Scheiber, Jin-Hyun Paik, 2013-05-01 Regions Institutions and Law of the Sea Studies in Ocean Governance offers fresh perspectives both on issues specific to major ocean regions and on the nature and functions of institutions that implement the legal order of the oceans Of special interest is a set of chapters by distinguished scholars and jurists providing nuanced analysis of the International Tribunal for the Law of the Sea as a key actor in the institutional and regime structure Other expert authors contribute timely analysis of specific ocean uses in the context of implementation of soft and hard law Piracy global warming and ecosystem challenges geo engineering control of pollution in shipping operations Seabed Authority policy and performance of the UN Regional Seas Programme are among key issues presented in both their regional and legal dimensions Also considered in depth are law ocean policy and the operation of international organizations in Northeast Asia Latin America the Indian Ocean region the African coastal areas and the Arctic The accessibility of subject matter and the readability of the text's 26 chapters enhance the value of this book as an important addition to the literature Regions Institutions and Law of the Sea is the latest publication of the Law of the Sea Institute at UC Berkeley a major voice in the global debates of contemporary ocean law and policy Inha University Incheon was a major co sponsor of the project **Ice** Klaus Dodds, 2018-06-15 In Ice Klaus Dodds provides a wide ranging exploration of the cultural natural and geopolitical history of this most slippery of subjects Beyond Earth ice has been found on other planets moons and meteors and scientists even think that ice rich asteroids played a pivotal role in bringing water to our blue home But our outlook need not be cosmic to see ice's importance Here today and gone tomorrow in many parts of the temperate world ice is a perennial feature of

polar and mountainous regions where it has long shaped human culture But as climates change ice caps and glaciers melt and waters rise more than ever this frozen force touches at the core of who we are As Dodds reveals ice has played a prominent role in shaping both the earth's living communities and its geology Throughout history humans have had fun with it battled over it struggled with it and made money from it and every time we open our refrigerator doors we're reminded how ice has transformed our relationship with food Our connection to ice has been captured in art literature movies and television as well as made manifest in sport and leisure In our landscapes and seascapes too we find myriad reminders of ice's chilly power clues as to how our lakes mountains and coastlines have been indelibly shaped by the advance and retreat of ice and snow Beautifully illustrated throughout Ice is an informative thought provoking guide to a substance both cold and compelling

The Skuas Robert W. Furness, 2010-10-30 A comprehensive monograph of the skua Many birdwatchers may never have seen a skua those who have will most probably have vivid memories of one or other species flying powerfully past a headland or twisting and diving in pursuit of its piratical intentions towards a food laden seabird or perhaps more memorably still of themselves taking evasive action from the power diving irate skua whose territory they have unwisely invaded The full classification of the skuas is still debated but Dr Furness of the Applied Ornithology Unit Glasgow University favours six species of two genera with five subspecies based on current knowledge and his own long and dedicated field studies and research All of the species are treated comparatively under the following chapter titles Early history and classification Distributions and populations Migration patterns Reversed sexual size dimorphism Behaviour Food and feeding Kleptoparasitism Plumage polymorphism Breeding systems and social organisation Breeding laying to hatching Breeding hatching to fledging Population dynamics Pollutants Skuas and agriculture Skuas and conservation The text is supported by 100 maps and diagrams 30 photographs and 65 tables In addition John Busby contributes 35 evocative drawings which more than embellish this erudite and readable summary of an impressive and diverse group of birds Jacket paintings by John Busby

The Arctic Großraum Christopher R. Rossi, 2025-09-04 How should the Arctic be viewed in the 21st century In this book a leading commentator assesses the competing players for the Arctic looking at broad questions of governance and security The author challenges the view that the Arctic is a passive space which is the focus of competitive advances from superpowers arguing that it is more correctly understood as a dynamic pluriverse Drawing on international law international relations and diplomacy this is an important re assessment of the Arctic and its position in geo politics

Nature and Identity in Cross-Cultural Perspective Anne Buttner, L. Wallin, 1999-07-31 Nature and Identity in Cross Cultural Perspective presents 20 essays which explore diverse cultural interpretations of the earth's surface Contrasted with each other and with the potentially cosmopolitan culture of science these detailed studies of ways in which different cultures conceptualise nature appear in the context of global

environmental change Understanding across cultural lines has never been more important This book shows how individual cultures see their own histories as offering protection for nature while often viewing others as lacking such ethical restraints Through such writing a discourse of understanding and common action becomes possible The authors come from the places they discuss and offer passionate as well as scholarly visions of nature within their cultural homes Audience This volume is of interest to academics and professionals working in the fields of cultural geography environmental history environmental studies history of environmental ideas environmental education landscape and literature nature and culture It can be used for courses in the above mentioned areas and seminars in comparative literature It can also be used as a complimentary text to provide cultural context to literary readings and for seminars on cultural aspects of the environment Travel Sketches of Today Charles Lane Hanson, William J. Lure Of The Arctic Introduction

In today's digital age, the availability of Lure Of The Arctic books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Lure Of The Arctic books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Lure Of The Arctic books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Lure Of The Arctic versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Lure Of The Arctic books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Lure Of The Arctic books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks.
