MacArthur And Wainwright Sacrifice Of The Philippines:

MacArthur and Wainwright John Jacob Beck, 1974 The Times When Men Must Die: The Story of the Destruction of the Philippine Army During the Early Months of World War II in the Pacific, December 1941-May 1942 ,

Philippine-American Military History, 1902-1942 Richard B. Meixsel, 2015-10-02 Military obligations rested lightly upon the Filipino people for much of the period that America occupied the Philippines but Filipinos could enlist in the United States Army and Navy attend the service academies at West Point and Annapolis or join military organizations restricted to duty in the islands such as the Philippine Scouts Philippine Constabulary Philippine National Guard and the navy's insular force In the 1930s the Philippine government established its own armed forces Throughout much of this time the U S army also kept a substantial portion of its troop strength in the Philippines This annotated bibliography of nearly 700 titles highlights the extent and variety of the Philippine American military experience from the conquest of the islands by the United States in 1902 to the defeat of Philippine and American forces by the Japanese in 1942 The bibliography includes memoirs and biographies of Filipino and American officers and enlisted men from MacArthur to Ferdinand Marcos unit histories army post and navy base histories medals and insignia books and the most extensive list of prisoner of war memoirs yet published Annotations address controversies such as the widely disparate estimates of American deaths on the Bataan Death March and include previously unpublished information such as casualty figures for American and Philippine forces in 1941 1942 *America's Heroes* James H. Willbanks, 2011-03-11 This book features the stories of 200 heroic individuals awarded the Medal of Honor for their distinguished military service while fighting for their country from the Civil War to the conflicts in Iraq and Afghanistan America's Heroes Medal of Honor Recipients from the Civil War to Afghanistan pays tribute to Americans who have demonstrated uncommon valor in the face of great danger The Medal of Honor recipients featured in this book all acted heroically to earn this highly coveted award many of them by risking or sacrificing their lives to save the lives of others The stories of these individuals chosen to reflect the wide diversity of ethnic and cultural backgrounds branches of service and conflicts of the recipients will broaden readers understanding and appreciation of the Medal of Honor and the distinguished Americans who have received it In addition to the gripping stories of these heroic Americans this unique encyclopedia includes an introduction that chronicles the evolution in the award's significance The Medal of Honor has changed greatly over the last 150 years not only in the design of the physical decoration itself but also in terms of the qualifying criteria for the award's recipients **Eagle Against the Sun** Ronald H. Spector, 2020-11-03 The best book by far on the Pacific War The New York Times Book Review this classic one volume history of World War II in the Pacific draws on declassified intelligence files British American and Japanese archival material and military memoirs to provide a stunning and complete history of the conflict This superbly readable insightful gripping Washington Post Book World contribution to WWII history combines impeccable research with electrifying detail and offers provocative interpretations of this brutal forty

four month struggle Author and historian Ronald H Spector reassesses US and Japanese strategy and shows that the dual advance across the Pacific by MacArthur and Nimitz was more a pragmatic solution to bureaucratic doctrinal and public relations problems facing the Army and Navy than a strategic calculation He also argues that Japan made its fatal error not in the Midway campaign but in abandoning its offensive strategy after that defeat and allowing itself to be drawn into a war of attrition Spector skillfully takes us from top secret strategy meetings in Washington London and Tokyo to distant beaches and remote Asian jungles with battle weary GIs He reveals that the US had secret plans to wage unrestricted submarine warfare against Japan months before Pearl Harbor and shows that MacArthur and his commanders ignored important intercepts of Japanese messages that would have saved thousands of lives in Papua and Leyte Throughout Spector contends that American decisions in the Pacific War were shaped more often by the struggles between the British and the Americans and between the Army and the Navy than by strategic considerations Spector vividly recreates the major battles little known campaigns and unfamiliar events leading up to the deadliest air raid ever adding a new dimension to our understanding of the American war in the Pacific and the people and forces that determined its outcome The Philippines in World War II, 1941-1945 Walter F. Bell, 1999-12-30 Because of their strategic location the Philippines exercised a profound influence in the thinking of both Japanese and American strategists before and during World War II A number of controversies surrounding the preparations for war the initial defense of the islands the Japanese occupation the conduct of guerrilla operations and the 1944 1945 American campaign to retake the islands still draw the interest of students and scholars This work provides a finding aid for individuals seeking to deal with these issues A bibliographic overview of available periodical and book literature in English this book is multidimensional encompassing all aspects military political economic and social of the Pacific War as it relates to developments in the archipelago The book is an essential source for those looking for insights into the war s impact on Philippine society and also into military operations in and around the islands With a chronological summary of wartime events in the islands as well as the bibliography the work constitutes a major contribution to the furtherance of historical inquiry on World War II in the Philippines

Held To A Higher Standard: The Downfall Of Admiral Kimmel Lt-Commander Matthew R. Pettinger, 2014-08-15 In the aftermath of the Japanese attack on Pearl Harbor Admiral Husband Kimmel was relieved of command of the United States Pacific Fleet and forced into retirement Eight official investigations were conducted to determine his accountability for the attack These investigations produced mixed and often contradictory findings Though he was never brought to court martial accusations of dereliction of duty damaged his reputation considerably Ultimately he was one of only two World War Two flag officers not to be retired at the highest rank held during the war the other was Lieutenant General Walter Short the Army s Hawaiian commander at the time of the attack In contrast only nine hours after the Pearl Harbor attack General Douglas MacArthur suffered a similar crushing surprise defeat in the Philippines despite his knowledge that the Japanese had initiated hostilities Yet he became a national

war hero The differing treatment accorded Admiral Kimmel compared to General MacArthur stands as a lesson on biased judgement Today military commanders in the Global War on Terrorism may find themselves in circumstances similar to either of these two commanders Knowledge of their situations may help today s commanders avoid similar pitfalls or may prevent comparable unbalanced treatment *The Battling Bastards of Bataan: A Chronology* John G. Doll,2020-02-20 Merriam Press World War 2 History Extremely detailed day by day chronological history of the entire campaign in the Philippines during the first six months after America s entry into the war Considerable information on units personalities combat and more Allows you to follow the conduct of the entire campaign in context and to more easily relate this slice of World War II with other aspects of the war at the same time Contents Dedication Introduction December 1941 January 1942 February 1942 March 1942 April 1942 May and June 1942 Epilogue Bibliography 119 photos illustrations 27 maps

