

...media as sources influenced his planning, scheduling, and developing his statements concerning America's role in Southeast Asia. Turner also uncovers evidence that early American leaders offered optimism for Johnson's later combative stance with reporters. Thus, while the "credibility gap" charges came to center on Johnson's handling of the Vietnam situation, early roots lay in his failure to make a major position and in a variety of particularized incidents that antagonized reporters.

—David L. Turner

Turner breaks new ground in this first book-length examination of the presidency in the press, and Vietnam. It is as history and a powerful case study of communication failure.

-I know of no other book on this  
(Continued on Page 3)

which draws so extensively on the many documents from the Johnson Library, most of which have not been previously accessible to the general reader. Written in a clear, vivid style, Turner convincingly explains how Johnson's relationship with the press and his public communications during the Vietnam war. She makes an important contribution not only to the scholarship of Johnson's presidency but also to the study of rhetoric and mass communication, contemporary media and government, and the role of the media in American culture. David Zaretzky, Department of Communications Studies, Northwestern University

Kathleen J. Turner is assistant professor of communication at the University of Notre Dame.

# LYNDON JOHNSON'S DUAL WAR: Vietnam and the Press

Kathleen J. Turner

[illegible]

Tuesday pitches her arguments in the context of two related issues. One is the rhetoric of distorted war. Any American president, having to account for his actions during a military effort, faces a daunting task. She says that Americans have been able to look at the overall characteristics of presidential press relations, an uneasy

tion of the symbiotic and the industrial. Each side needs the cooperation of the other to ensure the flow of information. For each side also completes

# Lyndon Johnsons Dual War Vietnam And The Press

**William Thomas Allison**

## **Lyndon Johnson's Dual War Vietnam And The Press:**

Lyndon Johnson's Dual War Kathleen J. Turner, 2011-01 Argues that Johnson's downfall was caused by the press and the Vietnam War

**A Companion to Lyndon B. Johnson** Mitchell B. Lerner, 2012-02-13 This companion offers an overview of Lyndon B. Johnson's life, presidency and legacy as well as a detailed look at the central arguments and scholarly debates from his term in office. Explores the legacy of Johnson and the historical significance of his years as president. Covers the full range of topics from the social and civil rights reforms of the Great Society to the increased American involvement in Vietnam. Incorporates the dramatic new evidence that has come to light through the release of around 8,000 phone conversations and meetings that Johnson secretly recorded as President.

*The Presidents vs. the Press* Harold Holzer, 2021-08-24 An award-winning presidential historian offers an authoritative account of American presidents' attacks on our freedom of the press, including a new foreword chronicling the end of the Trump presidency. The FAKE NEWS media Donald Trump has tweeted is not my enemy; it is the enemy of the American People. Has our free press ever faced as great a threat? Perhaps not, but the tension between presidents and journalists is as old as the republic itself. Every president has been convinced of his own honesty and transparency; every reporter who has covered the White House beat has believed with equal fervency that his or her journalistic rigor protects the country from danger. Our first president, George Washington, was also the first to grouse about his treatment in the newspapers, although he kept his complaints private. Subsequent chiefs like John Adams, Abraham Lincoln, Woodrow Wilson, and Barack Obama were not so reticent, going so far as to wield executive power to overturn press freedoms and even to prosecute journalists. Theodore Roosevelt was the first president to actively manage the stable of reporters who followed him, doling out information, steering coverage, and squashing stories that interfered with his agenda. It was a strategy that galvanized TR's public support, but the lesson was lost on Woodrow Wilson, who never accepted reporters into his inner circle. Franklin Roosevelt transformed media relations forever, holding more than a thousand presidential press conferences and harnessing the new power of radio at times bypassing the press altogether. John F. Kennedy excelled on television and charmed reporters to hide his personal life, while Richard Nixon was the first to cast the press as a public enemy. From the days of newsprint and pamphlets to the rise of Facebook and Twitter, each president has harnessed the media, whether intentional or not, to imprint his own character on the office. In this remarkable new history, acclaimed scholar Harold Holzer examines the dual rise of the American presidency and the media that shaped it. From Washington to Trump, he chronicles the disputes and distrust between these core institutions that define the United States of America, revealing that the essence of their confrontation is built into the fabric of the nation.

*The Johnson Years: Vietnam, the environment, and science* Robert A. Divine, 1987

*Media Management in the Age of Lyndon B. Johnson* Benjamin W. Quail, 2022-01-01 This book looks broadly at how the contentious relationships between the media and US President Lyndon B. Johnson affected the national consciousness during the turbulent period of his leadership. Johnson had to deal with a particularly difficult and

divisive period in American history and his relationship with the press undoubtedly contributed to an atmosphere of friction within the United States. A more specific purpose of this research monograph is ultimately to shine a light on the trials and tribulations that Johnson faced as a president dealing with new forms of communication in the 1960s. It aims to show the difficulties that he had in adapting a very personal style of leadership which had served him well in the Senate in the role he undertook as leader of a nation. Further to this it builds on this foundation to argue that Johnson developed a reactive passive stance to dealing with the media one that ultimately contributed to a loss in popularity and status as leader a blow he never recovered from during his time in office.

