Love's Time Betty McLain, 2022-01-10 When Angelica fell and hit her head the year was 1995 Now it is 2015 but to her it only seems like one day Awake in a strange hospital room she tells her story to young doctor Alex who doesn't know what to believe Can Alex and Angelica discover why and how she was brought to his time Is there a way to send her home or does love have other plans Betty's note each book in the *Love's Magic* series is a standalone romance novel and can be enjoyed even if you haven't read other books in the series Spiritual Warfare Eagle Feather, 2018-04-03 Surrounded by street wars and gang violence Joshua Lone Wolf dwells in a foul and brutal existence Haunted by a tragic past of senseless violence he fights valiantly against the forces of darkness in order to maintain his sanity But the voices of the dead taunt him at every

turn In an epic battle of love and hate journey with this young thug as he climbs the ranks of the drug trade copes with the betrayal of a friend and struggles with the definition of love *Hatreds We Love* Stephen J. Ducat, 2024-06-25 An in depth psychological anthropological neuroscientific and historical look at MAGA Republicans and the American Far Right Fueled by conspiracy thinking and a growing indifference to facts some Americans especially on the Right are increasingly seeing their fellow citizens as threats that must be eliminated We are witnessing an epidemic of domestic terrorism with a rapidly accumulating body count This may be the most serious challenge to the integrity of the United States since the Confederate insurrectionists launched their assault on Fort Sumpter in 1861 While an in depth psychological reading of political events *Hatreds We Love* The Psychology of Political Tribalism in Post Truth America is grounded in the scholarship and insights of social psychologists anthropologists historians psychoanalysts neuroscientists and the many intrepid journalists increasingly threatened by authoritarians who have good reasons to fear truthful reporting And of course author Stephen J Ducat draws on his own experiences visions and values A major topic addressed in the book is the malignant mindset animating MAGA neo fascism s zealous partisans Donald Trump s fortunes may fade in the coming months and years but Trumpism will likely remain ascendant Of course xenophobic bigotry violent aversion to democracy political cults of personality and indifference to facts are global phenomena and not limited to the United States But America plays a prominent role even abroad In December 2022 it was revealed that a right wing coup attempt in Germany was to some extent modeled on America s own post election insurrection which was planned and executed by the paramilitary wing of the MAGA movement That German episode was not the first time that the actions of American anti democratic and white supremacist groups became the template for similar efforts worldwide In the 1930s German fascists looked to America as a blueprint for implementing race based tribalism Hitler so admired Jim Crow laws in the United States especially concerning citizenship and anti miscegenation laws that he sent a team of legal scholars to study their statutory framework for addressing the problem of racial pollution While the Nazis initially found a lot to love and incorporate into the Nuremberg Laws they ironically rejected much of the American model as too harsh Many pundits have decried the extremism of Trumpian lynch mob politics On the contrary *Hatreds We Love* argues that it is contiguous with the long history of American conservatism going back at least to the antebellum South From this perspective the worldview and actions of the GOP s MAGA faction are the logical outcomes of the consistently expressed right wing ethos of domination xenophobia and the freedom to harm Although there is much handwringing about the toxic synergy of authoritarian political forces white identity politics and the embrace of post factuality there is insufficient understanding of the links between them Chief among those links is tribal psychology Nearly every political pundit decries political tribalism Yet public discussion rarely addresses more than its most disturbing symptoms *Hatreds We Love* speaks to the causes and underlying dynamics of what is now one of the greatest threats to the viability of what remains of American democracy and global democratic governance more broadly **Love's Obsession**

Love Me Slender Thomas N. Bradbury, Benjamin R. Karney, 2015-01-06 Many couples find themselves gaining weight as they settle into a relationship but some couples manage to buck this trend They exercise together or separately they support each other s healthy eating habits and their relationships are stronger as a result What are their secrets It turns out that many of us are ignoring the most powerful tool we have to help us get healthier and stay healthier our spouse or significant other For more than twenty years Drs Thomas Bradbury and Benjamin Karney codirectors of the Relationship Institute at UCLA have been studying how couples communicate around these issues witnessing firsthand how partners can help and hinder one another s progress toward better health Here they identify the specific principles that successful couples use in their quest to improve their health From publisher description *Jesus As I Have Come to Know and to Deeply Love Him* Larry V. Murphy, 2014-06-08 This book is very much about The Gospel of Thomas that much too little understood alternative gospel which the early Christian church condemned and banished into virtual obscurity for nearly 2000 years But mostly the book is about Jesus Thomas s gospel acts as our guide as we go through the book delving into what the author feels Jesus is trying to convey to us So much of that is about Awareness Consciousness of God s Kingdom as ever presence NOW the author contends Above all this book is about precisely that which the author wished to convey in the book s title Jesus As I Have Come To Know And To Deeply Love Him The author has come to know a very approachable and human Jesus as well as a courageous spiritual and social rebel who faced up to both Rome s Empire and the Jewish aristocracy without blinking The universal love of Jesus was increasingly experienced by the author as the book progressed deepening the author s own love for Jesus

Passionate Impressions in Love's Reflection Cherie Leigh,2020-12-07 It becomes obvious to anyone who gets to know me that I am a hopeless romantic I am not sure what instigated my sentimentality over love and romance but I have an affinity for all things that exhibit the beautiful qualities of passion The incredible holding power of love should not be taken for granted even as it can either profoundly entice or greatly elude The full effects of love s intensity move me with deep appreciation Some may say that I live in a fantasy world with my notions about romantic love but I don t let that bother me I just hop on my magical unicorn and ride off into the sunset I use my poetry to express intensity of emotions whether it be to entice delight mystify enlighten ache or touch Sometimes even through love s painful experiences there can be profound beauty taken from it that leaves lasting impressions For love in all its reflections has much to teach us about its purpose as

the most powerful force in existence Since the beginning of time as we know it it has lived and breathed its testimony serving to inspire This collection of poetry came together for publication from encouragement from friends and fellow peer poets who believe in me I have always enjoyed writing but the past few years have been pivotal times of creativity I have changed from a woman seeking deliverance from pain to a woman experiencing inexplicable passion The obsession of love has become an innate part of my personality that needs to express itself in words I guess you could say I am smitten about anything written about love My hope is for the readers of my poetry to experience an emotional connection or perhaps find release through my various themes of love Some of my love poems take on a tone of spirituality while others embrace aspects of sensuality But all show phases and faces of love in need of expression For as mysterious as love can be it always makes its presence known in one form or another with unmistakable impact Welcome to my world of Passionate Impressions in Love s Reflection
