## **Making Sense Of Media An Introduction To Mass Communication:**

**Making Sense of Media** George R. Rodman, 2001      **Making Sense of Media, an Introduction to Mass Communication (Notebook Edition)** George Rodman, 2002-07      Mass Media James B. Martin, 2002 Mass media has become an integral part of the human experience News travels around the world in a split second affecting people in other countries in untold ways Although being on top of the news may be good at least for news junkies mass media also transmits values or the lack thereof condenses complex events and thoughts to simplified sound bites and often ignores the essence of an event or story The selective bibliography gathers the books and magazine literature over the previous ten years while providing access through author title and subject indexes      **Making Sense of Media** George R. Rodman, 2001 This dynamic new book on introductory mass communication uses a unique narrative approach to help readers understand a broad and constantly changing field while encouraging them to become critical consumers of media Where did the media come from Why do media industries do what they do And why do some of these actions cause controversies Making Sense of Media employs a three part narrative framework in every chapter that examines history industry and controversies Important topics such as new technology globalization diversity convergence and conglomeration are integrated throughout For anyone interested in learning more about mass communication on an introductory level      *Encyclopedia of Media and Communication* Marcel Danesi, 2013-01-01 The first comprehensive encyclopedia for the growing fields of media and communication studies the Encyclopedia of Media and Communication is an essential resource for beginners and seasoned academics alike Contributions from over fifty experts and practitioners provide an accessible introduction to these disciplines most important concepts figures and schools of thought from Jean Baudrillard to Tim Berners Lee and podcasting to Peircean semiotics Detailed and up to date the Encyclopedia of Media and Communication synthesizes a wide array of works and perspectives on the making of meaning The appendix includes timelines covering the whole historical record for each medium from either antiquity or their inception to the present day Each entry also features a bibliography linking readers to relevant resources for further reading The most coherent treatment yet of these fields the Encyclopedia of Media and Communication promises to be the standard reference text for the next generation of media and communication students and scholars      **Making Sense of Television** Sonia Livingstone, 2013-03-07 Taking the soap opera as a case study this book explores the parasocial interaction people engage in with television programmes It looks at the nature of the active viewer and the role of the text in social psychology It also investigates the existing theoretical models offered by social psychology and other discourses This second edition takes into account recent research work and theoretical developments in fields such as narrative psychology social representation theory and ethnographic work on audiences and look forward to the developing role of audience research It will be an essential study for students and lecturers in social psychology and media studies      *Making Sense of Cinema* CarrieLynn D. Reinhard, Christopher J. Olson, 2017-08-24 Explores a variety of theological and

methodological approaches to film spectatorship through a dialogue of international contributions      An Introduction to the Effects of Mass Media Roger Haney, 2024-02-06 This textbook covers the basics of media research through which the reader will learn the advantages of scientific research over other types of knowing and how to conduct experimental and survey research including polling procedures The book also presents the historical development of mass media the nature of the audiences of each medium the basics of various learning theories research on children's learning from Sesame Street and Mr Rogers and discussion of critical thinking techniques Also included is extensive research on how the media socializes us encompassing studies on stereotypes presented by the media and how to offset them eating disorders and the prosocial effects of the media      The Routledge Companion to Journalism in the Global South Bruce Mutsaers, Saba Bebaoui, Eddy Borges-Rey, 2023-11-21 Responding to mounting calls to decenter and decolonize journalism The Routledge Companion to Journalism in the Global South examines not only the deep seated challenges associated with the historical imposition of Western journalism standards on constituencies of the Global South but also the opportunities presented to journalists and journalism educators if they choose to partake in international collaboration and education This collection returns to fundamental questions around the meaning value and practices of journalism from alternative methodological theoretical and epistemological perspectives These questions include What really is journalism Who gets to and who is qualified to define it What role do ethics play What are the current trends challenges and opportunities for journalism in the Global South How is news covered reported written and edited in non Western settings What can journalism players living and working in industrialized markets learn from their non Western colleagues and counterparts and vice versa Contributors challenge accepted universal ethical standards while showing the relevance of customs traditions and cultures in defining and shaping local and regional journalism Showcasing some of the most important research on journalism in the Global South and by journalists based in the Global South this companion is key reading for anyone researching the principles and practices of journalism from a de-essentialized perspective      **Mass Media Unleashed** Carl R. Ramey, 2007 Everyone complains about mass media but only the FCC and Congress are expressly empowered to do something about it and that's why America deserves better from its media policymakers Mass Media Unleashed touches on the key issues stirring the current debate over mass media policy such as consolidation the steady dismantling of regulatory standards the roles mass media must play but increasingly fail to perform in today's helter skelter world and the vastly different ways these media are now delivered to and used by busy on the go Americans Carl Ramey a long time Washington communications lawyer has observed the policymaking process up close and personal for thirty years Warning that time is running out for taking actions that will make a real difference Ramey shines a critical light on the massive transformation of government policy that has taken place since 1980 and has led to vast changes in today's electronic media more consolidation less public service and everything ruled by the bottom line Before the game is over Washington policymakers must step to the plate and hit a home run for

America scrapping the old regulatory system and writing an entirely new policy script that for the first time is specifically designed to guarantee a broadcast service that is free local and dedicated to serving Americans as citizens not just as consumers This provocative read is a must for everyone concerned about mass media s responsibilities and the policies that shape them

**Media Today** Joseph Turow, 2011-09-22 Media Today puts students at the center of the profound changes in the twenty first century media world from digital convergence to media ownership and gives them the skills to think critically about what these changes mean for the role of media in their lives Media Today Fourth Edition is built around four key concepts A media systems approach allows students to understand the interconnected cultural political and economic forces that shape media they encounter every day Unique insights into media trends give students an insider s perspective on how media industries are responding to changes from globalization to social networking Focus on digital convergence shows in each chapter how digital media is transforming traditional mass media such as newspapers magazines and television A media literacy goal encourages and builds critical skills to make students more informed and engaged citizens in our media driven society Completely revised with updated examples new case studies and new online video resources the 4th edition of Media Today connects the latest trends debates and technologies to the history of media highlighting the impact and meaning of today s changes to the media landscape especially how traditional industries have blurred together with digital convergence Additional learning resources including a new set of online video resources interactive quizzes study resources and instructor guides are available on the free companion website at [www.routledge.com/textbooks/mediatoday4e](http://www.routledge.com/textbooks/mediatoday4e)
