Selected Poems Of Schuyler:

Selected Poems James Schuyler, 2007-05-15 In *Selected Poems* we experience the full range of James Schuyler's achievement confirming that he was among the late twentieth century's truly vital and distinctive poetic voices. One of the most significant writers of the New York School which unofficially included John Ashbery, Frank O'Hara and Kenneth Koch among others, Schuyler was strongly influenced by both art and music in his work, often incorporating rapid shifts in sound, shape and color within his poems that almost gave his work the effect of a collage and engendered comparisons with Whitman and Rimbaud.

Collected Poems James Schuyler, 1995-09-30 This collection of poetry showcases the unique talent of James Schuyler and highlights the writing that won him a Pulitzer Prize. Schuyler's subject is his life and his poems often read like elegant journal entries.

Selected Poems James Schuyler, 1990-01-01 James Schuyler's poems are seldom about anything in the way poetry traditionally is; they are the anything. To reread him is to live as though life were an experience one had just forgotten and been newly awakened to. In James Schuyler's *Selected Poems* we are able to experience the full range of his achievement confirming that he was among the late twentieth century's truly vital and distinctive poetic voices. One of the most significant writers of the New York school which unofficially included John Ashbery, Frank O'Hara and Kenneth Koch among others, Schuyler was strongly influenced by both art and music in his work, often incorporating rapid shifts in sound, shape and color within his poems that gave his work the effect of a collage and engendered comparisons with Whitman and Rimbaud. As Howard Moss wrote: "He was one of the original poets in America with the knack of making the lyric dynamic."

Book jacket

The Diary of James Schuyler James Schuyler, 1997 The search for ways to contain the evanescence, fragility and ephemeral beauty of the moment has preoccupied lyric poets from Catullus and Herrick to James Schuyler. For Schuyler, indeed, discovering and glowing in the ineffable contingency of the moment was both theme and goal. Nowhere in his work is this more true than in that marvelous celebration of the miracle of impermanence, his remarkable *Diary*, here made available in full for the first time. The *Diary* editor Nathan Kernan has noted: "It is a work of art; it is in a large sense a poem. Stylistically, it is of a piece with Schuyler's poems; it is cut from the same cloth or is in places the cloth from which the poems were cut." The *Diary*'s peculiar combination of fragment, meticulous description, literary allusion, commonplace, book and remembrance is beautiful in its own right and very much a window into the mind that wrote the poems. Nathan Kernan's extremely thoughtful, scrupulous and informed editing provides this long-awaited volume a scholarly care it deserves. Kernan's editorial glosses and biographical sketches on the cast of characters placing Schuyler in a rich social context of poets, artists and friends provide what amounts to a handy thumbnail history of the New York School.

Rethinking the North American Long Poem Ridvan Askin, Julius Greve, 2024-12-15 For centuries, critics, poets, poet scholars and philosophers have either openly proclaimed or tacitly assumed the long poem as the highest expression of literary ambition and excellence. *Rethinking the North American Long Poem* focuses on the North American variant of this

notorious form notorious because of its often forbidding and difficult character particularly with respect to the dialectics of content and form aesthetics and politics matter and genre In nine essays and a contextual introduction the editors and contributors scrutinize seminal long poems by North American writers including Walt Whitman's *Song of Myself* Ezra Pound's *The Cantos* Muriel Rukeyser's *The Book of the Dead* and Charles Olson's *The Maximus Poems* They also explore recent efforts that have redefined or reopened the case of the long poem including Rachel Blau DuPlessis's *Drafts* M NourbeSe Philip's *Zong* and Claudia Rankine's *Citizen* Taking the categories of form matter and experiment as frames of conceptual reference the book examines the ways in which material and immaterial aspects of literary practice and the philosophically and politically inscribed duality of experience and experiment are negotiated in and by North American long poems from the nineteenth century to the present

On Bathos Sara Crangle, Peter Nicholls, 2010-07-22 While the sublime has garnered a great deal of critical attention over the past twenty years its counterpart bathos has yet to receive any extended treatment Generally understood as an inadvertent descent to the low vulgar and ludicrous in writing or art the term bathos was popularised by Pope who used it to satirise his contemporaries Ironically likening bathos to the depths of profundity Pope lauded his peers for their influential writings whilst openly deriding their absurd misuses of figure and rhetorical device Pope's method proved prophetic today artists regularly celebrate and incorporate bathetic practice This essay collection considers how bathos has become so central to literature fine art and music The innovative and diverse contributions assess the consequences of this endemic inversion of aesthetic standards and consider where artistic production might go after hitting and so comfortably inhabiting rock bottom

The Last Avant-Garde David Lehman, 1999-11-09 A landmark work of cultural history that tells the story of how four young poets John Ashbery Frank O'Hara James Schuyler and Kenneth Koch reinvented literature and turned New York into the art capital of the world Greenwich Village New York circa 1951 Every night at a rundown tavern with a magnificent bar called the Cedar Tavern an extraordinary group of painters writers poets and hangers on arrive to drink argue tell jokes fight start affairs and bang out a powerful new aesthetic Their style is playful irreverent tradition shattering and brilliant Out of these friendships and these conversations will come the works of art and poetry that will define New York City as the capital of world culture abstract expressionism and the New York School of Poetry A richly detailed portrait of one of the great movements in American arts and letters The Last Avant Garde covers the years 1948-1966 and focuses on four fast friends the poets Frank O'Hara James Schuyler John Ashbery and Kenneth Koch Lehman brings to vivid life the extraordinary creative ferment of the time and places the relationship of great friendship to art and the powerful influence that a group of visual artists especially Jane Freilicher Larry Rivers and Fairfield Porter had on the literary efforts of the New York School The Last Avant Garde is both a definitive and lively view of a quintessentially American aesthetic and an exploration of the dynamics of creativity

