Alternative Communities in Hispanic Literature and Culture Luis H. Castañeda,Javier González,2016-09-23 What are Hispanic alternative communities and how are they represented in literature film and popular music This book studies the fictional representation of circles of artists and intellectuals youth gangs musical bands packs of marginal urban dwellers groups of immigrants and other diverse associations that share the common trait of being small and subversive collectives perhaps akin to secret societies plotting to take control of society These groups usually exist within a larger and established community typically the nation state though maintaining with it complicated relations of rivalry criticism outright violence and other forms of antagonism Thus alternative communities represent the other side of official institutions by constituting dystopias that condemn the status quo or by building utopias that point to new social arrangements In the Hispanic world a broad transatlantic space that includes Spain and Spanish America alternative communities have existed since the 19th century a time of nation building for Spanish American countries all the way to the 21st century when hybrid postnational and cosmopolitan communities begin to appear The seventeen chapters brought together in this volume which constitutes the first systematic approach to Hispanic alternative communities tackle this complex cultural phenomenon from diverse critical perspectives

**Historical Dictionary of Latin American Literature and Theater** Richard Young,Odile Cisneros,2010-12-18 The Historical Dictionary of Latin American Literature and Theater provides users with an accessible single volume reference tool covering Portuguese speaking Brazil and the 16 Spanish speaking countries of continental Latin America Argentina Bolivia Chile Colombia Costa Rica Ecuador El Salvador Guatemala Honduras Mexico Nicaragua Panama Paraguay Peru Uruguay and Venezuela Entries for authors ranging from the early colonial period to the present give succinct

biographical data and an account of the author's literary production with particular attention to their most prominent works and where they belong in literary history. The introduction provides a review of Latin American literature and theater as a whole while separate dictionary entries for each country offer insight into the history of national literatures. Entries for literary terms, movements and genres serve to complement these commentaries and an extensive bibliography points the way for further reading. The comprehensive view and detailed information obtained from all these elements will make this book of use to the general interest reader, Latin American studies students and the academic specialist.

*En diálogo* Jorge Luis Borges, Osvaldo Ferrari, 2005 En los últimos años de su vida Jorge Luis Borges mantuvo inolvidables diálogos en los encuentros radiales con el escritor Osvaldo Ferrari. No fueron reportajes o entrevistas sino estrictamente conversaciones nacidas del placer de tratar temas con los que ambos a pesar de las diferencias de edad tenían afinidades. Los tomos *En diálogo I* y *En diálogo II* recogen estas conversaciones tan elogiadas a través de los años.

**Sur** John King, 1986-12-04 This book tells the story of *Sur*, Argentina's foremost literary and cultural journal of the twentieth century. Victoria Ocampo its founder and lifelong editor and Jorge Luis Borges a regular and influential contributor feature prominently in the story while the contributions of other major writers including Eduardo Mallea, William Faulkner, Andrés Breton, Virginia Woolf, Alfonso Reyes, Octavio Paz, Waldo Frank, Aldous Huxley and Graham Greene are discussed. Politically speaking *Sur* represented a certain brand of liberalism, a resistance to populism and mass culture and an attachment to elitist values which offended against the more dominant phases of Argentine thought from Peronism to the varied forms of nationalism, socialism and Marxism. Dr King examines the journal's roots, its development and its demise relating it to other journals circulating at the time and highlighting vital issues debated in its pages such as Argentine attitudes towards fascism during the Second World War.

**La figura en el tapiz** Sonia Mattalia, 1990 Onetti's fiction is concerned with the depersonalization of human beings in the modern world This book analyzes the theory behind his literature The Representation of the Political in Selected Writings of Julio Cortázar Carolina Orloff, 2013 Orloff shows that Cortázar did not become a political writer as a result of the Cuban Revolution as is often claimed but rather that the representation of the political was present in Cortázar's very first writings The book analyses the evolution of the representation of distinct political elements throughout Cortázar's writings mainly with reference to the novels and the so called collage books which have so far received only limited critical attention The author also alludes to some short stories and refers to many of Cortázar's non literary texts Through this chosen corpus the book follows a thematic thread showing that politics was present in Cortázar's fiction from his very first writings and not as he himself tended to claim only following his conversion to socialism The study aims to show that contrary to what many critics have argued this political conversion did not divide the writer into an irreconcilable before and after the apolitical versus the political but rather it simply shifted the emphasis of the representation of the political that already existed in Cortázar's writings Carolina Orloff is an independent scholar working on research projects in the UK and in Argentina
