Olson,CarrieLynn D. Reinhard,2017-09-20

Current characters in children's entertainment media illustrate a growing trend of representations that challenge or subvert traditional notions of gender and sexuality. From films to picture books to animated television series, children's entertainment media around the world has consistently depicted stereotypically traditional gender roles and heterosexual relationships as the normal way that people act and engage with one another. *Heroes, Heroines, and Everything in Between: Challenging Gender and Sexuality Stereotypes in Children's Entertainment Media* examines how this media ecology now includes a presence for nonheteronormative genders and sexualities. It considers representations of such identities in various media products, e.g., comic books, television shows, animated films, children's literature meant for children, e.g., toddlers to teenagers. The contributors seek to identify and understand characterizations that go beyond these traditional understandings of gender and sexuality. By doing so, they explore these nontraditional representations and consider what they say about the current state of children's entertainment media, popular culture, and global acceptance of these gender identities and sexualities. *Billboard*, 2003-08-09. In its 114th year, *Billboard* remains the world's premier weekly music publication and a diverse digital events brand, content, and data licensing platform. *Billboard* publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital, and mobile entertainment issues and trends.

*The Disney Princess Phenomenon*. Robyn Muir, 2023-06-27. Robyn Muir provides an examination of the worldwide Disney Princess commercial and cultural phenomenon in its key representations: films, merchandising, and marketing, and park experiences. The book provides a lens through which to view and understand how this franchise has contributed to the depiction of femininity within popular culture. *Mulan's Legend and Legacy in China and the United States*. Lan Dong, 2011. Heroic women warriors as reflections of social and moral values. *Billboard*, 2002-07-20. Jerramy Fine, 2016-03-22. With wit and clarity, this book offers a fresh perspective on the enduring relevance of princess narratives, showing that plastic tiaras and fairytale dreams can indeed inspire smart, strong women to thrive in the real world. It's no secret that most girls at some point love all things princess: the poofy dresses, the plastic tiaras, the color pink. Even grown-up women can't get enough of royal weddings and royal gossip. Yet critics claim the princess dream sets little girls up to be weak and submissive and allows grown women to indulge in fantasies of rescue rather than hard work and self-reliance. Enter Jerramy Fine, an unabashed feminist who is proud of her life-long princess obsession and more than happy to defend it. Through her amusing life story and in-depth research, Fine makes it clear that feminine doesn't mean weak, pink doesn't mean inferior, and girliness is not incompatible with ambition. From 9th-century Cinderella to modern-day Frozen, from Princess Diana to Kate Middleton, from Wonder Woman to Princess Leia, Fine valiantly assures us that princesses have always been about power, not passivity. And those who

love them can still be confident intelligent women Provocative insightful but also witty and personal In Defense of the Princess empowers girls women and parents to dream of happily ever after without any guilt or shame **Billboard**,2003-07-26 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,1998-08-22 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,2002-08-03 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Billboard** ,2003-05-17 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends Billboard ,2002-03-16 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends
