Lum Hat And Other Stories Last Tales Of Violet Jacob:

The Lum Hat and Other Stories Violet Jacob, 1982 *Flemington And Tales From Angus* Violet Jacob, 2009-05-01 I think it is the best Scots romance since *The Master of Ballantrae* said John Buchan when *Flemington* was first published in 1911 Violet Jacob's fifth and finest novel is a tragic drama of the 1745 Jacobite Rising tightly written poetic in its symbolic intensity lit by flashes of humour and informed by the author's own family history as one of the Erskines of the House of Dun near Montrose Drawn back to these roots in her later years Violet Jacob also wrote many unforgettable short stories about the people the landscapes and the language of the North east In this volume fourteen of these stories are re collected and re edited as *Tales from Angus* *The Mainstream Companion to Scottish Literature* Trevor Royle, 2012-01-06

The Mainstream Companion to Scottish Literature is the most comprehensive reference guide to Scotland's literature covering a period from the earliest times to the early 1990s It includes over 600 essays on the lives and works of the principal poets novelists dramatists critics and men and women of letters who have written in English Scots or Gaelic Thus as well as such major writers as Robert Henryson William Dunbar Gavin Douglas Allan Ramsay Robert Fergusson Robert Burns Walter Scott Robert Louis Stevenson and Hugh MacDiarmid the Companion also lists many minor writers whose work might otherwise have been overlooked in any survey of Scottish literature Also included here are entries on the lives of other more peripheral writers such as historians philosophers diarists and divines whose work has made a contribution to Scottish letters Other essays range over such general subjects as the principal work of major writers literary movements historical events the world of printing and publishing folklore journalism drama and Gaelic A feature of the book is the inclusion of the bibliography of each writer and reference to the major critical works This comprehensive guide is an essential tool for the serious student of Scottish literature as well as being an ideal guide and companion for the general reader **History of Scottish Women's Writing** Douglas Gifford, 2020-03-31 No detailed description available for A History of Scottish Women's Writing
