Embedded V-To-C in Child Grammar: The Acquisition of Verb Placement in Swiss German Manuela

Schönenberger,2012-12-06 How children acquire competence in verb placement in languages in which verb placement in matrix clauses does not coincide with that in embedded clauses is not well understood Verb Second languages like German and Dutch display the verb final pattern in embedded clauses which can be confusing for a developing child This book addresses this problem in the context of Swiss German itself a Germanic dialect Numerous examples are given of natural language produced by two children who were consistently followed between the ages of 4 and 6 Unexpectedly since previous literature has suggested that children master verb placement very early in their linguistic development these children move the verb in any type of embedded clause leading to many verb placement errors After introducing the problem and describing the data in detail a technical analysis is developed in terms of a minimally split CP which is rather successful in accounting for these data The book should interest advanced students and researchers in both language acquisition and syntax Popular Series Fiction for K-6 Readers Rebecca L. Jasmine Day,2006-09-27 The most penetrating study of the curse ever conducted The Mummy s Curse uncovers forgotten nineteenth century fiction and poetry revolutionizes the study of mummy horror films and reveals the prejudices embedded in children s toys Examining original surveys and field observations of museum visitors demonstrate that media stereotypes to which museums inadvertently contribute promote vilification of mummies which can invalidate demands for their removal from display Jasmine Day shows that the curse s structure and meaning has changed over time as public attitudes toward archaeology and the Middle East were transformed by events such as the discovery of Tutankhamun s tomb The riddle of the curse of the pharaohs is finally solved via a radical anthropological treatment of the legend as a cultural concept rather than a physical phenomenon A must for anyone interested in this ancient and mystifying legend **The Mummy's Curse** Penny Warner,2014-08-01 Egyptian secrets take center stage in this interactive mystery where boys and girls can solve codes and puzzles right along with the multicultural cast of characters Cody Quinn Luke and M E love playing around with codes In fact they love codes so much they have their own club with a secret hideout and passwords that change every day After learning about steganography the study of concealed writing the Code Busters discover that artists have been hiding secret messages in their artwork for centuries A clue hunt on a class trip to the Rosicrucian Egyptian Museum leads the Code Busters to an artifact that doesn t seem to quite fit with the rest of the collection Could it be a forgery The Code Busters code cracking skills and new knowledge of hieroglyphic messages will help them get to the bottom of this mystery but they better think fast before the criminal tries to frame them **Children's Books in Print** R R Bowker Publishing,Bowker,1999-12
