

A serene sunset over the ocean. The sky is a warm, golden-orange color, transitioning into a darker blue as it meets the horizon. The ocean is a deep blue-grey, with white foam from the waves visible. In the foreground, dark, jagged rocks are partially submerged, with waves crashing against them, creating white spray and foam. The overall mood is peaceful and contemplative.

Mother Teresa: The Irish Connection John Scally,2016-05-10 Mother Teresa of Calcutta was a twentieth century icon, a living example of the power of love. She is now on the fast track to sainthood. This book marks the 100th anniversary of her birth on August 26th 1910. Irish people feel a special affinity with this tiny Albanian nun but it is often forgotten that the order she chose to join was an Irish one, the Loreto Sisters, and she spent time as a novice in Dublin. Her ties with Ireland remained strong. She returned many times, was given the Freedom of Dublin City in 1993 and at the height of The Troubles in 1971 sent a group of Sisters armed just with bedrolls and a violin to Belfast to help in whatever little way they could. John Scally has drawn together the strands of these connections, speaking to many well-known Irish people about their encounters with Mother Teresa and her abiding influence on their lives. However, the heart of this extraordinary book is the author's never-before-published interview with Mother Teresa in which she revealed her love for Ireland and her wishes for peace on this island.

Getting Naked Patrick Williams,2016-07-22 If today you are no longer willing to settle for mediocrity in your work relationships and your life, this book is for you. Within these pages is the powerful secret to unlocking your fullest potential as a career person, a parent, a friend, a mate, a lover, a human being. How? Through getting naked. Getting Naked is about living life as the fullest, most authentic version of you. It's about cutting the crap, releasing the baggage that has held you hostage for so long and embracing all of you: the good parts, the bad parts, the public parts and the shadow parts, so you can integrate them and become an even stronger force of positivity in the universe through the secrets of honest self-disclosure. The key is to discover where and with whom to be emotionally naked. Being vulnerable does not mean being stupid and careless. For example, practice being emotionally naked at the right place and the right time with the right people to release your negative patterns and create a provocative catalyst for reflection. Uncover new or hidden parts of yourself that can guide you to create a more fulfilling life. Apply the tools of naked self-disclosure to all areas of your life so you can enjoy greater meaning and satisfaction. This is a book of stories, strategies, and tips designed to overcome the negative self-narratives that obscure personal resilience and wellbeing. There comes a time when you have to defy the voices that hold you back. Getting Naked teaches you that it is your indisputable birthright to question any limitation, anything that gets in the way of your own magnificence. This book will provide you the inspiration, tools, self-discovery, and support to share your naked
