Selected Writings Of Cunninghame Graham:

Selected Writings of Cunninghame Graham Robert Bontine Cunninghame Graham, 1981 **Selected Writings of Cunninghame Graham** Robert Bontine Cunninghame Graham, 1981 The Selected Writings of Andrew Lang Tom Hubbard, 2016-12-08 A novelist poet literary critic and anthropologist Andrew Lang is best known for his publications on folklore mythology and religion many have grown up with the colour Fairy Books which he compiled between 1889 and 1910 This three volume set presents a selection of his work in these areas As a companion to the first volume the second is comprised of various case studies made by Lang ranging from The Aryan Races of Peru and The Folk lore of France to Irish Fairies and The Ballads Scottish and English Collectively the General Introduction to the set and the Introductions to the individual volumes offer a thorough overview of Lang s work in an astonishing variety of fields including his translation work on Homer and his contributions to historiography particularly Scottish Headnotes to the individual items are of varying length and provide more detail on specific topics and explanatory notes supply unique intellectual comment rather than The Selected Letters of Joseph Conrad Joseph Conrad, 2015-09-03 Brings together for the first merely factual information time the most important and illuminating letters of one of our major writers **Selected Essays of Hugh MacDiarmid** Hugh MacDiarmid, 2023-11-15 This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1969 The Mainstream Companion to Scottish Literature Trevor Royle, 2012-01-06 The Mainstream Companion to Scottish Literature is the most comprehensive reference guide to Scotland s literature covering a period from the earliest times to the early 1990s It includes over 600 essays on the lives and works of the principal poets novelists dramatists critics and men and women of letters who have written in English Scots or Gaelic Thus as well as such major writers as Robert Henryson William Dunbar Gavin Douglas Allan Ramsay Robert Fergusson Robert Burns Walter Scott Robert Louis Stevenson and Hugh MacDiarmid the Companion also lists many minor writers whose work might otherwise have been overlooked in any survey of Scottish literature Also included here are entries on the lives of other more peripheral writers such as historians philosophers diarists and divines whose work has made a contribution to Scottish letters Other essays range over such general subjects as the principal work of major writers literary movements historical events the world of printing and publishing folklore journalism drama and Gaelic A feature of the book is the inclusion of the bibliography of each writer and reference to the major critical works. This comprehensive quide is an essential tool for the serious student of Scottish literature as well as being an ideal guide and companion for the general reader The Red Countess Hermynia Zur Mühlen, 2018-08-20 Praise for the first edition of this book This translation is something of an event For the first time it makes Zur M hlen's text available to English speaking readers in a reliable version

David Midgley University of Cambridge This book represents exceptional value both as an enjoyable read and as an introduction to an attractive author who amply deserves rediscovery Ritchie Robertson Journal of European Studies 42 1 106 07 Born into a distinguished aristocratic family of the old Habsburg Empire Hermynia Zur M hlen spent much of her childhood and early youth travelling in Europe and North Africa with her diplomat father Never comfortable with the traditional roles women were expected to play she broke as a young adult both with her family and after five years on his estate in the old Czarist Russia with her German Junker husband and set out as an independent free thinking individual earning a precarious living as a writer Zur M hlen translated over 70 books from English French and Russian into German notably the novels of Upton Sinclair which she turned into best sellers in Germany produced a series of detective novels under a pseudonym wrote seven engaging and thought provoking novels of her own six of which were translated into English contributed countless insightful short stories and articles to newspapers and magazines and having become a committed socialist achieved international renown in the 1920s with her Fairy Tales for Workers Children which were widely translated including into Chinese and Japanese Because of her fervent and outspoken opposition to National Socialism she and her life long Jewish partner Stefan Klein had to flee first Germany where they had settled and then in 1938 her native Austria They found refuge in England where Zur M hlen died forgotten and virtually penniless in 1951 The ^ADialect of Modernism Michael North, 1998-01-22 The Dialect of Modernism uncovers the crucial role of racial masquerade and linguistic imitation in the emergence of literary modernism Rebelling against the standard language and literature written in it modernists such as Joseph Conrad Gertrude Stein T S Eliot Ezra Pound and William Carlos Williams reimagined themselves as racial aliens and mimicked the strategies of dialect speakers in their work In doing so they made possible the most radical representational strategies of modern literature which emerged from their attack on the privilege of standard language At the same time however another movement identified with Harlem was struggling to free itself from the very dialect the modernists appropriated at least as it had been rendered by two generations of white dialect writers For writers such as Claude McKay Jean Toomer and Zora Neale Hurston this dialect became a barrier as rigid as the standard language itself Thus the two modern movements which arrived simultaneously in 1922 were linked and divided by their different stakes in the same language In The Dialect of Modernism Michael North shows through biographical and historical investigation and through careful readings of major literary works that however different they were the two movements are inextricably connected and thus cannot be considered in isolation Each was marked for good and bad by the other High and Low **Moderns** Maria DiBattista, Lucy McDiarmid, 1996 Publisher description A Historical Guide to Joseph Conrad John Peters, 2010 Joseph Conrad achieved worldwide literary renown in his third language Despite not having learned English until his twenties Conrad succeeded in breaking new ground with his portrayal of anti heroes distinctive narrative style becoming a major influence on 20th century English language fiction Selected Works of Miguel de Unamuno, Volume 3

