**Selected Poems and Ballads of Paul Fort (Classic Reprint)** Paul Fort, 2015-07-11 Excerpt from *Selected Poems and Ballads of Paul Fort* Paul Fort has likened himself to Shelley His lyrical gift is so pure and strong that the comparison seems neither arrogant nor absurd But his difference from Shelley is more important than any kinship he is at home not only in the world but in the universe No essential conflicts rend the harmony or darken the lucidity of his soul Nor has he had to win this peace It has always been his he has always known it as he declares all things must be known by heart To Paul Fort life and the world are a beautiful and eternal pageant of rivers and stars and fields of people and of things made with hands And the passions that have moved this pageant are to his vision an integral part of it but one that he perceives pictorially and in which he sees pictorial and poetic values wherewith to feed his unending interest in gesture and color and form He is not oblivious of pain nor of ugliness But he has let all things flow through his refashioning soul and found them good He is the blithest and most limpid of poets Yet he constantly escapes the danger of shallowness by virtue of a pagan earnestness at the root of his delight a harmony with the great procession of appearances a deep and instinctive union with the sun's warmth the star's glitter the flight of birds the tread of wayfarers the splendor of antique raiment All nature he says is on the threshold of my heart The earth and the sun are but one fatherland I would caress nature with my fingers as though she were an instrument that answers to my dream This is perhaps as I started by saying the central point of Paul Fort's creative psychology the universe answers his dream Joy is his chief note If ever he loses joy he is astonished as a child might be astonished or a faun His habitual mood is one of a glad swift swimmer whose strong limbs flash through the seas and rivers of the world Quickly the goal I'd reach softly descend the breeze My laughter I would teach to the Eumenides He is indeed the gay sprite of cosmic fire no curb restrains About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst
