Loved Into Life:

Ellie Dan Marsee, 2014-04-02 For a parent and a community there is no greater loss than the death of a child This was the nightmare that Ellie Lanes parents endured seven years ago in the enchanted land of the Cherokees deep in the Smoky Mountains Then the miracle occurred Seven years after her death Ellie returns Her still grieving parents confront fear superstition and suspicion as Ellie begins her new life the second life she has somehow been given In a world where people are divided by the contradictions of skepticism and fanaticism science and religion wage war to claim the answers Cults are born to worship the young girl as a deity Legends and apocalyptic visions come to life Celestial signs portend that something beyond comprehension is coming A rough beast to end all days Ancient astronauts in chariots of fire Winged seraphs strumming harps of gold Does Ellies return mean a new beginning for mankind or its end *Creating Compassionate Change in School Communities* Ashley Seidel Potvin, William R. Lunersee Edward G. Greger M. D., Edward G. Greger, 2009-10 Buried Nazi treasure intelligence tradecraft assassination

methods romance tragedy and an unsolved mystery are all a part of this novel *Lunersee*. The story has elements of truth throughout. In April 1945 in the closing months of World War II in Europe many Nazis and SS officers were going into hiding or attempting to flee to the Mideast or South America. Some SS officers who were at the Nazi detach camp at Dachau accumulated much gold melted down from teeth of the prisoners and other valuables. There were some officers who fled Dachau with several containers of gold precious stones and other valuables and eventually buried it at Lunersee near the Austrian Swiss border. They then crossed over into Switzerland planning on returning someday to reclaim it. The story then becomes more complicated with the involvement of American Intelligence Israeli intelligence MOSSAD Arab terrorists and the returning ex Nazis. It is not just a hodge podge of incidents thrown together but an actual fitting together of a series of events culminating in an explosive ending and a surprise outcome in Lugano Switzerland. The story has already been reviewed by the Central Intelligence Agency. The reviewers all were impressed by its authenticity insofar as tradecraft is concerned. Many characters in the story actually existed and the gold is still there.
