Selected Poems 1960-1980:

Selected Poems, 1960-1980 Richard Outram, 1984

Selected Poems, 1960-1980 Andrew Taylor, 1982

Selected Poems 1960-1980 Porcupine's Quill, Inc., Richard Daley Outram, Exile Editions, 1984 Poetry and Performance During the British Poetry Revival 1960-1980 Juha Virtanen, 2017-08-23 This book examines intersections of poetry and performance during the British Poetry Revival. Its investigations are centered on four specific performance events: The First International Poetry Incarnation at the Royal Albert Hall in 1965, Denise Riley's first public reading at the Cambridge Poetry Festival in 1977, Eric Mottram's Pollock Record, and Allen Fisher's Blood Bone Brain Drawing. Upon a range of archival resources, recordings, and interviews, Juha Virtanen offers engaging and detailed archaeological accounts and analyses of these largely unexamined events, as well as the potential dialogues between them. The appendices of the book also feature previously unpublished interviews with both Fisher and Riley. This book is essential reading for poetry and performance enthusiasts, particularly those interested in innovative British Poetry.

British Literature in Transition, 1960-1980: Flower Power Catherine Mary McLoughlin, 2019 This volume traces transitions in British literature from 1960 to 1980, illuminating a diverse range of authors, texts, genres, and movements. It considers innovations in form, emergent identities, changes in attitudes, preoccupations, and in the mind itself, local and regional developments, and shifts within the oeuvres of individual authors.

Encyclopedia of Post-Colonial Literatures in English Eugene Benson, L.W. Conolly, 2004-11-30 Documents the history and development of Post colonial literatures in English, together with English and American literature, and includes original research relating to the literatures of some 50 countries and territories. In more than 1,600 entries written by more than 600 internationally recognized scholars, it explores the effect of the colonial and post colonial experience on literatures in English worldwide.

Ontological Necessities Priscilla Uppal, 2006 Written with the verve of the uninhibited artist but with a clarity of thought and expression more akin to the scientist or scholar, these poems investigate the emotional and philosophical struggles of contemporary life. Often sparked by the horrors depicted in today's news, the poems combine surrealist images with spare and lyrical language to grapple with an increasingly absurd world. The most ambitious piece in the collection is a radical post-9/11 translation of the Anglo-Saxon elegy *The Wanderer*, and other poems include *Don Quixote*, *You Sure Can Take One Helluva Beating*, *Film Version of My Hatred*, *Never Held a Gun*, and *The Romantic Impulse Hits the Schoolyard*.

The German Prisoner James Hanley, 2006 Brilliant in its stark depiction of trench warfare in World War I, this lost classic was privately printed in a limited edition in 1930. British censors initially suppressed the short novel because of its tough antiwar views and sympathetic portrayals of German soldiers, and even today's readers may be unprepared for its scenes of horrific battlefield carnage and men driven to madness by relentless psychological stress. Providing a new view of an underappreciated Canadian author, the book also stands as a fascinating addition to the comparatively small shelf of literature by writers who fought in the Great War.

That Summer in Paris Morley

Callaghan,2006 It was the fabulous summer of 1929 when the literary capital of North America moved to La Rive Gauche the Left Bank of the Seine River in Paris Ernest Hemingway was reading proofs of *A Farewell to Arms* and a few blocks away F Scott Fitzgerald was struggling with *Tender Is the Night* As his first published book rose to fame in New York Morley Callaghan arrived in Paris to share the felicities of literary life not just with his two friends Hemingway and Fitzgerald but also with fellow writers James Joyce Ford Madox Ford and Robert McAlmon Amidst these tangled relations some friendships flourished while others failed This tragic and unforgettable story comes to vivid life in Callaghan s lucid compassionate prose