Philippine Islands Jennifer L. Bailey,Center of Military History,1992 **The Ghost Mountain Boys** James Campbell,2008-09-30 A harrowing portrait of a largely forgotten campaign that pushed one battalion to the limits of human suffering Despite their lack of jungle training the 32nd Division s Ghost Mountain Boys were assigned the most grueling mission of the entire Pacific campaign in World War II to march over the 10 000 foot Owen Stanley Mountains to protect the right flank of the Australian army during the battle for New Guinea Reminiscent of the classics like Band of Brothers and The Things They Carried The Ghost Mountain Boys is part war diary part extreme adventure tale and through letters journals and interviews part biography of a group of men who fought to survive in an environment every bit as fierce as the enemy they faced Theirs is one of the great untold stories of the war Superb Chicago Sun Times Campbell started out with history but in the end he has written a tale of survival and courage of near mythic proportions America in WWII magazine In this compelling and sprightly written account Campbell shines a long overdue light on the equally deserving heroes of the Red Arrow Division Military com *Fighting for Freedom* ,1990 **Great Military Leaders** William T. Worthington,2002 Great Military Leaders A Bibliography with Vignettes *Defending America's Coasts, 1775-1950* Dale E. Floyd,1997

Apocalypse Undone Preston John Hubbard,1990 *Apocalypse Undone* recounts Preston Hubbard s four and a half year odyssey from a young idealistic CCC worker to a much older troubled man full of contempt for war and those who make it He survived the Bataan Death March imprisonment at Camp O Donnell where the death rate exceded 400 a day a jungle work detail on Tayabas Isthmus the starvation diet of Manila s Bilibid Prison a 17 day voyage to Japan on a Hell Ship and a Japanese POW camp bombed by American planes Fire and Fortitude John C. McManus,2020-08-04 WINNER OF THE GILDER LEHRMAN PRIZE FOR MILITARY HISTORY An engrossing epic history of the US Army in the Pacific War from the acclaimed author of *The Dead and Those About to Die* This eloquent and powerful narrative is military history written the way it should be James M McPherson Pulitzer Prize winning historian Out here mention is seldom seen of the achievements of the Army ground troops wrote one officer in the fall of 1943 whereas the Marines are blown up to the skies Even today the

Marines are celebrated as the victors of the Pacific a reflection of a well deserved reputation for valor Yet the majority of fighting and dying in the war against Japan was done not by Marines but by unsung Army soldiers John C McManus one of our most highly acclaimed historians of World War II takes readers from Pearl Harbor a rude awakening for a military woefully unprepared for war to Makin a sliver of coral reef where the Army was tested against the increasingly desperate Japanese In between were nearly two years of punishing combat as the Army transformed at times unsteadily from an undertrained garrison force into an unstoppable juggernaut and America evolved from an inward looking nation into a global superpower At the pinnacle of this richly told story are the generals Douglas MacArthur a military autocrat driven by his dysfunctional lust for fame and power Robert Eichelberger perhaps the greatest commander in the theater yet consigned to obscurity by MacArthur s jealousy Vinegar Joe Stillwell a prickly soldier miscast in a diplomat s role and Walter Krueger a German born officer who came to lead the largest American ground force in the Pacific Enriching the narrative are the voices of men otherwise lost to history the uncelebrated Army grunts who endured stifling temperatures apocalyptic tropical storms rampant malaria and other diseases as well as a fanatical enemy bent on total destruction This is an essential ambitious book the first of three volumes a compellingly written and boldly revisionist account of a war that reshaped the American military and the globe and continues to resonate today INCLUDES MAPS AND PHOTOS **World War II** Spencer C.

Tucker, Priscilla Roberts, 2005-02-23 Designed with the more visual needs of today s student in mind this landmark encyclopedia covers the entire scope of the Second World War from its earliest roots to its continuing impact on global politics and human society Over 1 000 illustrations maps and primary source materials enhance the text and make history come alive for students and faculty alike ABC CLIO s World War II A Student Encyclopedia captures the monumental sweep of the Big One with accessible scholarship a student friendly image rich design and a variety of tools specifically crafted for the novice researcher For teachers and curriculum specialists it is a thoroughly contemporary and authoritative work with everything they need to enrich their syllabi and meet state and national standards Ranging from the conflict s historic origins to VJ Day and beyond it brings all aspects of the war vividly to life its origins in the rubble of World War I its inevitable outbreak its succession of tumultuous battles and unforgettable personalities Students will understand what the war meant to the leaders the soldiers and everyday families on home fronts around the world Featured essays look at Pearl Harbor the Holocaust the atomic bomb and other crucial events as well as fascinating topics such as signals intelligence and the role of women in war A separate primary source volume provides essential source material for homework test preparation or special projects With a wealth of new information and new ideas about the war s causes course and consequences World War II will be the first place students turn for the who what when where and more importantly the why behind this historic conflict

The American military and the Far East. Joe C.. Dixon, 1980 **Special Bibliography Series** United States Air Force Academy. Library, 1980 *The American Military and the Far East* Mary Ann Robinson, 1980 Special Bibliography Series
