

The background of the entire page is a detailed illustration of a forest landscape with large trees and a path. Overlaid on this are several rectangular panels, each depicting a different type of wildlife. At the top, a panel shows two birds, possibly grouse, perched on a rocky outcrop. Below that, a panel features a yellowish-brown lynx walking along a rocky shoreline next to a body of water. In the center, a large panel shows a dark brown moose standing in a shallow stream, with its reflection visible in the water. At the bottom, a panel depicts two pronghorns running across a grassy field under a blue sky with white clouds. The title 'Natural Neighbours' is written in large, blue, stylized letters across the middle of the collage.