The New American Poetry, 1945-1960 Donald Allen, 1999 Donald Allen's prophetic anthology had an electrifying effect on two generations at least of American poets and readers More than the repetition of familiar names and ideas that most anthologies seem to be about here was the declaration of a collective intelligent and thoroughly visionary work in progress the primary example for its time of the anthology as manifesto Its republication today complete with poems statements on poetics and autobiographical projections provides us again with a model of how a contemporary anthology can and should be shaped In these essentials it remains as fresh and useful a guide as it was in 1960 Jerome Rothenberg editor of Poems for the Millennium The New American Poetry is a crucial cultural document central to defining the poetics and the broader cultural dynamics of a particular historical moment Alan Golding author of From Outlaw to Classic Canons in American Poetry

In the Process of Poetry William Watkin, 2001 This is the first major theoretical study of the four main figures of the New York School John Ashbery Frank O'Hara Kenneth Koch and James Schuyler Proposing a reinterpretation of the definition of the avant garde William Watkin describes it as a movement typified by its commitment to art in process over the final art product In a series of in depth and wide reaching readings he then goes on to test this assertion in detailed relation to the poetry of the New York School while also examining how the poets own work further develops and analyses the concept of the avant garde in contemporary culture BOOK JACKET Title Summary field provided by Blackwell North America Inc All Rights Reserved

Articulate Flesh Gregory Woods, 1987-01-01 Arguing that homosexual poetry is part of the mainstream of poetic writing not a distinct and differentiated category within it Gregory Woods provides a fastidious study of homosexual poetry in the twentieth century that emphasizes the homo erotic themes in the works of D H Lawrence Hart Crane W H Auden Allen Ginsberg and Thom Gunn Woods's controlled and elegant study demonstrates that a critic who ignores the sexual orientation of a poet particularly a love poet risks overlooking the significance of the poetry itself

Invisible Terrain Stephen J. Ross, 2017-07-25 In his debut collection *Some Trees* 1956 the American poet John Ashbery poses a question that resonates across his oeuvre and much of modern art How could he explain to them his prayer that nature not art might usurp the canvas When Ashbery asks this strange question he joins a host of transatlantic avant gardists from the

Dadaists to the 1960s neo avant gardists and beyond who have dreamed of turning art into nature of creating art that would be valid solely on its own terms in the way nature itself is valid in the way a landscape not its picture is aesthetically valid Clement Greenberg 1939 Invisible Terrain reads Ashbery as a bold intermediary between avant garde anti mimeticism and the long western nature poetic tradition In chronicling Ashbery s articulation of a completely new kind of realism and his engagement with figures ranging from Wordsworth to Warhol the book presents a broader case study of nature s dramatic transformation into a resolutely unnatural aesthetic resource in 20th century art and literature The story begins in the late 1940s with the Abstract Expressionist valorization of process surface and immediacy summed up by Jackson Pollock s famous quip I am Nature that so influenced the early New York School poets It ends with Breezeway a poem about Hurricane Sandy Along the way the project documents Ashbery s strategies for literalizing the stream of consciousness metaphor his negotiation of pastoral and politics during the Vietnam War and his investment in bad nature poetry Story of the Pulitzer Prizes in Letters 1917 - 2000 Heinz-Dietrich Fischer,2022-03 This volume contains background information about the development of Pulitzer Prizewinning book awards from 1917 2000 The fact oriented literature categories were called History Biography or Autobiography and General Nonfiction while the areas of Belles Lettres are represented by award groups like Novel Fiction and Poetry Thanks to the availability of the confidential Jury Reports it was possible to reconstruct the decision making processes within the evaluating committees The Best American Poetry 2010 Amy Gerstler,David Lehman,2010-09-14 AMY GERSTLER S COMMITMENT TO INNOVATIVE POETRY that conveys meaning feeling wit and humor informs the cross section of poems in the 2010 edition of The Best American Poetry The works collected here represent the wealth the breadth and the tremendous energy of poetry in the United States today Featuring poems from some of our country s top bards including John Ashbery Anne Carson Louise Gl ck Sharon Olds and Charles Simic The Best American Poetry 2010 also presents poems that poignantly capture the current moment such as the sonnets John Updike wrote to chronicle his dying weeks And there are exciting poems from a constellation of rising stars Bob Hicok Terrance Hayes Denise Duhamel Dean Young and Elaine Equi to name a very few The anthology s mainstays are in place It opens with series editor David Lehman s incisive foreword about the state of American poetry and has a marvelous introduction by Amy Gerstler Notes from the poets illuminating their poems and their writing processes conclude this delightful addition to a classic series Dick Allen John Ashbery Sandra Beasley Mark Bibbins Todd Boss Fleda Brown Anne Carson Tom Clark David Clewell Michael Collier Billy Collins Dennis Cooper Kate Daniels Peter Davis Tim Dlugos Denise Duhamel Thomas Sayers Ellis Lynn Emanuel Elaine Equi Jill Alexander Essbaum B H Fairchild Vievee Francis Louise Gl ck Albert Goldbarth Amy Glynn Greacen Sonia Greenfield Kelle Groom Gabriel Gudding Kimiko Hahn Barbara Hamby Terrance Hayes Bob Hicok Rodney Jones Michaela Kahn Brigit Pegeen Kelly Corinne Lee Hailey Leithauser Dolly Lemke Maurice Manning Adrian Matejka Shane McCrae Jeffrey McDaniel W S Merwin Sarah Murphy Eileen Myles Camille Norton Alice Notley Sharon Olds
