- Now What? William Walls, Shelly Lanich, 2023-05-18 Selling Your House Here s The Problem Whether you are a first time home seller or selling a home for the 5th time you usually contact a friend in real estate and hopefully they will guide you through the process while it happens If that s your strategy there is a better way Accountability is the new normal You must be accountable to yourself and be your own real estate advocate Get to know what you deserve and are entitled to when dealing with others Learn what to expect and what to ask all in under 2 hours Do you know what to ask a real estate agent an inspector an appraiser or even a closing agent If you re already talking to a real estate agent you re already well into the selling process Did you know that the selling process is actually standardized All the professionals involved know their role and when to take action You however are usually asked to make decisions with little or no preparation Shouldn t you know the entire behind the scenes process ahead of time The problem is you are usually left in the dark as to what comes next That s not fair The pandemic and higher interest rates changed how people sell their homes If you are planning to sell today or a year from today you will benefit from this information immediately In today s market homes may take a bit longer to sell The decisions you make affect your bottom line Don t know where to start That s fine We give you all that information you need Where to start what to ask and what to expect Now you know In Under 2 Hours You Will Learn How the entire selling process works BEFORE you ever start How to prepare for the home selling experience in the new normal What to expect when you actively list your house for sale What to ask your real estate agent so you are never in the dark again What role everyone plays in the selling process This is the fastest and easiest way to eliminate the stress associated with selling your home You can learn the entire selling process in under 2 hours Take full control of your transaction without any guesswork of what comes next If you re thinking about selling your home in the new normal this should be required reading To write about this material you have to experience it firsthand Authors William Walls and Shelly Lanich are in the real estate industry They share over 50 years of hands on experience and focus on the most important part of the transaction You No one has shown

you how the timelines interact behind the scenes Your future real time decisions can now be reviewed today before you ever start Use any agent you want Close where you want Best of all you don t have to contact a real estate agent to get this roadmap to selling your home This is your executive summary for the selling process Buy It Read It Use It Today *Sell Now!* John R. Talbott,2007-04-01 How Far Can Home Prices Fall What Can You Do to Protect Yourself Home prices are seriously overvalued in many regions of the United States The question is no longer if but rather how far home prices will fall and over what time frame this bubble will deflate Home values have been escalating in real terms since 1981 the year nominal interest rates last peaked And the greatest price increases in percentage terms have been in the wealthiest and most exclusive cities in the world Sell Now analyses the evidence and offers clear explanations of these perplexing issues Overly aggressive mortgage lenders have fueled this overheated market by extending too much credit to home buyers and by offering ever more exotic forms of mortgages Many home buyers have been caught in a never ending race to achieve status often overpaying for homes in the right neighborhoods And people s pursuit of easy profits has pushed prices to unsustainable levels Finally there is a reasoned analysis that not only explains how home prices got this high but why they are sure to fall and by what amount Sell Now debunks many theories that purport to show that home prices are either reasonable or are sustainable at their current high levels How bad can it get Unlike previous home price declines this cycle has the potential to be not only national but international in scope The national economy so dependent on the housing mortgage real estate banking and construction industries for growth is at risk and the entire banking system might come under fire You owe it to yourself to become better informed about the possible impact on you your family and your most important asset your home **SELL More Technology NOW!** Oreste J.
