*John Donne* John Donne,1990 Selection of 73 poems by the English metaphysical poet The Good Morrow The Canonization The Relic A Valediction Forbidding Mourning To His Mistress Going to Bed Death Be Not Proud more Note

**Selected Poetry** John Donne,1998 John Donne 1572 1631 is perhaps the most important poet of the seventeenth century In his day it seemed to his admirers that Donne had changed the literary universe and he is now widely regarded as the founder of the metaphysical school Donne s poetry is highly distinctive and individual adopting a multitude of rhythms images forms and personae from irresistible seducer to devout believer His greatness stems from the subtleties and ambivalences of tone that convey his remarkably modern awareness of the instability of the self This collection of Donne s verse is chosen from the Oxford Authors critical edition of his major works It includes a wide selection from his secular and divine poems such as the rebellious and libertine satires and love elegies the virtuoso Songs and Sonnets and the desperate passionate Holy Sonnets John Carey s introduction and extensive notes provide valuable insights into Donne s poetic genius

**John Donne: Collected Poetry** John Donne,2012-10-04 Regarded by many as the greatest of the Metaphysical poets John Donne 1572 1631 was also among the most intriguing figures of the Elizabethan age A sensualist who composed erotic and playful love poetry in his youth he was raised a Catholic but later became one of the most admired Protestant preachers of his time The Collected Poetry reflects this wide diversity and includes his youthful songs and sonnets epigrams elegies letters satires and the profoundly moving Divine Poems composed towards the end of his life From joyful poems such as The Flea which transforms the image of a louse into something marvellous to the intimate and intense Holy Sonnets Donne breathed new vigour into poetry by drawing lucid and often startling metaphors from the world in which he lived His poems remain among the most passionate profound and spiritual in the English language **John Donne** John Donne,1994-10-15 And now good morrow to our waking soules Which watch not one another our of feare For love all love of other sights controules And makes one little room an everywhere Bloomsbury Poetry Classics are selections from the work of some of our greatest poets The series is aimed at the general reader rather than the specialist and carries no critical or explanatory apparatus This can be found elsewhere In the series the poems introduce themselves on an uncluttered page and in a format that is both attractive and convenient The selections have been made by the distinguished poet critic and biographer Ian Hamilton *John Donne* John Donne,1997 **Selected Poems of John Donne** John Donne,James Reeves,1958

Selected Poems ,2006 Selected Poems of John Donne John Donne,1967 **The Collected Poems of John Donne** John Donne,1994 John Donne s poetry is marked by a scientific colloquial directness and a complex even tortured intelligence It falls into two classes There is the early ironic and erotic poetry that contains some of the finest English love poetry and also his later religious poetry **John Donne** ,2011 **Air and Angels** John Donne,2007-06 JOHN DONNE SELECTED POEMS A selection of the finest poems by British poet John Donne John Donne was Robert Graves said a Muse poet a poet

who wrote passionately of the Muse It is easy to see Donne as a love poet in the tradition of love poets such as Bernard de Ventadour Dante Alighieri Francesco Petrarch and Torquato Tasso Donne has written his fair share of love poems There are the bawdy allusions to the phallus in The Flea while The Comparison parodies the adoration poem with references to the sweat drops of my mistress breast Like William Shakespeare in his parody sonnet my mistress eyes are nothing like the sun Donne sends up the Petrarchan and courtly love genre with gross comparisons Like spermatic issue of ripe menstuous boils In The Bait there is the archetypal Renaissance opening line Come live with me and be my love as used by Christopher Marlowe and William Shakespeare among others And there is the complex ambivalent eroticism of The Extasie a much celebrated love poem and the 19th Elegy where features Donne s famous couplet Licence my roving hands and let them go Before behind between above below The Songs and Sonnets of John Donne celebrate the many emotions of love feelings that are so familiar in love poetry from Sappho to Adrienne Rich Donne does not quite cover every emotion of love but a good deal of them In The Canonization we find the age old Neo platonian belief that two can become as one we two being one or we shall Be one he writes in Lovers Infiniteness a common belief in love poetry John Donne s love poetry like nearly all love poetry self reflexive Although he would ne er parted be as he writes in Song Sweetest love I do not go he knows that love poetry comes out of loss The beloved woman is not there so art takes her place The Songs and Sonnets arise from loss loss of love they take the place of love For if he were clasping his beloved in those feverish embraces as described in The Extasie and Elegy he would not obviously bother with poetry Love poetry has this ambivalent difficult relationship with love The poem is not love and is no real substitute for it And writing of love exacerbates the pain and the insecurity of the experience of love

Kenney,2017-10-24 John Donne Selected Poems in Context A Study Guide There is much in Donne s poetry to engage the modern student His comparisons can be novel and shocking while the manipulation of diction and form to create the dramatic context of a heated argument speaks to the reader in a direct and forceful way His outrageous treatment of human psychology love and religion encourages debate and personal response Students may not always agree with his ironic and cynical view of love but they should find much to appreciate in the metaphysical style John Donne Selected Poems in Context supports the reader in building insight and understanding of Donne s poetic style themes and concerns It will support students in extending their knowledge and engaging with the Selected Poems The guide provides detailed analysis of a diverse range of poems including a number of Songs Elegies Valedictions Holy Sonnets and Hymns Students can appreciate interpretations of the text and develop their own critical thinking Throughout the guide there is a focus on the critical and cultural perspectives informing Donne s work Extended discussion of the writer s life and work and
