Eddie Winston Is Looking for Love

The background is a vibrant red with a subtle, painterly texture. Three birds are illustrated: a small yellow and blue bird at the top, a larger orange and green bird in the middle, and a dark grey bird at the bottom. They are surrounded by green leaves and branches. A gold pocket watch with a chain is positioned on the left side, partially overlapping the text.

Looking For Love A Novel:

Looking for a Love Story Louise Shaffer, 2010 Shaffer's warm wonderfully inspiring novel follows a woman who has lost her way but just might discover who she's meant to be *The Look of Love* Jennifer McKnight-Trontz, 2002-02 Swashbuckling sailors dashing dukes naughty nurses and sexy stewardesses caught in webs of love passion betrayal and intrigue these are the raw materials of the romance novel and the lusty covers that advertise them In *The Look of Love* Jennifer McKnight Trontz provides a rollicking history of the covers and stories that have captivated millions of readers worldwide More than 150 of the most sensational covers from this venerable if venal literary form are shown in glorious color focusing on the period from 1940 to 1970 romance design's most fertile era *The Look of Love* features artwork and excerpts from titles such as *Passion Flower* *Kept Woman* *Rendezvous in Lisbon* and *Jungle Nurse* Along the way it brings attention to the pioneers of the romance novel cover artists such as Barye Phillips and Robert Maguire who helped define the look of paperbacks in general and Harlequin the grand dame of romance publishers with more than 100 million novels sold each year McKnight Trontz reveals the themes that typify both the story lines and the covers hospital romance the rich and raunchy royalty tropical paradises Westerns taboo relationships pirates and warriors and love triangles resulting in this definitive compendium of camp A book for romance lovers everywhere **Marthe's Search for Love Among Couples of Pine Trees.** Hugo Van Bever, 2015-10-23 Mainly out of loneliness a messed up writer falls in love with Marthe his female main character and decides not to let her die as initially planned but to invite her into his life to help him write his next novel He also welcomes popular characters from other successful novels all experts in love In addition he summons Vivian a prostitute like Vivian from the movie *Pretty Woman* who is an expert in love for sale to spice up the story The characters and their writer embark on an erotic journey of sensuality sex and murder as the writer takes copious notes that turn into an unusual meta novel offering different vistas on life death murder and love The story ends in Vietnam at the lake of Dalat where according to an old legend pine trees formed intimate couples holding each other entwining their roots after a young couple committed suicide The legend renews itself at midnight the day the writer's group arrives Will they find love or will they seek death **Looking for Love in the Legal Discourse of Marriage** Renata Grossi, 2014-09-01 This book examines the invisibility of romantic love in the legal discourse surrounding modern Australian marriage It looks at how romantic love has become a core part of modernity and a dominant part of the Western marriage discourse and considers how the ideologies of romantic love are or are not replicated in the legal meaning of marriage This examination raises two key issues If love has become central to people's understanding of marriage then it is important for the legitimacy of law that love is reflected in both the content and application of the law More fundamentally it requires us to reconsider how we understand law and to ask whether it is engaged with emotions or separate from them Along the way this book also considers the meaning of love itself in contemporary society and asks whether love is a radical force capable of breaking down conservative

meanings embedded in institutions like marriage or whether it simply mirrors them This book will be of interest to everyone working on love marriage and sexuality in the disciplines of law sociology and philosophy
