## **Lures For Lunker Bass:**

**Lures for Lunker Bass** Bud Andrews, W. Horace Carter, 1989 **Field & Stream**, 1978-03 **FIELD STREAM** America's largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations **The Encyclopedia of Old Fishing Lures** Robert A. Slade, 2011-05-10 Robert A. Slade after collecting old fishing tackle since 1958 and contributing articles on old fishing lures for a collector magazine for several years started researching and writing books in the 1990's. He published the **HISTORY COLLECTIBLE FISHING TACKLE OF WISCONSIN** in 1999 which sold 4,500 copies. Bob realized that even though there have been many books published on the subject of old fishing lures, that few books covered any detailed history on the old lure makers. His latest book writing project was nine years in the making and covers over 100 years of lure making history starting in 1875 and covers over 2,500 lures makers throughout all of North America. **THE ENCYCLOPEDIA OF OLD FISHING LURES MADE IN NORTH AMERICA** is the first publication with extensive history and patent information on old lure makers and the first to include extensive coverage on Canadian lure makers. The author traveled to 11 states and 3 Canadian Provinces visiting collectors' homes, newspaper archives, museums, and other sources and has taken over 10,000 pictures in preparing the historical stories for these books. The set of books arranges for the individual and company lure makers to appear in alphabetical order. People purchasing these books can buy any one single book, a whole set, or even a book a month if they desire, as the books will be printed and shipped on demand. Each book has over 400 pages of text, pictures, and collector values, with each book containing a table of contents and index as well as a master index for the complete set of books. **Collectible Fishing Lures** Russell E. Lewis, 2008-11-06 Get hooked on one of the oldest of all collecting hobbies with this go-to guide of fishing lures. A great pick-up to peruse type of book built for toting to shows and antique shops, this lure reference aids you in your effort to accurately identify price and better understand the history behind vintage and modern lures from 31 manufacturers starting with the Big Six: Heddon, PawPaw, Creek Chub, Plueger, Shakespeare, and South Bend. **Field & Stream**, 1972-02 **FIELD STREAM** America's largest outdoor sports magazine celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations. **Field & Stream**, 1970-03 **FIELD STREAM** America's largest outdoor sports magazine celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations. **Field & Stream**, 2004-09 **FIELD STREAM** America's largest outdoor sports magazine celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations. *Field & Stream*, 2004-09 **FIELD STREAM** America's largest outdoor sports magazine celebrates the outdoor experience with great stories, compelling photography, and sound advice while honoring the traditions hunters and fishermen have passed down for generations.