**Facing My Lai** David L. Anderson, 1998 But these questions are asked again in the hope that they might lead to a better understanding of what My Lai means for us now *Historical Dictionary of the 1960s* James S. Olson, 1999-12-30 Few eras in U S history have begun with more optimistic promise and ended in more pessimistic despair than the 1960s. When JFK became president in 1960 the U S was the hope of the world. Ten years later American power abroad seemed wasted in the jungles of Indochina and critics at home cast doubt on whether the U S was really the land of the free and the home of the brave. This book takes an encyclopedic look at the decade at the individuals who shaped the era the civil rights movement the antiwar movement the women's movement and the youth rebellion. It covers the political military social cultural religious economic and diplomatic topics that made the 1960s a unique decade in U S history.

The Tet Offensive William Thomas Allison, 2010-04-26 With Americans turning against the war in ever greater numbers struggles for power between the government and the military and no end in sight to the fighting the Tet Offensive of 1968 proved to be the turning point of the Vietnam War. In *The Tet Offensive* historian William Thomas Allison provides a clear concise overview of the major events and issues surrounding the Tet Offensive and compiles carefully selected primary sources to illustrate the complex military political and public decisions that made up Tet. The Tet Offensive is composed of two parts an accessible well illustrated narrative overview and a collection of core primary source documents. Throughout the narrative historiographic questions are addressed within the text to highlight discussion among historians over pivotal points of debate. The objectively selected documents provide students with raw material from which to gain insight into these events through their own analysis and to improve their ability to discuss and understand the importance of historical scholarship. Approachable and insightful *The Tet Offensive* is not only a great introduction to reading history through primary sources it is an essential tool for understanding what made the Tet Offensive such an important turning point of the Vietnam War.

**Encyclopedia of journalism. 6. Appendices** Christopher H. Sterling, 2009-09-25 The six volume *Encyclopedia of Journalism* covers all significant dimensions of journalism including print broadcast and Internet journalism US and international perspectives history technology legal issues and court cases ownership and economics.

The A to Z of Journalism Ross Eaman, 2009-10-12 Journalism is the discipline of gathering writing and reporting news and it includes the process of editing and presenting news articles. Journalism applies to various media including but not limited to newspapers.

magazines radio television and the internet The word journalist started to become common in the early 18th century to designate a new kind of writer about a century before journalism made its appearance to describe what those writers produced Though varying in form from one age and society to another it gradually distinguished itself from other forms of writing through its focus on the present its eye witness perspective and its reliance on everyday language The A to Z of Journalism relates how journalism has evolved over the centuries This is done through a chronology an introductory essay a bibliography and hundreds of cross referenced dictionary entries on the different styles of journalism the different types of media and important writers and editors Encyclopedia of American Journalism Stephen L. Vaughn,2007-12-11 The Encyclopedia of American Journalism explores the distinctions found in print media radio television and the internet This work seeks to document the role of these different forms of journalism in the formation of America s understanding and reaction to political campaigns war peace protest slavery consumer rights civil rights immigration unionism feminism environmentalism globalization and more This work also explores the intersections between journalism and other phenomena in American Society such as law crime business and consumption The evolution of journalism s ethical standards is discussed as well as the important libel and defamation trials that have influenced journalistic practice its legal protection and legal responsibilities Topics covered include Associations and Organizations Historical Overview and Practice Individuals Journalism in American History Laws Acts and Legislation Print Broadcast Newsgroups and Corporations Technologies

**The Odyssey of Echo Company** Doug Stanton,2017-09-19 A portrait of the American recon platoon of the 101st Airborne Division describes their sixty day fight for survival during the 1968 Tet Offensive tracing their postwar difficulties with acclimating into a peacetime America that did not want to hear their story Media and the Politics of Failure L. Roselle,2006-09-02 Roselle analyzes how political leaders of powerful states use media to explain military defeats The cases of the United States in Vietnam and the Soviet Union in Afghanistan highlight the role of great power identity domestic politics and media structure *How Wars Are Won and Lost* John A. Gentry,2011-11-10 This provocative book seeks to answer a most crucial and embarrassing question concerning the U S military why the United States is so often stymied in military confrontations with seemingly weaker opponents despite its superpower status This fascinating book examines a question that continues to puzzle soldiers statesmen and scholars why do major powers including the ostensible superpower United States repeatedly perform poorly against seemingly overmatched adversaries And what can they and the United States do to better achieve their military objectives *How Wars are Won and Lost Vulnerability and Military Power* argues that beyond relying solely on overwhelming military might the United States needs to focus more on exploiting weaknesses in their adversaries such as national will resource mobilization and strategic miscues just as opposing forces have done to gain advantage over our military efforts The author tests the vulnerability theory by revisiting six conflicts from the Philippine War of 1899 1902 to the ongoing actions in Iraq and Afghanistan showing again and again that victory often depends more

on outthinking the enemy than outmuscling them

**The US Public and American Foreign Policy** Andrew

Johnstone, Helen Laville, 2010-06-10 Though often overlooked public opinion has always played a significant role in the development and promotion of US foreign policy and this work seeks to comprehensively assess the impact and nature of that opinion through a collection of historical and contemporary essays The volume evaluates the role of organizations and movements that look to represent public opinion and assesses the nature of their relationship with the government The contributors utilize a number of different approaches to examine this impact including polling data assessments of the role of the media and the wider consideration of ideas and ideology moving on to examine the specific role played by the public in the policy making and policy promotion process Engaging with new questions as well as approaching old questions from a new angle the work argues that whilst the roles change and the extent of influence varies the power of the public to both initiate and constrain foreign policy clearly exists and should not be underestimated This work will be of great interest to all those with an interest in American foreign policy American politics and American history

**The Columbia Guide to America in the 1960s** David Farber, Beth Bailey, 2003-04-09 The 1960s continue to be the subject of passionate debate and political controversy a touchstone in struggles over the meaning of the American past and the direction of the American future Amid the polemics and the myths making sense of the Sixties and its legacies presents a challenge This book is for all those who want to take it on Because there are so many facets to this unique and transformative era this volume offers multiple approaches and perspectives The first section gives a lively narrative overview of the decade s major policies events and cultural changes The second presents ten original interpretative essays from prominent historians about significant and controversial issues from the Vietnam War to the sexual revolution followed by a concise encyclopedia articles organized alphabetically This section could stand as a reference work in itself and serves to supplement the narrative Subsequent sections include short topical essays special subjects a brief chronology and finally an extensive annotated bibliography with ample information on books films and electronic resources for further exploration With interesting facts statistics and comparisons presented in almanac style as well as the expertise of prominent scholars The Columbia Guide to America in the 1960s is the most complete guide to an enduringly fascinating era

*Special Bibliography Series*, 1957 Free Speech and Unfree News Sam Leovic, 2016-03-14 Does America have a free press Many who say yes appeal to First Amendment protections against censorship Sam Leovic shows that free speech on its own is not sufficient to produce a free press and helps us understand the crises that beset the press amid media consolidation a secretive national security state and the daily newspaper s decline

**Empire of Pictures** Sönke Kunkel, 2015-12-01 In Cold War historiography the 1960s are often described as a decade of mounting diplomatic tensions and international social unrest At the same time they were a period of global media revolution communication satellites compressed time and space television spread around the world and images circulated through print media in expanding ways Examining how U S policymakers exploited these changes this book offers

groundbreaking international research into the visual media battles that shaped America's Cold War from West Germany and India to Tanzania and Argentina

**Rhetorical Perspectives on Argumentation** David Zarefsky, 2014-04-01 This book contains 20 essays tracing the work of David Zarefsky a leading North American scholar of argumentation from a rhetorical perspective The essays cohere around 4 general themes objectives for studying argumentation rhetorically approaches to rhetorical study of argumentation patterns and schemes of rhetorical argumentation and case studies illustrating the potential of studying argumentation rhetorically These articles are drawn from across Zarefsky's 45 year career Many of these articles originally appeared in publications that are difficult to access today and this collection brings the reader up to date on the topic Zarefsky's scholarship focuses on the role of language in political argumentation the ways in which argumentation creates public knowledge and belief the influence of framing and context on what is said and understood the deployment of particular patterns and schemes of argumentation in public reasoning and the influence of debate on politics and governance All these topics are addressed in this book Each of the conceptual essays includes brief application to specific cases and five extended case studies are also presented in this volume The case studies cover different themes two explore famous political debates the third focuses on presidential rhetoric across the course of United States history the fourth on the arguments for liberalism at a time of political polarization and the fifth on the contemporary effort to engage the United States with the Muslim world This book is of interest to scholars in the fields of philosophy logic law philosophy of law and legal history The range of topics and concepts addressed the interplay of concepts and cases and the unifying perspective of rhetorical argumentation make this book a valuable read for students of argumentative practice whether rhetorically or otherwise

When people should go to the books stores, search inauguration by shop, shelf by shelf, it is truly problematic. This is why we offer the books compilations in this website. It will utterly ease you to see guide **Lyndon Johnsons Dual War Vietnam And The Press** as you such as.

By searching the title, publisher, or authors of guide you truly want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections. If you purpose to download and install the Lyndon Johnsons Dual War Vietnam And The Press, it is utterly easy then, since currently we extend the link to buy and create bargains to download and install Lyndon Johnsons Dual War Vietnam And The Press correspondingly simple!

Johnsons Dual War Vietnam And The Press full book , it can give you a taste of the authors writing style.Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Lyndon Johnsons Dual War Vietnam And The Press eBooks, including some popular titles.

## **FAQs About Lyndon Johnsons Dual War Vietnam And The Press Books**

**What is a Lyndon Johnsons Dual War Vietnam And The Press PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Lyndon Johnsons Dual War Vietnam And The Press PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Lyndon Johnsons Dual War Vietnam And The Press PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Lyndon Johnsons Dual War Vietnam And The Press PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Lyndon Johnsons Dual War Vietnam And The Press PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
