 Oct. 1954-31 Jan. 1955** Jawaharlal Nehru, 1984 This volume covers nearly eleven weeks from October 6 1948 when Nehru left India for London to attend the Commonwealth Prime Ministers Conference to December 19 when the annual session of the Indian National Congress at Jaipur concluded It collects Nehru's addresses and articles related to this stressful time in world history Among his articles are support for the causes of Indonesia and the Africans in their battles against alien rulers arguments for the continued membership of India in the Commonwealth and a piece on the importance of protecting Indian interests in neighboring countries Above all Nehru stressed the need to maintain secular values and the urgency of restructuring the economy to meet the demands of free India

**Independent Kashmir** Christopher Snedden, 2021-06-01 Many disenchanted Kashmiris continue to demand independence or freedom from India Written by a leading authority on Kashmir's troubled past this book revisits the topic of independence for the region also known as Jammu and Kashmir or J K and explores exactly why this aspiration has never been fulfilled In a rare India Pakistan agreement they concur that neither J K nor any part of it can be independent Charting a complex history and intense geo political rivalry from Maharaja Hari

Singh's leadership in the mid 1920s to the present this book offers an essential insight into the disputes that have shaped the region. As tensions continue to rise following government imposed COVID 19 lockdowns Snedden asks a vital question what might independence look like and just how realistic is this aspiration      **Books In Print 2004-2005** Ed Bowker Staff, Staff Bowker, Ed, 2004      **India's Military Strategy** S. Kalyanaraman, 2022-12-30 This book explores what military strategy is and how it is interconnected with policy on one hand and military operations on the other. In the process it traces the transformation of the notion of strategy from its original military moorings to a more policy oriented and influenced conception and elaborates upon a tripartite framework of policy strategy and doctrine to think about understand and analyse the use of force. The book explores the politics of India Pakistan conflict in order to root the study of Indian military strategy in the political sphere. It discusses three main issues that have ensured the persistence of conflict incompatible national identities Pakistan's congenital quest for parity with and compulsion to challenge India and irreconcilable positions on the Kashmir issue. The book argues that India has invariably pursued limited political aims that did not threaten Pakistan's survival or form of government or regime in power albeit containing a counter offensive elements. It states that India employed the strategy of exhaustion during the Indian Army's campaigns in the 1947-48 conflict and 1965 war which made way to strategy of annihilation during the 1971 war East Pakistan but after Pakistan's acquisition of nuclear weapons capability the strategy is back to exhaustion. The book highlights the importance of designing an overall military strategy for waging limited war and pursuing carefully calibrated political and military objectives by creatively combining the individual doctrines of the three services by establishing a Chief of Defence Staff system      India's Saudi Policy P. R. Kumaraswamy, Md. Muddassir Quamar, 2018-09-29 The book traces India's Saudi Policy and locates the current state of bilateral relations and the challenges it faces. It argues that during the Cold War the relations were largely shaped by the Pakistan factor which in turn inhibited both sides from exploring the importance and value of one another. As a result the relations were largely transactional and marginal. The end of the Cold War coincided with two interesting developments namely significant growth in India's economic power and influence and the de-hyphenation of Pakistan from its Middle East policy. This resulted in greater political engagements between India and Saudi Arabia and was strengthened by the growing energy trade ties. For long expatriate population and haj have been the backbone of the relations and they have been new instruments as India looks to enhance its engagements with the Kingdom through investments opportunities political contacts shared security concerns and strategic cooperation. India's Saudi policy however face many challenges most importantly the regional instability the Iran factor low oil price and the international dynamics. The book will be the first comprehensive work on the India Saudi relations. Though targeting a wider audience it will be academically grounded and based on primary sources collected from India and Saudi Arabia      **Values in Foreign Policy** Krishnan Srinivasan, James Mayall, Sanjay Pulipaka, 2019-02-14 Values in Foreign Policy Investigating Ideals and Interests covers all aspects of the

tension between values and national priorities with specific reference to the leading countries of today The volume explores the effect of the enlightenment colonialism modernity and post modernity in determining contemporary value systems which are often uncomfortable in their interface with each other This book written in accessible non technical language will be of interest and benefit to policy makers and practitioners of foreign policy as well as the academic community It will be equally valuable to anyone interested in international relations Written by specialists in the field of foreign relations this is the closest examination ever made of the impulses which drive the foreign policies of the world s most important countries touching on the legacies of religion civilization culture and history Companion website <http://www.foreignpolicy.org> in home

