Selections From Cats For Clarinet:

Selections from Cats for Clarinet ,1981 Instrumental Folio 10 selections from the Broadway musical including Memory Mr Mistoffelees Old Deuteronomy The Old Gumbie Cat and more Selected Works for Big Band Mary Lou Williams,2013-12-01 *The Clarinet* ,2004 **Clarinet and Saxophone** ,2006 A Clarinet Almanac John Macfarlane,2023-04-28 More than 60 years experience in playing the clarinet has led to a very personal and idiosyncratic review of the repertoire From the point of view of being both a player and a programmer the author has endeavoured to find works for unusual combinations involving the clarinet This book includes a few orchestral solos and several vocal works both chamber and operatic but it is focussed on chamber music and includes gems from the repertoire for the standard wind quintet The clarinet features as a solo instrument in duos with a surprisingly large variety of instruments and in mixed trios quartets and so on to larger ensembles During the course of one year the reader will be exposed to 366 works probably some unfamiliar by 245 different composers The author hopes it will whet the appetites of students teachers and concert organizers alike Rehearsing John F. Colson,2015-07-09 Following on the heels of his *Conducting and Rehearsing the Instrumental Music Ensemble* John F Colson takes students to the next level in conducting practice with *Rehearsing Critical Connections for the Instrumental Music Conductor* Colson draws together the critical connections for those seeking to become fully capable and self assured instrumental music conductors As he argues too often conductor training programs treat the problems and challenges of the rehearsal perhaps the single most critical element in any effort to achieve competency as a conductor as secondary Colson supplies the missing link for conductors looking for advice that allows them to complete their training for reaching complete competency as a conductor He demonstrates throughout the specific connections that the advanced conductor must know and regularly employ connections that few if any other works on the art of conducting address or bring together One connection for example illustrates the joining of music imagery inner singing and conducting technique to score study Throughout these connections describe the nitty gritty of what it really takes to stand up in front of an instrumental music ensemble and successfully rehearse in order to achieve its highest performance level Also Colson argues and demonstrates the pitfalls of the commonly mistaken assumption among instrumental music conductors that score study alone is sufficient to prepare them for the rehearsal process This grave error is regularly belied by the fact that a number of other steps precede the actual rehearsal process from the use of instrumental pedagogy during the rehearsal process to teaching through performance concepts Colson s work addresses the entire rehearsing process thoroughly and authoritatively **Making the Scene** Alex Stewart,2007 Challenges conventional jazz historiography by demonstrating the role of big bands in the development of jazz This book describes how jazz musicians found big bands valuable It explores the rehearsal band scene in New York and rise of orchestras It combines historical research ethnography and participant observation with musical analysis Believe Me Eddie Izzard,Laura Zigman,2017 Critically acclaimed award

winning British comedian and actor Eddie Izzard details his childhood his first performances on the streets of London his ascent to worldwide success on stage and screen and his comedy shows which have won over audiences around the world
