Selected Poems 19771997:

Selected Poems Byron, 2005-11-24 Described as Mad bad and dangerous to know by one of his lovers Lady Caroline Lamb Lord Byron was the quintessential Romantic Flamboyant charismatic and brilliant he remains almost as notorious for his life as a political revolutionary sexual adventurer and traveller as he does for his literary work Yet he produced some of the most daring and exuberant poetry of the Romantic age from To Caroline and To Woman to the satirical English Bards and Scotch Reviewers his exotic Eastern tales and the colourful narrative of Childe Harold s Pilgrimage the work that made him famous overnight and gave birth to the idea of the brooding Byronic hero What the Stones Remember Patrick Lane, 2006-12-12 In this exquisitely written memoir poet Patrick Lane describes his raw and tender emergence at age sixty from a lifetime of alcohol and drug addiction He spent the first year of his sobriety close to home tending his garden where he cast his mind back over his life searching for the memories he d tried to drown in vodka Lane has gardened for as long as he can remember and his garden s life has become inseparable from his own A new bloom on a plant a skirmish among the birds the way a tree bends in the wind and the slow measured change of seasons invariably bring to his mind an episode from his eventful past What the Stones Remember is the emerging chronicle of Lane s attempt to face those memories as well as his new self to rediscover his life In this powerful and beautifully written book Lane offers readers an unflinching and unsentimental account of coming to one s senses in the presence of nature **Reading Writers Reading** Danielle Schaub, 2006 I am a writer because I was a reader first Alison Gordon Nobody has ever written who never read Mavis Gallant Reading is a connection at once a way and a goal a liberating destiny Robert Kroetsch Over 160 Canadian writers in English and French write about their experiences of reading With striking photographs of each writer Reading Writers Reading offers a sublime voyage into the heart of literary creation Foreword by Russell Morton Brown **If It Gets Quiet Later On, I Will Make a Display** Nick Thran, 2023-04-29 Essays stories and poems on the interior lives of bookstores Nick Thran s volume of essays stories and poems is a quietly powerful meditation on a life of reading writing and bookselling Thran who returned to bookselling when he moved with his family to Fredericton NB captures the rare magic of reading communities Here the bookstore itself sits in the middle of an expanding root system connecting lives nurturing interests and stoking passions It is a place for both private daydreaming and the small talk that staves off loneliness And it is the fertile ground on which so many authors including Thran find the courage to write **University of Toronto Quarterly** University of Toronto, 1999 **Dictionary of Midwestern Literature, Volume 1** Philip A. Greasley, 2001-05-30 The Dictionary of Midwestern Literature Volume One surveys the lives and writings of nearly 400 Midwestern authors and identifies some of the most important criticism of their writings The Dictionary is based on the belief that the literature of any region simultaneously captures the experience and influences the worldview of its people reflecting as well as shaping the evolving sense of individual and collective identity meaning and values Volume One presents individual lives and literary orientations

and offers a broad survey of the Midwestern experience as expressed by its many diverse peoples over time Philip A Greasley's introduction fills in background information and describes the philosophy focus methodology content and layout of entries as well as criteria for their inclusion An extended lead essay The Origins and Development of the Literature of the Midwest by David D Anderson provides a historical cultural and literary context in which the lives and writings of individual authors can be considered This volume is the first of an ambitious three volume series sponsored by the Society for the Study of Midwestern Literature and created by its members Volume Two will provide similar coverage of non author entries such as sites centers movements influences themes and genres Volume Three will be a literary history of the Midwest One goal of the series is to build understanding of the nature importance and influence of Midwestern writers and literature Another is to provide information on writers from the early years of the Midwestern experience as well as those now emerging who are typically absent from existing reference works