Lanzmann and Other Stories Damian Tarnopolsky,2007-05 Ranging widely in subject matter from a musician s destructive narcissism to the strange effects a persistent Norwegian has on a bachelor s love life the stories in this collection also vary in style Both elegantly insightful and highly adventurous these tales are inventive deeply comic sometimes very unsettling and completely engaging Midnight Stroll Janice Kulyk Keefer,Natalka Husar,Claire Weissman Wilks,Goran Petkovsky,2006 A unique collaboration that explores themes of love and family this collection features poems that are based on works of art placed alongside the very works that inspired them It includes paintings by Natalka Husar drawings monotypes and lithographs by Claire Weissman Wilks and photographs by Goran Petkovsky **Far from Nothing** Zoltán Böszörményi,2006 Ripe with love money and power the story of 35 year old Rudolf set in a fast paced urban environment begs the question Do we only think we exist Rudolf and his wife work day and night hoping for a better life he is a philosophy graduate student and the manager of a car dealership He also keeps up a heart wrenching relationship with the chic Wanda Then there is Nina who studies logic but is secretly a prostitute and Alfred owner of a car leasing company seemingly upright but actually an embezzler Each character conceals something Be it in Hungary or North America the craving for existential clarity remains strong 100 Love Sonnets Pablo Neruda,2007 Celebrating the works of a great Chilean poet this collection offers a vibrant translation of Neruda s sensual and erotic poetry Famous for his politically engaged lyrics the Nobel Laureate also wrote bold and sexual sonnets and this compilation captures the spirit and verbal dexterity of the lesser known genre These sonnets from one of the most influential and beloved 20th century poets accompany questions for discussion and lists of recommended readings and related websites *Human Aude*,2006 Using delicate prose and intense imagery this translation explores the relationship and struggle of the human body and its inner being Completely paralyzed by Lou Gehrig s disease Magali is imprisoned in her own body able to communicate only by blinking her eyes Feeling mentally free but physically trapped she reflects on her past and regards her present physical existence as a prison A relationship formed between Magali and her doctor gives one of them the hope to live and the other the grace to die **Begging Questions** Seán Virgo,2006 Focusing on the universe of beauty and dreams with an intensity that delves into self recognition these stories written over the last 15 years engage the reader with questions about our public and private lives The stories touch on questions of identity and belief the phantoms of memory and the oppositions of beauty to experiences Told in a language

of brilliant power these tales enable the reader with their enigmatic and dreamlike quality *Asterisks* David Wevill,2007 Poems written with clarity and craftsmanship this collection contemplates what is real and observable versus what is not The verses are like asterisks that refer to somewhere else and they strike with meditative depth and spiritual strength Drawn from experiences in Burma England Spain and the United States these words depict moments in time and step back into silence *Green* Marilyn Bowering,2007 Echos of Frederico Garc a Lorca Yiannis Ritsons and Rumi add exoticism to this poet s deceptively simple style Combining confession with analytical rigor most of these poems are variations on classic themes but they are driven by the particulars of politics love and family life As the poems progress repeated symbols such as cars coats cups rooms bees and roses begin to hint that the poet has a secret recipe for contentment home and hearth travel warm weather and a belief in human growth **Contemporary American Poetry** Lloyd M. Davis,1985 Lists over 5 200 titles of books published by American poets between 1973 and 1983 **Technicolored** Jason Guriel,2006 Cinematic and literary this collection of poems reflects on the film icons of the 20th century offering a fresh look at legends such as Alfred Hitchcock Orson Welles Rita Hayworth and B la Lugosi This work exhibits meticulous tone and language while delving into the opulent world of classic films Of interest to fans of both contemporary poetry and classic Hollywood this collection further explores the intersection between film and literature *Chapters into Verse: Poetry in English Inspired by the Bible* Robert Atwan,Laurance Wieder,1993-05-06 For generations poets have turned to the Bible for insight and inspiration What did so many creative minds find in scripture Is the Bible still a vital source of poetic inspirations Chapters Into Verse is the first comprehensive collection ever made of poems written in English inspired by the Bible A groundbreaking anthology it introduces readers to a distinct heritage of English poetry the scriptural tradition Though frequently ignored and sometimes suppressed this tradition rivals the classical and is every bit as venerable Drawing a unique map of the history of English poetry the two volumes of Chapters Into Verse survey and define the literary legacy of the Scriptures from the fourteenth century to the present Each volume is arranged in scriptural order and each poem is preceded by the biblical passage that inspired it Thus readers can conveniently witness the various ways sacred text has sparked the imagination of poets throughout the ages In Volume I which covers Genesis to Malachi almost every book of the Old Testament is represented The collection features verses both famous and unfamiliar from Milton s Paradise Lost and Lord Byron s Hebrew Melodies to Christopher Smart s hymns and Mary Herbert s psalms The editors have included poems by virtually all the prominent religious poets among them John Donne George Herbert Henry Vaughan Edward Taylor and Gerard Manley Hopkins Included too are devotional and visionary works from a wide range of vintage poets Robert Burns William Blake Walt Whitman Emily Dickinson Christina Rossetti Alfred Tennyson and Robert Browning Proving that the Bible is just as powerful a source of inspiration today as it was in the past the collection assembles a mixed congregation of modern and contemporary poets such as Marianne Moore Delmore Schwartz Dylan Thomas Robert Frost William Carlos Williams Countee
