Readers will love evaluating and debating the selections. Each chapter showcases stunning photography, full color maps, evocative text and expert advice including how to get there, when to visit and how to make the most of the journey, all packaged in a luxurious oversize volume to treasure for years to come. **Explorer's Guide**

Charleston, Savannah & Coastal Islands: A Great Destination (Seventh Edition) (Explorer's Great Destinations)

Cecily McMillan, 2011-06-06 By all odds the best all purpose guide to one of the most magical regions. John Berendt author of *Midnight in the Garden of Good and Evil*. In this updated edition longtime South Carolina resident Cecily McMillan explores the unique intrigue of the Carolina Lowcountry region, examining its rich history, culture and people and providing authoritative recommendations for accommodations, dining, sightseeing and all manner of recreational activities here in Savannah and on the area's islands. Whether you gravitate toward historic architecture, gourmet cuisine, bird watching or kayaking, you'll find the most accurate, thorough information on all these and more. [Lowcountry Hurricanes](#) Walter J. Fraser, Jr., 2009-03-01 At once sobering and thrilling, this illustrated history recounts how for the past three hundred years hurricanes have altered lives and landscapes along the Georgia-South Carolina seaboard. A prime target for the fierce storms that develop in the Atlantic, the region is especially vulnerable because of its shallow, gradually sloping sea floor and low-lying coastline. With an eye on both natural and built environments, Fraser's narrative ranges from the first documented storm in 1686 to recent times in describing how the lowcountry has endured some of the severest effects of wind and water. This chronology of the most notable lowcountry storms is also a useful primer on the basics of hurricane dynamics. Fraser tells how the 800-ton *Rising Sun* foundered in open water near Charles Town during the hurricane of 1700. About one hundred persons were aboard. All perished. Drawing on eyewitness accounts, he describes the storm surge of an 1804 hurricane that submerged most of Tybee Island and swept over the fort on nearby Cockspur Island, drowning soldiers and civilians. Readers may have their own memories of hurricanes. Andrew Opal and Hugo. Although hurricanes frequently lead to significant loss of life, Fraser recounts numerous gripping instances of survival and rescue at sea and ashore. The author smoothly weaves the lowcountry's long social, political and economic history with firsthand reports and data accumulated by the National Weather Service and the National Oceanic and Atmospheric Administration. Generously illustrated with contemporary and historical

photographs this is a readable and informative resource on one of nature's most awesome forces **Explorer's Guide Charleston, Savannah & Coastal Islands: A Great Destination (Eighth Edition)** Cecily McMillan, 2014-06-30 By all odds the best all purpose guide to one of the most magical regions John Berendt author of *Midnight in the Garden of Good and Evil* Charleston has become the most compelling destination in the coastal south for people who are serious about food and cooking and this new edition of *Explorer's Guides Charleston Savannah* the myriad ways to explore on foot or by water and the thriving arts and film community in Savannah See why Charleston Savannah and the historic small towns in between are beloved by residents and enchant visitors *Journeys of a Lifetime, Second Edition* National Geographic, 2018-10-23 Featuring 120 new destinations this best selling inspirational travel guide reveals 500 celebrated and lesser known destinations around the globe from ocean cruises in Antarctica to horse treks in the Andes Completely revised and updated for its 10th anniversary Compiled from the favorite trips of National Geographic's legendary travel writers this fully updated 10th anniversary edition of *Journeys of a Lifetime* spans the globe to highlight the best of the world's most celebrated and lesser known sojourns Offering a diverse array of possibilities every continent and possible form of transport is covered illustrated with glorious color photographs With 16 new pages new destinations like Cartagena Colombia and updated information throughout this timely new edition is the perfect resource for travelers who crave adventurous trips from trekking the heights of Mt Kilimanjaro in Tanzania to mountain biking in Transylvania and those searching for more specific experiences the world's top small cruises hot new museums around the world secrets for following in the footsteps of film and TV heroes and more Each chapter features stunning photography full color maps and practical tips including how to get there when to visit and how to make the most of your journey Informative and inspiring this luxurious volume is a lifelong resource that readers will treasure for years to come Low Country Gullah Culture, Special Resource Study, 2003 *The Combahee River Raid* Jeff W. Grigg, 2014-10-28 The little known story of the South Carolina military raid led by a Union colonel aided by Harriet Tubman that freed hundreds of slaves In 1863 the Union was unable to adequately fill its black regiments In an attempt to remedy that Col James Montgomery led a raid up the Combahee River on June 2 to gather recruits and punish the plantations Aiding him was an expert at freeing slaves famed abolitionist Harriet Tubman The remarkable effort successfully rescued about 750 enslaved men women and children Only one soldier was killed in the action which marked a strategy shift in the war that took the fight to civilians This book details the fascinating true story that became a legend Savannah's Dreams: A Southern Love Story Pasquale De Marco, 2025-05-07 Savannah's Dreams A Southern Love Story is a heartwarming and inspiring tale of a young woman's journey to find her place in the world Savannah is a bright and ambitious young woman with big dreams for the future She is determined to make her mark on the world but she is also struggling to find her place in a world that is constantly changing Savannah's Dreams is a coming of age story that follows Savannah as she navigates the challenges of young adulthood She learns about love loss and the