Miguel de Unamuno, 2015-03-08 This comprehensive edition in English begins with a volume on the theme of Don Quixote the greater part of which is devoted to The Life of Don Quixote and Sancho followed by sixteen essays on diverse aspects of the Quixote motif Originally published in 1968 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 **The Fiction of Geopolitics** Christopher Lloyd GoGwilt, 2000 Charting the contours of the long turn of the century from 1860 to 1940 and studying a range of writers genres and disciplines this book moves back and forth from Victorian to modernist fields of study to show how the 19th century European hypothesis of culture haunts the 20th century fiction of geopolitics Selected Essays of Sean O'Faolain Brad Kent, 2016-10-01 Sean O Faolain 1900 1991 was Ireland's leading social and political critic in the period following the country's independence from the United Kingdom Since his death scholarly opinion has alternately cast him as an arch revisionist a liberal nationalist and a frustrated republican The Selected Essays of Sean O Faolain reassesses his reputation by showing that he wrote in the tradition of post Enlightenment European intellectuals and that while he was a significant figure in Ireland his work extends beyond immediate national concerns This volume includes over fifty unabridged essays by O Faolain on a wide range of subjects from canonical writers to architecture from religious scandals to economics from nationalism to internationalism from long dead historical figures to recent controversies O Faolain's fearlessness in taking on the major political cultural and religious figures of his day his masterly use of rhetoric and his intellectual acuity have contributed to his works being quoted often by scholars working across several disciplines Many of these essays appear here in print for the first time since they were published in the foremost periodicals of their day An extensive introduction and helpful annotations contextualise and explain them for a new audience In his re readings of history and challenges to dominant historiographical trends O Faolain has become a pariah to some and a hero to others The Selected Essays of Sean O Faolain bridges some of these competing visions presenting a more complex figure through his varied corpus of writing

A String of Sausages: A Memoir of 1937-47 Cedric Watts, 2016 These recollections variously trivial quirky and ironic may provide some food for thought and perhaps even a few moments of entertainment for my children grandchildren or great grandchildren. The Modernist God State Michael Lackey, 2012-03-22 The Modernist God State seeks to overturn the traditional secularization approach to intellectual and political history and to replace it with a fuller understanding of the religious basis of modernist political movements Lackey demonstrates that Christianity instead of fading after the Enlightenment actually increased its power by becoming embedded within the concept of what was considered the legitimate nation state thus determining the political agendas of prominent political leaders from King Leopold II to Hitler Lackey first

argues that novelists can represent intellectual and political history in a way that no other intellectual can Specifically they can picture a subconscious ideology which often conflicts with consciously held systems of belief short circuiting straight into political action an idea articulated by E M Forster Second in contrast to many literary scholars who discuss Hitler and the Nazis without studying and quoting their texts Lackey draws his conclusions from close readings of their writings In doing so he shows that one cannot understand the Nazis without taking into account the specific version of Christianity underwriting **A Literary History of England Vol. 4** A. Baugh, Kemp Malone, 1959 their political agenda ,1984 Every 3rd issue is a quarterly cumulation Finding W. H. Hudson Conor Mark Jameson, 2023-08-01 An imposing life size oil painting dominates the main meeting room at the RSPB s base in the heart of England the man above the fireplace always present rarely mentioned Curious about the person in the portrait the author began a quest to rediscover William Henry Hudson 1841 1922 It became a mission of restoration stitching back together the faded tapestry of Hudson s life re colouring it in places and adding new threads from the testaments of his closest friends This book traces the unassuming field naturalist s path through a dramatic and turbulent era from Hudson s journey to Britain from Argentina in 1874 to the unveiling by the prime minister of a monument and bird sanctuary in his honour 50 years later in the heart of Hyde Park a place where the young immigrant had for a time slept rough At its core this extraordinary story reveals Hudson s deep influence on the creation of his beloved Bird Society by its founding women and the rise of the conservation movement It reveals the strange magnetism of this mysterious man from the Pampas unschooled battle scarred and once penniless that made his achievements possible and left such a profound impression on those who knew him By the end of his life Hudson had Hollywood studios bidding for his work He was a household name through his luminous and seminal nature writing and the Bird Society had at last reached the climax of a 30 year campaign working to create the first global alliance of bird protectionists A century after Hudson's death this is a long overdue tribute to perhaps our most significant and most neglected writer naturalist and wildlife campaigner Fin-de-Siecle Scottish Revival Shaw Michael Shaw, 2019-09-27 Explores cultural defence and revivalism in Scottish literature and artThe first book length interdisciplinary study on fin de sicle ScotlandUnlocks Scottish writers and artists participation in neo paganism the occult revival neo Catholicism and japonismeInformed by extensive analysis of under explored archival materials such as the Papers of Patrick GeddesRichly illustrated with artworks photographs and ephemera As the Irish Revival took shape and the Home Rule debate dominated UK politics what was happening in Scotland This book reveals distinct but comparable concerns with cultural defence and revivalism in fin de siel cle Scotland evident in the work of a number of writers and artists including Robert Louis Stevenson Patrick Geddes Fiona Macleod Charles Rennie Mackintosh Mona Caird Arthur Conan Doyle John Duncan and various contributors to The Evergreen Situating Scottish literature and art alongside international developments in culture especially the rise of decadence symbolism and Celticism Michael Shaw demonstrates the ways in which dissident fin de siel cle styles

and ideas supported and defined the Scottish Revival $\,$
