Selections From American Political Thought

Melvin L. Rogers, Jack Turner

Selections From American Political Thought:

Selections from American Political Thought Pearson Custom Publishing, 2000-09 **American Political Thought** Ken Kersch, 2021-02-02 How do Americans think about foundational political questions Covering the full span of U S history American Political Thought An Invitation offers a lively yet sophisticated overview of the nature and dynamics of American Political Thought for students and general readers alike Award winning scholar Ken Kersch s engaging introduction situates the key debates in their historical political and cultural context He introduces the touchstone frameworks and ideas that are both deeply ingrained and yet have been actively re made in a country that has spent 250 years of shifting circumstances battling over their real world implications Covering thinkers ranging from Jefferson to Rawls Du Bois to Audre Lorde he examines the ambiguities of the purportedly consensus American principles of liberty equality and democracy as well as addressing questions ranging from What are the foundations of a legitimate political order and What is the appropriate role of government to What are the appropriate terms of full civic membership and beyond Politically balanced and inclusive American Political Thought introduces the contested terrain concerning these core political questions as they were raised over the course of the USA s often dramatic history *Free Government in the Making* Alpheus Thomas Mason, Gordon E. Baker, 1985 An authoritative and comprehensive collection of essays by America s most formative political thinkers this classic anthology has now been thoroughly revised and updated The fourth edition features extensive new coverage of the role women have played in the development of American political thought from 1790 to the present as well as new documentation on the contributions of minorities With its clear introductory essays preceding original source selections and helpful chronological organization this text provides students with keen insights into the growth and development of political theory and thought particularly American political thought *The American Road Trip and American Political Thought* Susan McWilliams Barndt, 2020-07-06 Americans love road trips They love to go on road trips They love to read about road trips They love to watch road trip stories unfold on television and film Road trip stories are a consistent feature of the American landscape a central part of American mythology and an important piece of the American dream In *The American Road Trip and American Political Thought* Susan McWilliams argues that the American fascination with road trip stories is about more than mere escapism or wanderlust She shows in walking through stories like *On the Road* and *The Grapes of Wrath* that American road trip stories are a key expression of American political thought They are not just stories of personal journeys They are stories of the American nation McWilliams Barndt shows how Americans have long used road trip stories to raise and explore central questions about American politics in theory and practice They talk about freedom and equality and diversity and take those vaunted American ideals for a test drive American road trip stories are where the rubber meets the road in American political thought *The American Road Trip and American Political Thought* includes explorations of a wide variety of American authors from Walt Whitman and Henry David Thoreau to Erika Lopez and Cheryl Strayed from

Mark Twain and John Steinbeck to Solomon Northup and Hunter S Thompson It covers topics including gender labor place race and technology in American political life This is a book that will change the way you think about the great American road trip and the great American story **American Political Thought** Kenneth M. Dolbeare, Michael Cummings, 2002-10 This classic anthology features selections from a rich variety of authors and thinkers examining the origins of our current political values and beliefs and the way in which we think about the future This updated volume offers a new mix of material including the Articles of Confederation the Populist and Progressive Party platforms and excerpts from the writings of Benjamin Franklin and Ralph Waldo Emerson as well as thoroughly revised introductory essays **American Political Thought** Jonathan Keller, Alex Zamalin, 2017-04-21 The twenty first century presents unique political challenges like increasing concern over racially based police brutality and mass incarceration continuing economic and gender inequality the rise of conservative and libertarian politics and the appropriate role of religion in American politics Current scholarship in American political thought research neither adequately responds to the contemporary moment in American politics nor fully captures the depth and scope of this rich tradition This collection of essays offers an innovative expansion of the American political tradition By exposing the major ideas and thinkers of the four major yet still underappreciated alternative traditions of American political thought African American feminist radical and conservative this book challenges the boundaries of American political thinking about such values like freedom justice equality democracy economy rights identity and the role of the state in American life These traditions the various authors show in different ways not only present a much fuller and more accurate characterization of what counts as American political thought They are also especially unique for the conceptual resources they provide for addressing contemporary developments in American politics Offering an original and substantive interpretation of thinkers and movements American Political Thought will help students understand how to put American political thought into conversation with contemporary debates in political theory **Reconsidering American Political Thought** Saladin Ambar, 2019-11-11 Filling in the missing spaces left by traditional textbooks on American political thought Reconsidering American Political Thought uses race gender and ethnicity as a lens through which to engage ongoing debates on American values and intellectual traditions Weaving document based texts analysis with short excerpts from classics in American literature this book presents a re examination of the political and intellectual debates of consequence throughout American history Purposely beginning the story in 1619 Saladin Ambar reassesses the religious political and social histories of the colonial period in American history Thereafter Ambar moves through the story of America with each chapter focusing on a different era in American history up to the present day Ambar threads together analysis of periods including Thomas Jefferson s aspiration to create an Empire of Liberty the ethnic racial and gender based discourse instrumental in creating a Yankee industrial state between 1877 and 1932 and the intellectual cultural and social forces that led to the political rise of Ronald Reagan and Barack Obama in recent decades In closing Ambar assesses the prospects for a

new more invigorated political thought and discourse to reshape and redirect national energies and identity in the Trump presidency Reconsidering American Political Thought presents a broad and subjective view about critical arguments in American political thought giving future generations of students and lecturers alike an inclusive understanding of how to teach research study and think about American political thought *African American Political Thought and American Culture* Alex Zamalin,2015-10-07 This book demonstrates how certain African American writers radically re envisioned core American ideals in order to make them serviceable for racial justice Each writer s unprecedented reconstruction of key American values has the potential to energize American citizenship today *African American Political Thought* Melvin L. Rogers,Jack Turner,2021-05-07 African American Political Thought offers an unprecedented philosophical history of thinkers from the African American community and African diaspora who have addressed the central issues of political life democracy race violence liberation solidarity and mass political action Melvin L Rogers and Jack Turner have brought together leading scholars to reflect on individual intellectuals from the past four centuries developing their list with an expansive approach to political expression The collected essays consider such figures as Martin Delany Ida B Wells W E B Du Bois James Baldwin Toni Morrison and Audre Lorde whose works are addressed by scholars such as Farah Jasmin Griffin Robert Gooding Williams Michael Dawson Nick Bromell Neil Roberts and Lawrie Balfour While African American political thought is inextricable from the historical movement of American political thought this volume stresses the individuality of Black thinkers the transnational and diasporic consciousness and how individual speakers and writers draw on various traditions simultaneously to broaden our conception of African American political ideas This landmark volume gives us the opportunity to tap into the myriad and nuanced political theories central to Black life In doing so African American Political Thought A Collected History transforms how we understand the past and future of political thinking in the West **Deforming American Political Thought** Michael J. Shapiro,2016-02-19 Deforming American Political Thought offers an alternative to the dominant American historical imagination treating issues that range from the nature of Thomas Jefferson s vision of an egalitarian nation to the persistence of racial inequality Presenting multifaceted arguments that transcend the myopic scope of traditional political discourses Michael J Shapiro summons disparate disciplines and genres architecture crime stories novels films and jazz blues music among others to provide approaches to the comprehension of diverse facets of American political thought from the founding to the present The book s various investigations disclose that there have always been dissenting voices articulated in diverse genres of expression that cast doubt on the moral purpose and exceptionalism of the American mind This highly anticipated updated second edition features a preface focusing on aesthetic theory and the contributions of artistic genres for political analysis and a completely new chapter on critical thinking about the US western and urban encounters afforded by the two HBO series Deadwood and The Wire respectively **Deforming American Political Thought** Michael Shapiro,2006-10-20 By affirming the relativity of the American historical imagination political