importance of following her dreams Along the way she meets a cast of colorful characters who help her to shape her own identity Savannah s Dreams is a story about the power of love Savannah is surrounded by a loving family and friends who support her every step of the way She also finds love in the most unexpected place Savannah s Dreams is a story about the importance of following your dreams Savannah is determined to make her mark on the world and she is not afraid to take risks to achieve her goals Savannah s Dreams is a story about the power of hope Savannah never gives up on her dreams even when things are tough She is a reminder that anything is possible if you set your mind to it Savannah s Dreams is a book that will inspire you to reach for your dreams and to never give up on your goals It is a book that will make you laugh cry and believe in the power of love If you like this book write a review on google books [The Lowcountry Coloring Book](#)

Melissa Conroy,2016-09-20 44 drawings you can combine to make 16 inch four square artworks Welcome to the Lowcountry In 44 detachable pages artist Melissa Conroy takes us through the South s lush magical Lowcountry capturing the stately mansions and intricate gardens haunting statuary and monuments and animals from both the land and sea including Charleston garden Historic downtown Charleston Bonaventure Cemetery in Savannah Savannah s River Street South Carolina s Hunting Island State Park The marshes and cabins of the Sea Islands Gay Fish Company and Penn Center on St Helena Island Beaufort and its environs Gather your colors and experience the enchantment As an added bonus every four drawings can be easily pulled out and rearranged to make a larger 16 inch picture [Lowcountry Time and Tide](#) James H. Tuten,2012-11-26 A thorough account of rice culture s final decades and of its modern legacy In mapping the slow decline of the rice kingdom across the half century following the Civil War James H Tuten offers a provocative new vision of the forces agricultural environmental economic cultural and climatic stacked against planters laborers and millers struggling to perpetuate their once lucrative industry through the challenging postbellum years and into the hardscrabble twentieth century Concentrating his study on the vast rice plantations of the Heyward Middleton and Elliott families of South Carolina Tuten narrates the ways in which rice producers both the former grandees of the antebellum period and their newly freed slaves sought to revive rice production Both groups had much invested in the economic recovery of rice culture during Reconstruction and the beginning decades of the twentieth century Despite all disadvantages rice planting retained a perceived cultural mystique that led many to struggle with its farming long after the profits withered away Planters tried a host of innovations including labor contracts with former slaves experiments in mechanization consolidation of rice fields and marketing cooperatives in their efforts to rekindle profits but these attempts were thwarted by the insurmountable challenges of the postwar economy and a series of hurricanes that destroyed crops and the infrastructure necessary to sustain planting Taken together these obstacles ultimately sounded the death knell for the rice kingdom The study opens with an overview of the history of rice culture in South Carolina through the Reconstruction era and then focuses on the industry s manifestations and decline from 1877 to 1930 Tuten offers a close study of changes in agricultural techniques and

tools during the period and demonstrates how adaptive and progressive rice planters became despite their conservative reputations. He also explores the cultural history of rice both as a foodway and a symbol of wealth in the lowcountry used on currency and bedposts. Tuten concludes with a thorough treatment of the lasting legacy of rice culture especially in terms of the environment, the continuation of rice foodways and iconography, and the role of rice and rice plantations in the modern tourism industry.

