### **Selected Works Of M N Roy Volume Iii 1927 1932:**

Selected Works of M. N. Roy Manabendra Nath Roy, 2000 This volume presents a selection of Roy's principal writings between 1927 and 1932. Very large sections of this work were previously inaccessible since they had not been written in English nor published or included in any book. *Cosmopolitan Elites and the Making of Globality* Leonie Wolters, 2024-01-11 As ideologies such as communism, fascism, and various nationalisms vied for global domination during the first half of the 20th century, this book shows how a specific group of individuals, a cosmopolitan elite, became representatives of those ideologies. The world over, centering on the Indian intellectual M. N. Roy, *Cosmopolitan Elites and the Making of Globality* situates his life within various social circles that covered several ideological realms and continents. An example of an individual who represented ideologies such as anticolonial nationalism, communism, and humanism, Roy is identified as unusual but by no means singular in this capacity and shows how other elites were similarly able to represent ideologies that sought to make the world anew. This book explores how Roy and his peers and competitors became a political elite as they cultivated a cosmopolitan reputation that meant they were taken seriously even when speaking of regions outside of their own. By considering the social and performative practices that turned them into credible global cosmopolitans, Wolters uncovers the exclusive basis on which the universal claims of world-changing ideologies were made. **India and China in the Colonial World** Madhavi Thampi, 2017-07-06 *India and China in the Colonial World* brings together thirteen essays by eminent Indian and Chinese scholars as well as young researchers who look at the multidimensional interaction between the two countries. This interaction was of many kinds and took place at various levels. This volume casts new light on some of the problems that have confronted the relations between India and China as new states and, in doing so, challenges stereotyped images of this relationship. The major areas of India-China relationships covered in this book include some aspects of the situation during and after World War II. Some papers, such as those on the importance of Shanghai in Sino-Indian trade, the presence of the Chinese community in India and Indians in China, Indian fighters in the Taiping Rebellion, Gandhi and the Chinese in South Africa, and ties between south-west China and north-east India during World War II, present the findings of new research. Others, such as those pertaining to India-China relations in the period such as the opium trade, the controversial visit of Rabindranath Tagore to China, and the complexity of Subhash Chandra Bose's position with relation to both China and Japan, have been put in a new light. The essays in this book are particularly relevant as they help to understand the relationship between India and China in the context of a historical perspective. *Selected Works of M.N. Roy: 1923-1927* Manabendra Nath Roy, 1987 The Book Review, 2000 **The Radical Humanist** Manabendra Nath Roy, 2008 *Society and Change*, 1991 Comintern and the Destiny of Communism in India: 1919-1943 Sobhanlal Datta Gupta, 2006 Study based on materials from archives and documents Mainstream, 1990 **The Calcutta Historical Journal**, 1994 *Recent Indian Publications*, 1993 *A Documented History of the Communist Movement in India: 1917-1922* Puran

Chandra Joshi, Ke Dāmōdaran, Sobhanlal Datta Gupta, 2007 Selected historical articles and source materials collected and contributed by communist thinkers and leaders Puran Chandra Joshi 1907 1980 and K Damodaran 1912 1976 from India on the country's communist movements from 1917 1925 *Indian Review of Books*, 1999 *Forthcoming Books* Rose Arny, 1992 **Janata**, 1946 M. N. Roy Kris Manjapra, 2020-11-29 This is a work of South Asian intellectual history written from a transnational perspective and based on the life and work of M N Roy one of India's most formidable Marxist intellectuals Swadeshi revolutionary co-founder of the Mexican Communist Party member of the Communist International Presidium and a major force in the rise of Indian communism M N Roy was a colonial cosmopolitan icon of the interwar years Exploring the intellectual production of this important thinker this book traces the historical context of his ideas from 19th century Bengal to Weimar Germany through the tumultuous period of world politics in the 1930s and 1940s and on to post Independence India In this book the author makes a number of valuable theoretical contributions He argues for the importance of conceiving the deterritorial zones of thought and action through which Indian anti colonial political thought operated and advances a new periodisation for Swadeshi on this basis He also argues against viewing international communism of the 1920s as a single monolith by highlighting the fractures and contestations that influenced colonial politics worldwide A fresh and insightful perspective on the history of India in the interwar years this book will be of great interest to scholars and students of the modern history of South and East Asia America and Europe and to those interested in anti colonial struggles Communist politics and trajectories of Marxist thought in the 20th century **Indian Books in Print**, 2003 Glasgow University Calendar for the Year ...
