**Comrades at Odds** Andrew J. Rotter, 2018-10-18 *Comrades at Odds* explores the complicated Cold War relationship between the United States and the newly independent India of Jawaharlal Nehru from a unique perspective that of culture broadly defined In a departure from the usual way of doing diplomatic history Andrew J Rotter chose culture as his jumping off point because he says Like the rest of us policymakers and diplomats do not shed their values biases and assumptions at their office doors They are creatures of culture and their attitudes cannot help but shape the policy they make To define those attitudes Rotter consults not only government documents and the memoirs of those involved in the events of the day but also literature art and mass media An advertisement a photograph a cartoon a film and a short story he finds tell us in their own ways about relations between nations as surely as a State Department memorandum does While expanding knowledge about the creation and implementation of democracy Rotter carries his analysis across the categories of race class gender religion and culturally infused practices of governance strategy and economics Americans saw Indians as superstitious unclean treacherous lazy and prevaricating Indians regarded Americans as arrogant materialistic uncouth profane and violent Yet in spite of these stereotypes Rotter notes the mutual recognition of profound similarities between the two groups they were indeed comrades at odds

*The British National Bibliography* Arthur James Wells, 2000

*Changing Indian Images of the European Union* Rajendra K. Jain, 2019-09-25 This book explores the images and perceptions of the European Union EU in the eyes of one of the EU's three strategic partners in Asia in the context of its own distinct policies and identity It fills a major gap in existing studies on how Asians perceive the EU The book examines the perception representation and visibility of the EU in the Indian media among the elites and in public opinion It explores whether the Union's self proclaimed representation as a global actor a normative power and a leader in environmental negotiations conforms to how it is actually perceived in Third World countries The book asks questions such as How have Indian images of Europe European Union been changing from the 1940s to the present What new narratives have emerged or are emerging about the EU in India What does the rise of China mean for EU India relations Is the image of the EU changing in India or do old representations still persist even though the Union is acquiring a new personality in the world politics How does India perceive Poland

**Democracy, Governance, and Globalization**, 2004 Contributed articles volume in honor of Paul H Appleby 1891 1963 political scientist

**Cold War Summits** Chris Tudda, 2015-10-29 CHOICE Outstanding Academic Title 2016 This book examines six summits spanning the beginning and the end of the Cold War Using declassified documents from U S British and other archives Chris Tudda shows how the Cold War developed from an ideological struggle between capitalism and communism into a truly global struggle From Potsdam in 1945 to Malta in 1989 the nuclear superpowers met

to determine how to end World War II manage the arms race and ultimately end the Cold War Meanwhile the newly independent nations of the Third World including the People s Republic of China became active and respected members of the international community determined to manage their own fates independent of the superpowers The six summits Potsdam 1945 Bandung 1955 Glassboro 1967 Beijing 1972 Vienna 1972 and Malta 1989 are here examined together in a single volume for the first time An introductory essay provides a historiographical analysis of Cold War summitry while the conclusion ties the summits together and demonstrates how the history of the Cold War can be understood not only by examining the meetings between the superpowers but also by analyzing how the developing nations became agents of change and thus affected international relations

Visualizing Secularism and Religion Maha Yahya,2012-05-22 Over the past two decades secular politics across the globe have witnessed an increasing turn to religion based political movements such as the rise of political Islam and Hindu nationalism which have been fueling new and alternative notions of nationhood and national ideologies The rise of such movements has initiated widespread debates over the meaning efficacy and normative worth of secularism Visualizing Secularism and Religion examines the constitutive role of religion in the formation of secular national public spheres in the Middle East and South Asia arguing that in order to establish secularism as the dominant national ideology of countries such as Turkey Lebanon and India the discourses practices and institutions of secular nation building include rather than exclude religion as a presence within the public sphere The contributors examine three fields urban space and architecture media and public rituals such as parades processions and commemorative festivals with a view to exploring how the relation between secularism religion and nationalism is displayed and performed This approach demands a reconceptualization of secularism as an array of contextually specific practices ideologies subjectivities and performances rather than as simply an abstract legal bundle of rights and policies

Ruth Roman Derek Sculthorpe,2022-07-05 With her striking looks the raven haired dark eyed Ruth Roman had an air of sophistication that made her seem sexy yet wholesome She had to strive harder than most to establish herself as a leading actress in Hollywood during its glory years and finally broke through in 1949 with her role in *Champion* As one of the last Warner Bros contract players she appeared in Alfred Hitchcock s classic *Strangers on a Train* Seen at her best in strong

parts such as the ambitious Ronda Castle in Anthony Mann's *The Far Country* or as a modern day Lady Macbeth she enjoyed a varied career as a freelancer before re-inventing herself as a character actress of note on television. A remarkable return to the screen in the bizarre psycho horror *The Baby* 1973 assured her of cult status. This is the first book dedicated to a committed but often undervalued actress who is fondly remembered by fans of classic film. More than a biography it seeks to contextualize the actress within her own time, illuminate her Hollywood experience and celebrate her extensive career.

Books In Print 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004      *Arms Races in International Politics* Thomas Mahnken, Joseph Maiolo, David Stevenson, 2016-01-14. This volume provides the first comprehensive history of the arms racing phenomenon in modern international politics, drawing both on theoretical approaches and on the latest historical research. Written by an international team of specialists, it is divided into four sections: before 1914, the inter-war years, the Cold War, and extra-European and post-Cold War arms races. Twelve case studies examine land and naval armaments before the First World War, air, land and naval competition during the 1920s and 1930s, and nuclear as well as conventional weapons since 1945. Armaments policies are placed within the context of technological development, international politics and diplomacy, and social politics and economics. An extended general introduction and conclusion, and introductions to each section, provide coherence between the specialized chapters and draw out wider implications for policymakers and for political scientists. *Arms Races in International Politics* addresses two key questions: what causes arms races and what is the connection between arms races and the outbreak of wars.
