The Machinery of Justice in England Richard Meredith Jackson, 1963 *The Machinery of Justice in England* R. M. Jackson, 1972-09-21 **Machinery of Justice in England** Jackson, 1977-11-17 English Legal System in Context Fiona Cownie, Anthony Bradney, Mandy Burton, 2007 This title has been written with a very simple aim in mind to provide a text which will enable the English legal system to be taught as an interesting intellectually stimulating course English Legal System in Context 6e Fiona Cownie, Anthony Bradney, Mandy Burton, 2013-07-25 This title has been written with a very simple aim in mind to provide a text which will enable the English legal system to be taught as an interesting intellectually stimulating course **Victims and Criminal Justice** Pamela Cox, Robert Shoemaker, Heather Shore, 2023-08-15 Victims and Criminal Justice is the first study of its kind to examine both the origins and impacts of key legal procedural and institutional changes introduced in England and Wales to encourage and govern prosecution It sets out how crime victims experiences of and engagement with the process of criminal justice changed dramatically between the late seventeenth and late twentieth centuries Where victims once drove the English criminal justice system bringing prosecutions as complainants and prosecutors giving evidence as witnesses putting up personal rewards for the recovery of lost goods or claim rewards for securing convictions by the end of this period victims had been firmly displaced as the state took virtually full responsibility for the process of prosecution Combining qualitative analysis of a range of textual sources with quantitative analysis of large datasets featuring over 200 000 criminal prosecutions the authors explore how victims were defined in law what the law allowed and encouraged them to do who they were in social and economic terms how they participated in the criminal justice system why many were unwilling or unable to engage in that system and why some campaigned for specific rights In exploring the shift in victim participation in criminal trials Victims and Criminal Justice places current policy debates in a much needed critical historical context *The Machinery of Criminal Justice* Stephanos Bibas, 2012-02-28 Two centuries ago American criminal justice was run primarily by laymen Jury trials passed moral judgment on crimes vindicated victims and innocent defendants and denounced the guilty But since then lawyers have gradually taken over the process silencing victims and defendants and in many cases substituting plea bargaining for the voice of the jury The public sees little of how this assembly line justice works and victims and defendants have largely lost their day in court As a result victims rarely hear defendants express remorse and apologize and defendants rarely receive forgiveness This lawyerized machinery has purchased efficient speedy processing of many cases at the price of sacrificing softer values such as reforming defendants and healing wounded victims and relationships In other words the U S legal system has bought quantity at the price of quality without recognizing either the trade off or the great gulf separating lawyers and laymen s incentives values and powers In *The Machinery of Criminal Justice* author Stephanos Bibas surveys the developments over the last two centuries considers what we have lost in our quest for efficient punishment and suggests ways to include victims defendants and the

public once again Ideas range from requiring convicts to work or serve in the military to moving power from prosecutors to restorative sentencing juries Bibas argues that doing so might cost more but it would better serve criminal procedure's interests in denouncing crime vindicating victims reforming wrongdoers and healing the relationships torn by crime
