A Middle Way to God Garth L. Hallett,2000-05-25 Charting a middle way between the extremes represented by Alvin Plantinga and Richard Swinburne Garth Hallett explores the thesis that if belief in other minds is rational and true as it surely is so too is belief in God He makes a strong case that when this parity claim is appropriately restricted to a single sound other minds belief belief in God and belief in other minds do prove epistemically comparable This result and the distinctive path that leads to it will interest students and scholars in philosophy of religion and theology The Ladder to Heaven AiR - Atman in Ravi,2020-05-22 Is there a Ladder to Heaven If we pray will we be able to go to Heaven Is there really a place called Heaven Has anybody gone there Heaven is nothing but being with God The Ladder to Heaven by AiR entails a step by step method that will help us climb the virtual Ladder to Heaven and unite us with God *A Grammar of Christian Faith* Joe R. Jones,2002-06-03 A Grammar of Christian Faith is a two volume set that aims to confront the widespread disarray in the language and practices of Christian faith today As a grammar it explains how Christian faith provides special ways of speaking and acting that make sense of human life by giving it meaning practicality and hope It advances the thesis that learning how to speak Christian language in worship and life is crucial to learning how to be a Christian Rather than supposing that Christian language and theology need continual updating in order to be relevant to the world Jones urges the church to recover anew how Christian concepts and understanding are intended to form Christian life in all its rich depths Construing theology as confessional theology in the context of the church Jones understands the church as that liberative and redemptive community called into being by the Gospel of Jesus Christ to witness in word and deed the triune God for the benefit of the world The full range of doctrinal themes that are deemed essential to the witness of the church are explored including clear explanations of why they are essential and how they are to be understood In pursuit of a truthful and beneficial witness of the church the work centers on a trinitarian understanding of God in which God freely and lovingly

interacts with the world as Creator Reconciler and Redeemer The work throughout affirms the belief that the gracious triune God is the Ultimate Companion who will redeem all creation
