John J. Langdale, III

Selected Letters 1932 1981:

Selected Letters, 1932-1981 John Fante, Seamus Cooney, 1991-01-01 *John Fante Selected Letters 1932-1981* John Fante, 2002-06-01 Fante's captivating letters trace his emergence from poverty to life as a Hollywood screenwriter. Complemented by many photos and interesting appendices, the book is most distinguished by Fante's letters to his mother, letters in which he is just as apt to lie about church attendance as he is to describe with peculiar candor skinny dipping with a girl friend. *John Fante* Richard Collins, 2000 John Fante, an important figure in the history of the Italian American novel, is proving to be fascinating to contemporary readers. Richard Collins has caught Fante's spirit from several crucial angles: as an ethnic writer, as a comic novelist, as a serious writer struggling to remain so in Hollywood. Intelligent, balanced, informative, and empathetic, this book combines criticism with scholarship and biography with history to make what Henry James would have called a perfect literary portrait for it gives life to an interesting subject. **When We Were Bandini** Emanuele Pettener, 2024-06-25 John Fante's work has consistently delved into profound themes including the elusive American Dream, the delicate psychology of immigrants, and the intricate dynamics of Italian American families. This study reveals the ingenious manner in which Fante employs humor and satire as powerful rhetorical devices to breathe life into his Italian American and American characters. Drawing inspiration from literary giants such as Luigi Pirandello and Ren Girard, the author embarks on a fascinating journey into Fante's rich literary landscape. *When We Were Bandini* also offers an engaging comparison between Fante's works and those of other authors like Cervantes, Hamsun, Bukowski, and even his own son, Dan Fante. This comparative analysis sheds light on the possible reasons behind Fante's unique status: he is a cult writer in Europe, relatively underappreciated in his home country, the United States. Challenging the conventional notions of Fante as a strictly autobiographical and confessional writer, the author urges readers to look beyond the surface and unravel the layers of his literary genius. **John Fante's Ask the Dust** Stephen Cooper, Clorinda Donato, 2020-04-07 This volume assembles for the first time a staggering multiplicity of reflections and readings of John Fante's 1939 classic *Ask the Dust*, a true testament to the work's present and future impact. The contributors to this work—writers, critics, fans, scholars, screenwriters, directors, and others—analyze the provocative set of diaspora tensions informing Fante's masterpiece that distinguish it from those accounts of earlier East Coast migrations and minglings. A must read for aficionados of L.A. fiction and new migration literature, John Fante's *Ask the Dust: A Joining of Voices and Views* is destined for landmark status as the first volume of Fante studies to reveal the novel's evolving intertextualities and intersectionalities. Contributors: Miriam Amico, Charles Bukowski, Stephen Cooper, Giovanna DiLello, John Fante, Valerio Ferme, Teresa Fiore, Daniel Gardner, Philippe Garnier, Robert Guffey, Ryan Holiday, Jan Louter, Chiara Mazzucchelli, Meagan Meylor, Jaime Morrison, Nathan Rabin, Alan Rifkin, Suzanne Manizza, Roszak, Danny Shain, Robert Towne, Joel Williams. **The Dream Endures** Kevin Starr, 2002-11-28 What we now call the good life first appeared in California during the 1930s: Motels, home trailers, drive-ins, barbecues, beach life.

and surfing sports from polo and tennis and golf to mountain climbing and skiing sportswear a word coined at the time and sun suits were all a part of the good life perhaps California's most distinctive influence of the 1930s In *The Dream Endures* Kevin Starr shows how the good life prospered in California in pursuits such as film fiction leisure and architecture and helped to define American culture and society then and for years to come Starr previously chronicled how Californians absorbed the thousand natural shocks of the Great Depression unemployment strikes Communist agitation reactionary conspiracies in *Endangered Dreams* the fourth volume of his classic history of California In *The Dream Endures* Starr reveals the other side of the picture examining the newly important places where the good life flourished like Los Angeles where Hollywood lived Palm Springs where Hollywood vacationed San Diego where the Navy went the California Institute of Technology in Pasadena where Einstein went and changed his view of the universe and college towns like Berkeley We read about the rich urban life of San Francisco and Los Angeles and in newly important communities like Carmel and San Simeon the home of William Randolph Hearst where each Thursday afternoon automobiles packed with Hollywood celebrities would arrive from Southern California for the long weekend at Hearst Castle The 1930s were the heyday of the Hollywood studios and Starr brilliantly captures Hollywood films and the society that surrounded the studios Starr offers an astute discussion of the European refugees who arrived in Hollywood during the period prominent European film actors and artists and the creative refugees who were drawn to Hollywood and Southern California in these years Igor Stravinsky Arnold Schoenberg Man Ray Bertolt Brecht Christopher Isherwood Aldous Huxley Thomas Mann and Franz Werfel Starr gives a fascinating account of how many of them attempted to recreate their European world in California and how others like Samuel Goldwyn provided stories and dreams for their adopted nation Starr reserves his greatest attention and most memorable writing for San Francisco For Starr despite the city's beauty and commercial importance San Francisco's most important achievement was the sense of well being it conferred on its citizens It was a city that magically belonged to everyone Whether discussing photographers like Edward Weston and Ansel Adams hard boiled fiction writers or the new breed of female star Marlene Dietrich Jean Harlow Bette Davis Carole Lombard and the improbable Mae West *The Dream Endures* is a brilliant social and cultural history in many ways the most far reaching and important of Starr's California books John Fante Stephen Cooper, David M. Fine, 1999 Over the span of a half century from the early 1930s to the early 1980s the Italian American Fante 1909 1983 wrote short stories and novels that drew on his own life from his Catholic childhood in Colorado through his down and out days in Los Angeles to his adventures as a screenwriter in Hollywood He writes about all these things with gusto humor directness and an honesty tinged with the irony of a true modernist BOOK JACKET **Letters Home** Reid Sherline, 1993 Selection of letters written to mothers over six centuries by twentyseven important literary figures **The Italian American Experience** Salvatore J. LaGumina, Frank J. Cavaoli, Salvatore Primeggia, Joseph A. Varacalli, 2003-09-02 First Published in 2000 Routledge is an imprint of Taylor Francis an informa company **Who's Who of Twentieth**