To Make this Land Our Own Arlin C. Migliazzo, 2007. A case study in the social history of frontier town building set in the swamps of South Carolina. On the banks of the lower Savannah River, the military objectives of South Carolina officials, the ambitions of Swiss entrepreneur Jean Pierre Purry, and the dreams of Protestants from Switzerland, France, Germany, Italy, and England converged in a planned settlement named Purrysburg. This examination of the first South Carolina township in Governor Robert Johnson's strategic plan to populate and defend the colonial backcountry offers the clearest picture to date of the settlement of the colony's Southern frontier by ethnically diverse and contractually obligated immigrants. Arlin C. Migliazzo contends that the story of Purrysburg Township, founded in 1732 and set in the forbidding environment bounded by the Savannah River and the Coosawhatchie swamps, challenges the notion that white colonists shed their ethnic distinctions to become a monolithic culture. He views Purrysburg as a laboratory in which to observe ethnic phenomena in the colonial and antebellum South. Separated by linguistic, religious, and cultural barriers, the migrants adapted familiar social processes from their homelands to create a workable sense of community and identity. His work is one of only a handful of examples of what has been deemed the new social history methodology as applied to a South Carolina subject. Initially devastated by privation and a high mortality rate, Purrysburg residents also suffered the vicissitudes of an indifferent provincial elite, the encroachment of lowcountry rice planters, Prevost's invasion in 1779, and ultimate destruction of the settlement by Sherman's army. Migliazzo details the community's changing military and economic fortunes, the gradual displacement of its residents to neighboring communities, the role of African Americans in the region, the complex religious life of township settlers, and the quirky contributions of Purry's climatological speculations to the fateful siting of this first township.

The Food, Folklore, and Art of Lowcountry Cooking Joseph Dabney, 2010-05-01. The perfect gift for Southerners, history lovers, and foodies alike. Discover the secrets of one of the most mysterious, romantic regions in the South: the Lowcountry. James Beard Cookbook of the Year Award-winning author Joe Dabney produces another gem with this comprehensive celebration of Lowcountry cooking. Packed with history, authoritative folklore, photographs, and fascinating sidebars, Dabney takes readers on a tour of the Coastal Plain, including Charleston, Savannah, and Beaufort, the rice plantations, and the sea islands. Includes Benne Seed Biscuits, Sweet Potato Pie, Frogmore Stew, She Crab Soup, Brunswick Stew, Hoppin' John, Oyster Purloo, Cooter Soup, Hags Head Cheese Goobers, and much, much more.

The Road to Disunion William W. Freehling, 2008-10-01. Here is history in the grand manner, a powerful narrative peopled with dozens of memorable portraits, telling this important story with skill and relish. Freehling highlights all the key moments on the road to

war including the violence in Bleeding Kansas Preston Brooks's beating of Charles Sumner in the Senate chambers the Dred Scott Decision John Brown's raid on Harper's Ferry and much more As Freehling shows the election of Abraham Lincoln sparked a political crisis but at first most Southerners took a cautious approach willing to wait and see what Lincoln would do especially whether he would take any antagonistic measures against the South But at this moment the extreme fringe in the South took charge first in South Carolina and Mississippi but then throughout the lower South sounding the drum roll for secession Indeed The Road to Disunion is the first book to fully document how this decided minority of Southern hotspurs took hold of the secessionist issue and aided by a series of fortuitous events drove the South out of the Union Freehling provides compelling profiles of the leaders of this movement many of them members of the South Carolina elite Throughout the narrative he evokes a world of fascinating characters and places as he captures the drama of one of America's most important and least understood stories The long awaited sequel to the award winning Secessionists at Bay which was hailed as the most important history of the Old South ever published this volume concludes a major contribution to our understanding of the Civil War A compelling vivid portrait of the final years of the antebellum South The Road to Disunion will stand as an important history of its subject This sure to be lasting work studded with pen portraits and consistently astute in its appraisal of the subtle cultural and geographic variations in the region adds crucial layers to scholarship on the origins of America's bloodiest conflict The Atlantic Monthly Splendid painstaking account and so a work of history reaches into the past to illuminate the present It is light we need and we owe Freehling a debt for shedding it Washington Post A masterful dramatic breathtakingly detailed narrative The Baltimore Sun **The Essential Guide** ,2014 Guidebook to the Savannah Charleston Lowcountry area [Many Thousands Gone](#) Ira Berlin,2009-07-01 Today most Americans black and white identify slavery with cotton the deep South and the African American church But at the beginning of the nineteenth century after almost two hundred years of African American life in mainland North America few slaves grew cotton lived in the deep South or embraced Christianity Many Thousands Gone traces the evolution of black society from the first arrivals in the early seventeenth century through the Revolution In telling their story Ira Berlin a leading historian of southern and African American life reintegrates slaves into the history of the American working class and into the tapestry of our nation Laboring as field hands on tobacco and rice plantations as skilled artisans in port cities or soldiers along the frontier generation after generation of African Americans struggled to create a world of their own in circumstances not of their own making In a panoramic view that stretches from the North to the Chesapeake Bay and Carolina lowcountry to the Mississippi Valley Many Thousands Gone reveals the diverse forms that slavery and freedom assumed before cotton was king We witness the transformation that occurred as the first generations of creole slaves who worked alongside their owners free blacks and indentured whites gave way to the plantation generations whose back breaking labor was the sole engine of their society and whose physical and linguistic isolation sustained African traditions on American soil As the nature of the slaves labor

