Introduction

Quit Your 9 to 5 Job and Become a Solopreneur

1 Your phone's alarm goes off

2 It's time to get up, shower, grab a bagel and coffee on the way to work and drive there

3 You appear to be on autopilot every day

There's no need to think about it just do it

For many people a traditional 9 5 job while somewhat secure is not what they expected when they signed up for it

You may only have two weeks of vacation per year the pay is pitiful the people are a bunch of gossipers and the work well let's just say you don't really need your degree to do what you're doing

People particularly Millennials are increasingly abandoning full time employment

Climbing to the top of a company is no longer a common career path

Millennials on the other hand frequently see eBay starting your own company or growing your own business as the new norm

And the data backs this up

eBay is on the rise

eBay is one of the most active online marketplaces with a multibillion dollar turnover and over 180 million users

They were only 7% of the workforce seven years ago

And it's only going to get worse as more people realize the freedom that being a solopreneur provides

If having no boss is what you're looking for here's how to get it right away

There are some people who despise their 9 5 jobs

When they describe their job it sounds like a prison sentence complete with roadside manual labor and the old shackle and chains

Their job makes them a prisoner which they despise

Others adore their 9 to 5 jobs

They go to work and enjoy the fact that they have no ownership in the company and can leave at any time without incurring any liability

I've had several jobs

I spent the first half of my twenties starting seven businesses six of which failed miserably and one of which became an overnight success that I later walked away from

I then got a corporate job in a bank and had to wear a suit to work

The lobby resembled a hotel and the language used was never profane

My next position was a cross between a startup and a corporate with a focus on people management

You're trapped

As each day passes you can't wait for the weekend to be over so you don't have to think about work

No more bosses breathing down your neck

No more pre-planned breaks and certainly no more long commutes

Weekends are your life

You know you don't want this job but you're stuck with it

You want out but don't know how

Whether you want to quit your job to travel more try something new or if you're just bored or unhappy with what you're doing

What are you going to do

How do you leave a stable and secure job to pursue a life of hustling for work

And can you make a living from eBay

Rarely Revealed Secrets to Making Money on eBay that Are Ideal for Complete Beginners

Do you believe you squandered an eBay opportunity

Consider again

eBay is one of the most active online marketplaces with a multibillion dollar turnover and over 180 million users

Its business model is so simple that you can start making money from your unwanted items in your cupboards garage shed or basement in as little as seven days

It's the ideal first side hustle and this book will show you how

It's written for ambitious people who want to make money on eBay as quickly as possible

From your very first listing you'll discover a step by step plan for generating consistent sales for your new business

It makes no difference whether you're selling your old items or have discovered a fantastic product that everyone requires

You'll get a