Century Novelists Tim Woods, 2008-02-21 Taking in novelists from all over the globe from the beginning of the century to the present day this is the most comprehensive survey of the leading lights of twentieth century fiction Superb breadth of coverage and over 800 entries by an international team of contributors ensures that this fascinating and wide ranging work of reference will be invaluable to anyone with an interest in modern fiction Authors included range from Joseph Conrad to Albert Camus and Franz Kafka to Chinua Achebe Who's Who of Twentieth Century Novelists gives a superb insight into the richness and diversity of the twentieth century novel

Hungering for America Hasia R. DINER, 2009-06-30 Millions of immigrants were drawn to American shores not by the mythic streets paved with gold but rather by its tables heaped with food How they experienced the realities of America's abundant food its meat and white bread its butter and cheese fruits and vegetables coffee and beer reflected their earlier deprivations and shaped their ethnic practices in the new land *Hungering for America* tells the stories of three distinctive groups and their unique culinary dramas Italian immigrants transformed the food of their upper classes and of sacred days into a generic Italian food that inspired community pride and cohesion Irish immigrants in contrast loath to mimic the foodways of the Protestant British elite diminished food as a marker of ethnicity And East European Jews who venerated food as the vital center around which family and religious practice gathered found that dietary restrictions jarred with America's boundless choices These tales of immigrants in their old worlds and in the new demonstrate the role of hunger in driving migration and the significance of food in cementing ethnic identity and community Hasia Diner confirms the well worn adage Tell me what you eat and I will tell you what you are

Voices of Italian America Martino Marazzi, 2011-11-01 *Voices of Italian America* presents a top rate authoritative study and anthology of the Italian language literature written and published in the United States from the heydays of the Great Migration 1880 1920 to the almost definitive demise of the cultural world of the first generation soon before and after World War II The volume resurrects the neglected and even forgotten territory of a nationwide Little Italy where people wrote talked read and consumed the various forms of entertainment mostly in their native Italian language in a complex interplay with native dialects and surrounding American English The anthological sections include excerpts from the ethnically tinged thrillers by Tuscan born first comer Bernardino Ciambelli as well as the first short stories by Italian American women set in the Gilded Age The fiction of political activists such as Carlo Tresca coexists with the hardboiled autobiography of Italian American cop Mike Fiaschetti fighting against the Mafia *Voices of Italian America* presents new material by English speaking classics such as Pietro di Donato and John Fante and a selection of poetry by a great bilingual voice the champion of the masses and Industrial Workers of the World IWW poet Arturo Giovannitti and by a lesser known self taught satirical versifier Riccardo Cordiferno Ironheart Controversial documents on the difficult interracial relations between Italian Americans and African Americans live side by side with the first poignant chronicles from Ellis Island This study sheds light on the fabrication of a new culture of immigrant origins pliable dynamic constantly shifting and transforming itself while focusing on stories genres