changed with place and time so did the relationship between slave and master and between slave and society In this fresh and vivid interpretation Berlin demonstrates that the meaning of slavery and of race itself was continually renegotiated and redefined as the nation lurched toward political and economic independence and grappled with the Enlightenment ideals that had inspired its birth

To Awaken My Afflicted Brethren Peter P. Hinks, 2010-11-01 In 1829 David Walker a free black born in Wilmington North Carolina wrote one of America's most provocative political documents of the nineteenth century An Appeal to the Colored Citizens of the World Decrying the savage and unchristian treatment blacks suffered in the United States Walker challenged his afflicted and slumbering brethren to rise up and cast off their chains His innovative efforts to circulate this pamphlet in the South outraged slaveholders who eventually uncovered one of the boldest and most extensive plans to empower slaves ever conceived in antebellum America Though Walker died in 1830 the Appeal remained a rallying point for many African Americans for years to come In this ambitious book Peter Hinks combines social biography with textual analysis to provide a powerful new interpretation of David Walker and his meaning for antebellum American history Little was formerly known about David Walker's life Through painstaking research Hinks has situated Walker much more precisely in the world out of which he arose in early nineteenth century coastal North and South Carolina He shows the likely impact of Wilmington's independent black Methodist church upon Walker the probable sources of his early education and most significant the pivotal influence that Denmark Vesey's Charleston had on his thinking about religion and resistance Walker's years in Boston from 1825 his mounting involvement with the Northern black reform movement and the remarkable underground network used to distribute the Appeal all reconstructed here testify to Walker's centrality in the development of American abolitionism and antebellum black activism Hinks's thorough exegesis of the Appeal illuminates how this document was one of the most startling and incisive indictments of American racism ever written He shows how Walker labored to harness the optimistic activism of evangelical Christianity and revolutionary republicanism to inspire African Americans to a new sense of personal worth and to their capacity to challenge the ideology and institutions of white supremacy Yet the failure of Walker's bold and novel formulations to threaten American slavery and racism proved how difficult if not impossible it was to orchestrate large scale and effective slave resistance in antebellum America

To Awaken My Afflicted Brethren fathoms for the first time this complex individual and the ambiguous history surrounding him and his world

Slave Counterpoint Philip D. Morgan, 2012-12-01 On the eve of the American Revolution nearly three quarters of all African Americans in mainland British America lived in two regions the Chesapeake centered in Virginia and the Lowcountry with its hub in South Carolina Here Philip Morgan compares and contrasts African American life in these two regional black cultures exploring the differences as well as the similarities The result is a detailed and comprehensive view of slave life in the colonial American South Morgan explores the role of land and labor in shaping culture the everyday contacts of masters and slaves that defined the possibilities and limitations of cultural exchange and finally the interior lives of blacks their social

relations their family and kin ties and the major symbolic dimensions of life language play and religion He provides a balanced appreciation for the oppressiveness of bondage and for the ability of slaves to shape their lives showing that whatever the constraints slaves contributed to the making of their history Victims of a brutal dehumanizing system slaves nevertheless strove to create order in their lives to preserve their humanity to achieve dignity and to sustain dreams of a better future
