Ambeth Ocampo

Lunas Moustache:

Luna's Moustache Ambeth R. Ocampo, 1997 **Love, Passion and Patriotism** Raquel A. G. Reyes, 2008 Love Passion and Patriotism is an intimate account of the lives and experiences of a renowned group of young Filipino patriots the men whose propaganda campaign was a catalyst for the country's revolt against Spain As writers artists and scientists who resided in Europe they were exposed to new ideas Reyes uses their paintings photographs political writings novels and letters to show the moral contradictions inherent in their passionate patriotism and their struggle to come to terms with the relative sexual freedom of European women which they found both alluring and sordid Looking Back 2 Ambeth Ocampo, 2012-10-18 Ambeth Ocampo always makes historical figures come alive blemishes and all and with his curious eye make our heroes very human and not the mythic figures that we want to make of them He makes history enjoyable reading while at the same time makes it anchor us to the past and therefore and hopefully prepares us for the future F Sionil Jose National Artist for Literature White Love and Other Events in Filipino History Vicente L. Rafael, 2014-06-18 In this wide ranging cultural and political history of Filipinos and the Philippines Vicente L. Rafael examines the period from the onset of U S colonialism in 1898 to the emergence of a Filipino diaspora in the 1990s Self consciously adopting the essay form as a method with which to disrupt epic conceptions of Filipino history Rafael treats in a condensed and concise manner clusters of historical detail and reflections that do not easily fit into a larger whole White Love and Other Events in Filipino History is thus a view of nationalism as an unstable production as Rafael reveals how under what circumstances and with what effects the concept of the nation has been produced and deployed in the Philippines With a focus on the contradictions and ironies that suffuse Filipino history Rafael delineates the multiple ways that colonialism has both inhabited and enabled the nationalist discourse of the present His topics range from the colonial census of 1903 1905 in which a racialized imperial order imposed by the United States came into contact with an emergent revolutionary nationalism to the pleasures and anxieties of nationalist identification as evinced in the rise of the Marcos regime Other essays examine aspects of colonial domesticity through the writings of white women during the first decade of U S rule the uses of photography in ethnology war and portraiture the circulation of rumor during the Japanese occupation of Manila the reproduction of a hierarchy of languages in popular culture and the spectral presence of diasporic Filipino communities within the nation state A critique of both U S imperialism and Filipino nationalism White Love and Other Events in Filipino History creates a sense of epistemological vertigo in the face of former attempts to comprehend and master Filipino identity This volume should become a valuable work for those interested in Southeast Asian studies Asian American studies postcolonial studies and cultural studies **Looking Back 5** Ambeth R. Ocampo, 2021-06-18 In this book besides offering the usual juicy titbits he looks back not just at our history but also on his life as an historian this book being written for his 50th birthday His introduction alone is already worth the price of admission **Looking Back** Ocampo Ambeth, 2012-10-18 Hindsight is the

lowest form of intelligence except for historians In this handy collection of Ambeth Ocampo s Looking Back column pieces the popular historian digs deep and looks back carefully at events places and important people who make up the country s history

Looking Back 3 Ambeth Ocampo,2012-10-18 The cause of history writing owes Ambeth Ocampo a great deal By his extraordinary use of a relatively new genre he has rescued history from the cold forbidding halls of academe He has made of history something amusing entertaining as immediate as a newspaper headline as relevant as a rapper s song Carmen Guerrero Nakpil

Looking Back 6 Ambeth R. Ocampo,2021-07-14 In these beguiling essays on what lies beyond the fringes of Philippine recorded history whether pointing out the laughing carabao on the margins of a centuries old map or combing for shards of Ming porcelain on a coral beach Ocampo reminds us that the endless gathering and joining and breaking apart of apparently useless bits is after all what makes us what we are and connects us with others in their own quest for identity

Looking Back 4 Ocampo Ambeth R.,2021-05-05 Ambeth Ocampo on the inspiration behind this collection of essays Chulalongkorn s elephants are the bronze elephants the King of Siam gave to Singapore and Java as gifts during his travels in 1871 I met the Singapore elephant first as I traced Rizal s footsteps and found a reference to it in his diary It was upon meeting next the Jakarta elephant that prompted me to compile this collection of essays that begins and ends with an elephant More reflective than usual and going beyond Rizal and my 19th century comfort zone these explorations still carry my trademark irreverent humor

Tales Of Michael Rogers,2017-11-30 In the final and epic installment our guild members transition from heroes to saviours and end the world s calamity and disease As our heroes tale reaches its conclusion what will happen to the yellow eyed disease What will happen to the racism sexism and discrimination From rebuilding cities hilarious plays a singing performance heartwarming confessions powers that transcend our dimension and awfully bad puns The Rostical Guild has everything one could ask for in the final season of the series The entire guild hopes you have enjoyed over thirty hours of projected game time and if you laughed and cried with them Thank you for saving the world with us
