Moving Beyond Belief Rick Herrick, 2022-10-14 This book argues that a religion centered around biblical belief has not worked when it comes to living the teachings of Jesus For many Christians their religion has become an ideology which doesn't touch their hearts The central argument of the book is that we must shift the focus of our religion away from biblical belief to a sense of the deep transforming love that comes from knowing God The book provides detailed instructions on how such a knowing takes place In making such a change Christians will finally come to a place where they can work with God to make the world a better place

Kevin Rowe,2012-02-14 Despite the striking frequency with which the Greek word *kyrios* Lord occurs in Luke s Gospel this study is the first comprehensive analysis of Luke s use of this word The analysis follows the use of *kyrios* in the Gospel from beginning to end in order to trace narratively the complex and deliberate development of Jesus identity as Lord Detailed attention to Luke s narrative artistry and his use of Mark demonstrates that Luke has a nuanced and sophisticated christology centered on Jesus identity as Lord *Quest for the Kingdom* John M. Newman,2011 A fascinating analysis that blends world history Western religion and Eastern mysticism *Quest for the Kingdom* by Dr John M Newman examines the kingdom of God as the historical Jesus describes it The book s premise holds that Jesus teachings

include specific instructions for the quest to find and live in God's kingdom before death. This powerful work favors fact and readers can revel in Jesus' authentic teachings that describe the quest both as internal spiritual cultivation and the way to live in the world. It is rare for a book on Christian theology to break new ground, but Newman does this on two fronts: the striking parallel of Jesus' teachings with the ancient mysticism of yoga and the equally fascinating parallel between Jesus' healing techniques and the practices of modern psychotherapists like Freud. Newman is meticulous in drawing these original and unique parallels and they lift this work's premise to a non-generic level that speaks to several audiences, an accomplishment that sets the work apart from the pack. In twenty accessible and engaging chapters like "The Kingdom of God," "The War of the Houses," "The Kingdom Is Like a Woman," "Spiritual Cultivation," and "The Exorcisms and Healings of Jesus," the reader watches Jesus at work, healing and offering his parables at a communal meal. In addition to elucidating the path to the kingdom that Jesus shared with his followers, Newman explains and illustrates the voice print of Jesus, his sage rhetorical strategies, and distinctive discourse. Newman brings Jesus' parables to life with a penetrating analysis that enables the reader to experience Jesus' mastery of metaphor and management of the unconscious trajectory of thought in the minds of his listeners. A commanding new breakthrough in the understanding of the teachings and works of Jesus, this book is a must-read for academics and laypersons alike.

Moving Forward by Looking Back Craig Steiner, 2009-08-30 How many times have you poured your heart and soul into something for your youth ministry only to have it fall flat, leaving not much more than a fond memory in the minds of students, let alone amazing life change in their hearts? You're not alone. Far too often we build plans and programs and then stop to ask God to bless them. We all want a transformational student ministry, but we need to remember that God has to be the one doing the transformations in the lives of our students. Based on the principles found in the book of Acts, *Moving Forward by Looking Back* will help you look back at how God transformed lives through the early church and look forward at how those principles can be applied to your youth ministry today. As you reflect on the book of Acts, you'll explore how your youth ministry can implement the principles of Adoration, engaging students with God; Community, engaging students with God's people; Truth, engaging students with God's Word; Service, engaging students with God's world. With practical ideas that are easy to apply in any ministry context, whether you're a rookie or a veteran, a professional or a volunteer youth worker, this book is an invaluable resource for any youth ministry that wants to see its students transformed by God.

Miraculous Mountain Mover Chuck Klingman,2017-12-15 By definition a disciple follows As contemporary Christians today most of us are sincere about proclaiming that we are disciples of Jesus Christ Yet in truth and by definition few of us really are Many of us are genuine about conforming to the Lords character at least in part and thats a worthy pursuit However for various reasons as explained in this book very few of us today are personally carrying on with the Lords own miraculous works and ways as directed In truth our own prayers personal ministries and methods seldom resemble the timeless prayers ministry and methods of Jesus nor do our results resemble His miraculous results This powerful book is passionately committed to helping and encouraging every believer to follow Jesus in the miraculous ways of a mountain mover while explaining just how to do it So much more than another great book on prayer and discipleship the Miraculous Mountain Mover is an invitation into the powerful life of active faith that is intended for every believer and follower of Jesus As Christians we are the Body of Christ His hands and feet His mouthpiece and were called to do His work on the earth in our day Pastor Chuck has a first hand experience of this and it is his contagious passion to help others to do the same Be forewarned this book is not for the faint of heart As you read this book you will be very encouraged However you will also be challenged to step out of the shadows of fear and doubt and into the adventurous life of faith that awaits Enjoy Brett Masters Senior Pastor Dream Center Lake Elsinore