theorist Michael J Shapiro offers a powerful polemic against ethnocentric interpretations of American culture and politics. *Deforming American Political Thought* analyzes issues that range from the nature of Thomas Jefferson's vision of an egalitarian nation to the persistence of racial inequality. Shapiro offers a multifaceted argument that transcends the myopic scope of traditional political discourse. *Deforming American Political Thought* illustrates the various ways in which history, architecture, film, music, literature, and art provide approaches to the comprehension of diverse facets of American political thought from the founding to the present. Using these seemingly disparate disciplines as a framework, Shapiro paints a picture of American political philosophy that is as distinctive as it is enlightening. Shapiro explores the historically vital role of dissenting points of view in American politics and asserts its continuing importance in today's political landscape. Exploring such diverse works as slave narratives, contemporary films, genre fiction, and blues and jazz music, Shapiro reveals that there have always been dissenting voices casting doubt on the moral purpose and exceptionalism of the American mind. An unprecedented inquiry into American politics, *Deforming American Political Thought* will surely serve to reinvigorate discussions about the essence of American political thought.

History of American Political Thought Bryan-Paul Frost, Jeffrey Sikkenga, 2003-01-01. Revised and updated, this long-awaited second edition provides a comprehensive introduction to what the most thoughtful Americans have said about the American experience from the colonial period to the present. The book examines the political thought of the most important American statesmen, activists, and writers across eras and ideologies, helping another generation of students, scholars, and citizens to understand more fully the meaning of America. This new second edition of the book includes new essays on Walt Whitman, Lyndon Baines Johnson, Ronald Reagan, and Barack Obama. Significant revisions and additions have also been made to many of the original essays, increasing the breadth and depth of the collection.

Modern Corporations and American Political Thought Scott Bowman, 2010-11-01.

Redeeming American Political Thought Judith N. Shklar, 1998-02-03. A collection of thirteen essays on American political thought.

A Student's Guide to American Political Thought George W. Carey, 2004. Who are the most influential thinkers, and which are the most important concepts, events, and documents in the study of the American political tradition? How ought we regard the beliefs and motivations of the founders? The debate over the ratification of the Constitution, the historical circumstances of the Declaration of Independence, the rise of the modern presidency, and the advent of judicial supremacy. These are a few of the fascinating questions canvassed by George W. Carey in *A Student's Guide to American Political Thought*. Carey's primer instructs students on the fundamental matters of American political theory while telling them where to turn to obtain a better grasp on the ideas that have shaped the American political heritage.

American Political Thought Morton J. Frisch, Richard G. Stevens. The Second World War was a crisis not just for America but for the whole of Western Civilization, and in the wake of that war a new crisis arose which came to be called the Cold War. Just when that gave the appearance of being resolved, the world reached a new juncture, a new crisis which Samuel P. Huntington

dubbed the clash of civilizations The statesmen having political responsibility in confronting the first three crises in America s history came as close to philosophic grasp of the problems of liberal democracy as one could demand from those embroiled in the active resolution of events Their reflection of political philosophy in the full sense informed their actions Social and Political Thought of American Progressivism Eldon J. Eisenach,2006-03-15 Through a variety of primary sources including speeches poems magazine articles and book excerpts this collection illustrates the origins ambitions and political legacy of the American Progressivism movement 1886 1924 A general introduction offers a history of the movement and a brief discussion of recent historiographical debates headnotes introduce each selection and provide historical and political context

The Political Thought of Elizabeth Cady Stanton Sue Davis,2010-06-04 Elizabeth Cady Stanton 1815 1902 was not only one of the most important leaders of the 19th century women s rights movement but was also the movement s principal philosopher Davis argues that Stanton s work reflects the tapestry of American political culture in the second half of the 19th century **American political thought** ,1969 *Foundations of American Political Thought* Alin Fumurescu,Anna Marisa Schön,2021-07-29 This collection of primary sources from the founding period covers the unique combination of theoretical influences in American political thought
