Self Restraining State Power And Accountability In New Democracies:

The Self-restraining State Andreas Schedler, Larry Jay Diamond, Marc F. Plattner, 1999 This text states that democratic governments must be accountable to the electorate but they must also be subject to restraint and oversight by other public agencies The state must control itself This text explores how new democracies can achieve this goal *The Self-restraining State* Andreas Schedler, Larry Jay Diamond, Marc F. Plattner, 1999 This text states that democratic governments must be accountable to the electorate but they must also be subject to restraint and oversight by other public agencies The state must control itself This text explores how new democracies can achieve this goal **Democratic Accountability in Latin America** Scott Mainwaring, Christopher Welna, 2003-07-31 This volume on democratic accountability addresses one of the burning issues on the agenda of policy makers and citizens in contemporary Latin America In much of Latin America disenchantment and cynicism have set in regarding the quality of elected governments raising the prospect of a new round of democratic erosion and breakdowns One of the important emerging challenges for improving the quality of democracy revolves around how to build more effective mechanisms of accountability A widespread perception prevails in much of the region that government officials are not sufficiently subject to routinized controls by oversight agencies Corruption lack of oversight impunity of state actors and improper use of public resources are major problems in most countries of the region Dealing with these issues is paramount to restoring and deepening democratic legitimacy The fundamental question in this volume is how democratic leaders in Latin America can improve accountability while simultaneously promoting governmental effectiveness These issues have acquired urgency in contemporary Latin America because of heightened public concern about corruption and improper governmental actions on the one hand yet on the other uncertainty about the potential tradeoff between tightened accountability of officials and effective policy results The volume enhances understanding of three key issues First it enriches understanding of the state of non electoral forms of democratic accountability in contemporary Latin America What are some of the major shortcoming in democratic accountability How can they be addressed What are some major innovations in the efforts to enhance democratic accountability A second contribution of the volume is conceptual Accountability is a key concept in the social sciences yet its meaning varies widely from one author to the next The authors in this volume especially in the first four chapters explicitly debate how best to define and delimit the concept Finally the volume also furthers understanding of the interactions between various mechanism and institutions of accountability Many of the authors address how electoral accountability the accountability of elected officials to the voters interact with the forms of accountability in which state agencies oversee and sanction public officials The volume provides extensive treatment of this important but hitherto under explored interaction *Media-State Relations in Emerging Democracies* A. Hadland, 2015-05-05 The news media and the state are locked in a battle of wills in the world's emerging democratic states It is a struggle that will determine whether or not democracy flourishes or withers in the 21st century

Using a number of case studies including South Africa this book evaluates what is at stake **Democracy Assistance** Peter Burnell,2013-10-23 This examination of how Western governments support democracy worldwide considers how countries use this aid Attention is paid to post conflict situations and semi authoritarian regimes where democratization has stalled and international support of democratic decentralization is assessed *Democracies in Development* J. Mark Payne,2002 The accompanying CD ROM features country by country election results for presidential and legislative elections BOOK JACKET

Globalization and Private Law Michael Faure,Andre Van der Walt,2010-01-01 This timely book explores the relationship between private law and globalization It examines the consequences of the fact that law making now takes place in a globalized world which increasingly leads to questions of accountability and legitimacy of the law making process Within this work European and South African scholars deal with the relationship between private law and globalization in fourteen innovative chapters addressing inter alia globalization democracy and accountability harmonization versus decentralization public law issues corporate governance procedural issues as well as human rights and the environment This well documented and original study will be a valuable resource for academics and legal practitioners as well as students Specialists in private law transnational law international law and legal theory should also not be without this important book Collective Choice Jac C. Heckelman,Dennis Coates,2013-06-29 Mancur Olson wrote important books in the area of Collective Choice and is considered one of the founding fathers of Public Choice as a field of economics The chapters in this volume cover three main areas of Olson s life work Collective Action Institutional Sclerosis and Market Augmenting Government Some chapters directly assess Olson s contributions focusing on distinguishing what was original in his works from what was already in the literature and gauging his impact on the fields of public economics and economic history Other chapters present new tests and frequently extend his work Each of the chapters is a new piece of scholarship inspired by and intended to honor Mancur Olson and extend his influence to another generation of Collective Choice scholars and researchers **Petroleum**

Resource Management in Africa Theophilus Acheampong,Thomas Kojo Stephens,2022-05-03 This book explores Ghana s newfound oil wealth and how the revenues it generates can be used to produce inclusive economic growth and development Comparisons are made with neighboring countries including Nigeria Angola and Equatorial Guinea to highlight how petroleum resources can create jobs increase research and development skills and generate government revenue to invest in local services and infrastructure The impact of global developments such as the 2014 16 oil slump and innovation within the industry are also covered Petroleum Resource Management in Africa to provide policy suggestions and an operational framework for other petroleum producing countries It will be of interest to academics and policymakers interested in resource and development economics **The Next Public Administration** B Guy Peters,Jon Pierre,2017-10-23 Written by two of the leading scholars in the field this book explores public administration in the past present and future critically reviewing the modernization of public management reform It reasserts public administration as an integral component of

Political Corruption in the Caribbean Basin Michael W. Collier, 2013-10-14 Political corruption in the Caribbean Basin retards state economic growth and development undermines government legitimacy and threatens state security In spite of recent anti corruption efforts of intergovernmental and nongovernmental organizations IGO NGOs Caribbean political corruption problems appear to be worsening in the post Cold War period This work discovers why IGO NGO efforts to arrest corruption are failing by investigating the domestic and international causes of political corruption in the Caribbean *Latin American Democratic Transformations* William C. Smith, 2009-08-24 Latin American Democratic Transformations explores the manner in which Latin American societies seek to consolidate and deepen their democracies in adverse domestic and international circumstances The contributors engage recent debates on liberal and illiberal democracy and probe the complex connections between democratic politics and neoliberal market oriented reforms **Importing Democracy from**

Abroad Marius I. Tătar, 2006 Abstract This study assesses the relation between foreign aid and the contribution of civil society to the consolidation of democracy in Romania Drawing on questionnaire data as well as internal documents the study specifically looks at the impact of international assistance on the participation of advocacy groups in the governmental policymaking process On the one hand it is shown that international assistance enhances the capacity of NGOs to mobilize advocacy coalitions and this in turn increases the effectiveness of their participation in influencing policymaking But on the other hand democracy assistance programs have a rather paradoxical effect by impeding NGOs civic engagement with their domestic constituencies Hence international assistance has a mixed impact on the contribution of civil society to the

consolidation of democracy it fosters advocacy groups link up to the governmental decision makers while in the same time it hinders their link down to ordinary people
