Oram,2003-07-08 Three hundred and fifty one men were executed by British Army firing squads between September 1914 and November 1920 By far the greatest number were shot for desertion in the face of the enemy Controversial even at the time these executions of soldiers amid the horrors of the Western Front continue to haunt the history of war This book provides a critical analysis of military law in the British army and other major armies during the First World War with particular reference to the use of the death penalty This study establishes a full cultural and legal framework for military discipline and compares British military law with French and German military law It includes case studies of British troops on the Frontline      **The Impact of the War on Civilian Consumption in the United Kingdom, the United States, and Canada** Combined Production and Resources Board,1945      **The Spurs Alphabet** Bob Goodwin,2017 A complete record of every player to have made a first team appearance for Tottenham Hotspur Football Club      **The Publisher** ,1904      **The National Union Catalog, Pre-1956 Imprints** ,1974      **The Numismatic Circular and Catalogue of Coins, Tokens, Commemorative & War Medals, Books & Cabinets** Spink & Son,1908      *The Constitutional Year Book* ,1926      **Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1903      *British Books* ,1904      **The Publishers' Circular and Booksellers' Record of British and Foreign Literature** ,1903      *Spoils of War* Aidan Dodson,Serena Cant,2020-03-30 An extensive history of enemy fleets following both World Wars featuring never before seen archival and archaeological materials Spoils of War traces the histories of navies and ships of the defeated powers from the months leading up to the relevant armistices or surrenders to the final execution of the appropriate post war settlements In doing so it discusses the way in which the victorious powers reached their final demands how these were implemented and to what effect The later histories of ships that saw subsequent service either in their original navies or in those navies which acquired them are also described Much use is made of archival materials and in some cases archaeological sources some of which have never previously been used Ultimately a wide range of long standing myths are busted and some badly distorted modern views are set right The fascinating narrative is

accompanied by lists of all major navy built and certain significant ex mercantile enemy ships in commission at the relevant date of the armistice or surrender or whose hulks were specifically listed for attention in post Second World War allied agreements These include key dates in their careers and their ultimate fates This original book featuring numerous photographs is sure to become an essential reference tool for all those interested in the naval history of the two World Wars Praise for Spoils of War Most highly recommended Firetrench For those who need to finally know the ultimate fate of the often gallant ships that strove against the Allies in both world wars this is the book Julian Stockwin author of the Thomas Kydd series     *The Times History of the War* ,1921     **The Publishers' Circular and Booksellers' Record** ,1907