rhythms the human touch contributed by literature in its wider sense Ultimately through a rich sample of significant texts covering various aspects of the immigrant experience *Voices of Italian America* offers the reader a literary history of Italian American culture *American Writers And Radical Politics 1900-39* Eric Homberger,1986-12-03 **William Faulkner at Twentieth Century-Fox** William Faulkner,2017 The edition makes available for the first time and in one volume Faulkner's Fox screen writings With its essays and annotations it also makes a valuable contribution to recent scholarship across a number of fields including screenplay studies and film and literature as well as to the history of Twentieth Century Fox during Hollywood's golden age **1933 Was A Bad Year** John Fante,2010-05-18 Trapped in a small poverty ridden town in 1933 under pressure from his father to go into the family business seventeen year old Dominic Molise yearns to fulfill his own dreams *The Narcissism Conundrum* Apoorva Bharadwaj,2014-01-14 This book presents a psycho biographic analysis of Ernest Hemingway's works so as to map the complex mindscape of the author in order to unearth those thought processes that culminated in the character architecture of his protagonists inaugurating a tradition of a narcissistic self fictionalization His epistolary literature has been primarily used as an opulent source of biographic information for profiling the real Hemingway de skinning the photogenic cosmetic layers of glamour that this hunter fisherman soldier author had a fetish to don flamboyantly This methodical meticulous book dissecting the character anatomies of Hemingway's protagonists using the tool of biographic chronicle will enable Hemingway aficionados to decipher the narcissism conundrum that haloes this author's mystic persona **Vision's Immanence** Peter Lurie,2020-03-03 William Faulkner occupied a unique position as a modern writer Although famous for his modernist novels and their notorious difficulty he also wrote extensively for the culture industry and the works he produced for it including short stories adaptations and screenplays bore many of the hallmarks of consumer art His experiences as a Hollywood screenwriter influenced him in a number of ways many of them negative while the films turned out by the dream factories in which he labored sporadically inspired both his interest and his contempt Faulkner also disparaged the popular magazines though he frequently sold short stories to them To what extent was Faulkner's deeply ambivalent relationship to and involvement with American popular culture reflected in his modernist or art fiction Peter Lurie finds convincing evidence that Faulkner was keenly aware of commercial culture and adapted its formulae strategies and in particular its visual techniques into the language of his novels of the 1930s Lurie contends that Faulkner's modernism can be best understood in light of his reaction to the popular culture of his day Using Theodor Adorno's theory about modern cultural production as a framework Lurie's close readings of *Sanctuary* *Light in August* *Absalom Absalom* and *If I Forget Thee Jerusalem* uncover the cultural history that surrounded and influenced the development of Faulkner's art Lurie is particularly interested in the influence of cinema on Faulkner's fiction and especially the visual strategies he both deployed and critiqued These include the suggestion of cinematic viewing on the part of readers and of characters in each of the novels the collective and individual acts of voyeurism in *Sanctuary* and *Light in August* the exposing in *Absalom Absalom*

and Light in August of stereotypical and cinematic patterns of thought about history and race and the evocation of popular forms like melodrama and the movie screen in *If I Forget Thee Jerusalem* Offering innovative readings of these canonical works this study sheds new light on Faulkner's uniquely American modernism The Road to Los Angeles John Fante, 2010-05-18 I had a lot of jobs in Los Angeles Harbor because our family was poor and my father was dead My first job was ditchdigging a short time after I graduated from high school Every night I couldn't sleep from the pain in my back We were digging an excavation in an empty lot there wasn't any shade the sun came straight from a cloudless sky and I was down in that hole digging with two huskies who dug with a love for it always laughing and telling jokes laughing and smoking bitter tobacco Los Angeles in Fiction David M. Fine, 1995 Essays that appeal to fans of the mystery genre and those just plain fascinated by Los Angeles *Superfluous Southerners* John J. Langdale, III, 2012-11-01 In *Superfluous Southerners* John J. Langdale III tells the story of traditionalist conservatism and its boundaries in twentieth century America Because this time period encompasses both the rise of the modern conservative movement and the demise of southern regional distinctiveness it affords an ideal setting both for observing the potentiality of American conservatism and for understanding the fate of the traditionalist man of letters Langdale uses the intellectual and literary histories of John Crowe Ransom Donald Davidson and Allen Tate the three principal contributors to the Agrarian manifesto *I'll Take My Stand* and of their three most remarkable intellectual descendants Cleanth Brooks Richard Weaver and Melvin Bradford to explore these issues Langdale begins his study with some observations on the nature of American exceptionalism and the intrinsic barriers which it presents to the traditionalist conservative imagination While works like Louis Menand's *The Metaphysical Club* have traced the origins of modern pragmatic liberalism during the late nineteenth century the nature of conservative thought in postbellum America remains less completely understood Accordingly Langdale considers the origins of the New Humanism movement at the turn of the twentieth century then turning to the manner in which midwesterners Irving Babbitt and Paul Elmer Moore stirred the imagination of the southern Agrarians during the 1920s After the publication of *I'll Take My Stand* in 1930 Agrarianism splintered into three distinct modes of traditionalist conservatism John Crowe Ransom sought refuge in literary criticism Donald Davidson in sectionalism and Allen Tate in an image of the religious wayfarer as a custodian of language Langdale traces the expansion of these modes of traditionalism by succeeding generations of southerners Following World War II Cleanth Brooks further refined the tradition of literary criticism while Richard Weaver elaborated the tradition of sectionalism However both Brooks and Weaver distinctively furthered Tate's notion that the integrity of language remained the fundamental concern of traditionalist conservatism Langdale concludes his study with a consideration of neoconservative opposition to M. E. Bradford's proposed 1980 nomination as head of the National Endowment for the Humanities and its significance for the southern man of letters in what was becoming postmodern and postsouthern America Though the post World War II ascendance of neoconservatism drastically altered American intellectual history the

descendants of traditionalism remained largely superfluous to this purportedly conservative revival which had far more in common with pragmatic liberalism than with normative conservatism
