Demodiversity Boaventura Santos,José Mendes,2020-07-30 We are living in a time when social and political authoritarianism appear to be gaining ground around the world This book presents the democratic practices spaces and processes that engage directly with the theoretical assumptions advanced by the epistemologies of the South summoning other contexts and empirical realities that attest to the possibility of a renewal and deepening of democracy beyond the liberal and representative canon which is embedded within a world capitalist system The chapters in this book put forward the ideas of demodiversity of high intensity democracy of the articulation between representative democracy and participatory democracy as well as in certain contexts between both these and other forms of democratic deliberation such as the communitarian democracy of the indigenous and peasant communities of Africa Latin America and Asia The challenge undertaken in this book is to demand utopia imagining a post abyssal democracy that permits the democratizing decolonizing decommodifying and depatriarchalizing of social relations This post abyssal democracy obliges us to satisfy the maximum definition of democracy and not the minimum transforming society into fields of democratization that permeate the structural spaces of contemporary societies La Tragedia de Julio César William Shakespeare,1919 *Macbeth / Traducción de la Tragedia Escrita Por William Shakespeare* William Shakespeare,1991 **Demodiversidad** Boaventura de Sousa Santos,José Manuel Mendes,2018-09-24 El presente libro parte de la siguiente pregunta ¿habrá derrotado el capitalismo a la democracia representativa La respuesta se da a partir del análisis de los nuevos contextos surgidos a con posterioridad al año 2000 en que la democracia deja de ser algo pensado por y para las elites y se asiste a una popularización de la misma a su arraigo en el imaginario popular consecuencia de diversas luchas locales y globales A lo largo de sus páginas se profundiza en la idea de demodiversidad y de democracia de alta intensidad buscando nuevas articulaciones entre la democracia representativa y la democracia participativa y en determinados contextos entre ambas y la democracia comunitaria propia de las comunidades indígenas y campesinas de África América Latina y Asia Asimismo Europa en tanto que laboratorio de experiencias neoliberales deja al descubierto el cinismo del régimen capitalista al tiempo que permite la contestación y la resistencia a sus principios fundamentales como la mercantilización de la vida y el fetichismo de los cuerpos Las diversas experiencias de democracia

real y las pruebas por las que pasa el Estado crisis catstrofes etc abren paso a alternativas democráticas más justas e inclusivas basadas en la dignidad y trabajadas en los intersticios de los sistemas sociotécnicos y sociopolíticos de control y de regulación El análisis de las experiencias de democracia radical y comunitaria permite también la descentralización de las perspectivas teóricas eurocéntricas asentadas en otra lógica del reconocimiento de la igualdad y de la diferencia