**The School at Ajmeri Gate** Azra Razzack,Atyab Siddiqui,2022-08-30 This is a story of a school in the walled city of Old Delhi the Anglo Arabic Senior Secondary School The school has its origins in Madrasa Ghaziuddin established in 1692 Using archival data and personal accounts this book offers a fascinating insight into an institution of historic importance

**Selected Works of Jawaharlal Nehru, Second Series** Jawaharlal Nehru,2016 *India, China, Russia* Gilles Boquérat,Frédéric Grare,2004 The validity of an Asian Triangle however needs to be substantiated has this geometric figure a life of its own Can it further the cause of multipolarity or is it just a tool for its constituents to improve their standing vis a vis the United States in a unipolar world **Selected Works of Jawaharlal Nehru: Sep** Jawaharlal Nehru,1984 This volume covers nearly eleven weeks from October 6 1948 when Nehru left India for London to attend the Commonwealth Prime Ministers Conference to December 19 when the annual session of the Indian National Congress at Jaipur concluded It collects Nehru s addresses and articles related to this stressful time in world history Among his articles are support for the causes of Indonesia and the Africans in their battles against alien rulers arguments for the continued membership of India in the Commonwealth and a piece on the importance of protecting Indian interests in neighboring countries Above all Nehru stressed the need to maintain secular values and the urgency of restructuring the economy to meet the demands of free India

The Making of Indian Diplomacy Deep K. Datta-Ray,2015-05-21 Diplomacy is conventionally understood as an authentic European invention which was internationalised during colonialism For Indians the moment of colonial liberation was a false dawn because the colonised had internalised a European logic and performed European practices Implicit in such a reading is the enduring centrality of Europe to understanding Indian diplomacy This Eurocentric discourse renders two possibilities impossible that diplomacy may have Indian origins and that they offer un theorised potentialities Abandoning this Eurocentric model of diplomacy Deep Datta Ray recognises the legitimacy of independent Indian diplomacy and brings new practices He creates a conceptual space for Indian diplomacy to exist forefronting civilisational analysis and its focus on continuities but refraining from devaluing transformational change **The British National Bibliography** Arthur James Wells,2002 **Unsettling Utopia** Jessica Namakkal,2021-08-17 After India achieved independence from the British in 1947 there remained five scattered territories governed by the French imperial state It was not until 1962 that France fully

relinquished control Once decolonization took hold across the subcontinent Western led ashrams and utopian communities remained in and around the former French territory of Pondicherry most notably the Sri Aurobindo Ashram and the Auroville experimental township which continue to thrive and draw tourists today *Unsettling Utopia* presents a new account of the history of twentieth century French India to show how colonial projects persisted beyond formal decolonization Through the experience of the French territories Jessica Namakkal recasts the relationships among colonization settlement postcolonial sovereignty utopianism and liberation considering questions of borders exile violence and citizenship from the margins She demonstrates how state sponsored decolonization the bureaucratic process of transferring governance from an imperial state to a postcolonial state rarely aligned with local desires Namakkal examines the colonial histories of the Aurobindo Ashram and Auroville arguing that their continued success shows how decolonization paradoxically opened new spaces of settlement perpetuating imperial power Challenging conventional markers of the boundaries of the colonial era as well as nationalist narratives *Unsettling Utopia* sheds new light on the legacies of colonialism and offers bold thinking on what decolonization might yet mean

*Congress and Indian Nationalism* Richard Sisson, Stanley Wolpert, 2024-07-26 Seventeen distinguished historians and political scientists discuss the phenomenon of Indian Nationalism one hundred years after the founding of the Congress party They offer important new interpretations of Nationalism s evolution during more than six decades of crucial change and rapid growth As India s foremost political institution the National Congress with its changing fortunes mirrored Indian aspirations ideals dreams and failures during the country s struggle for nationhood Many difficulties face by the pre independence Indian National Congress are critically examined for the first time in this volume Major times of crisis and transition are considered as well as the tension between mass action and political control and the problem of creating and maintaining unity in the face of divisive social and economic interests and between deeply hostile religious communities A composite portrait of the Congress Party emerges We see a coalition of often conflicting communities and interests much like India itself struggling to stay together tenuously united by little more at times than a common enemy the imperial British Raj But linked together in precarious seemingly haphazard fashion shifting networks of elite political entrepreneurs manage to keep India s National Congress alive long enough to convince the British that it would be easier to Quit India than to try to hang on to it by force With the abrupt transfer of power from the British to the independent Dominions of India and Pakistan in 1947 Congress provided institutional sinews for the administration of what had been British India and over five hundred Princely States By contributing to a deeper understanding of India s nationalist experience this volume may illuminate the experience of other Third World states
