Making Your Faith Your Own A Guidebook For Believers With Questions:

Making Your Faith Your Own Teresa Vining, 2001 Teresa Turner Vining has compiled many of the questions believers struggle with along with the answers she found. The result is an interactive guidebook designed to help you decide for sure what you truly believe. *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection. Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. *A Thematic Access Oriented Bibliography of Jesus's Resurrection* addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic e.g. Christian, Jewish, Muslim, etc., agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

Christian Believer Study Manual Dr. J. Ellsworth Kalas, 2010-09-01 The study manual guides daily reading in Scripture and in the Book of Readings. It encourages daily prayer while providing space for taking notes for use in weekly group discussion. Each lesson includes an explanation and commentary on the doctrines being studied, raises questions for reader reflection and written response, and suggests ideas for additional reading and study. The Christian Believer program focuses on classical teachings of the Christian faith, presenting, explaining, and interpreting them in a way that participants can understand through the use of words, symbols, and hymns. Over a 30-week period, participants will examine the writings of ancient and modern Christian commentators and view video presentations by leading Bible scholars.

The Believer's Manual for Excellence Patrick Payne Okoronkwo, 2019-08-02 Knowing and working with God is not a sprint. It is a marathon with very many dangerous twists and turns, craggy and crooked at that. It is getting progressively unpopular to be identified as a Christian in our present-day world with its attendant challenges and extraordinary indulgences. Real and valid questions are constantly agitating the minds of many, right from the crises of development to the decadence of aging and dying. This book is essentially a critical look at man as per who he is and his never-ending search for connection with his maker. It sees God as triune and also treats the trinity of man: that is, spirit, soul, and body, and the steps and strategies he needs to deploy to ensure he gets on top of his game in terms of his relationships with God, with brothers at the workplace, in married life, social events, and many more. *The Believer's Manual* is an attempt to critically look at the believer in terms of his

coming to the understanding that he needs his maker in every area of his life It starts with getting to know his god his plans and purpose for him divine leading and direction etc It does a synopsis of temperaments and how God can use man no matter his temperament The indwelling Holy Spirit makes the difference *The Owner's Manual for Christians* Charles R. Swindoll,2011-02-14 It s never too late Whether you re a new Christian or you ve walked the road for decades it s never too late to find the critical truths that make life make sense We often start out believing that common sense will be enough that we re prepared for the road ahead with our good values and quick thinking It doesn t take long to learn otherwise A broken friendship An obsessive career Financial distress Even empty success We come back to God searching for insight for hope And He provides Nothing can replace studying the Bible Best selling author and pastor Charles Swindoll has spent decades studying its pages and teaching its precepts But if sixty six books seem overwhelming The Owner s Manual for Christians is the perfect starting place a biblical summary of the major truths that anchor the Christian life From grace to freedom these chapters walk the reader through the keys to a life well lived drawn from the Creator of life itself Life is often confusing but it does not have to be impossible Read The Owner s Manual for Christians and find hope for the road ahead *The Complete Evangelism Guidebook* Scott Dawson,2008-06 This comprehensive resource includes contributions from well known evangelists such as Rick Warren Josh McDowell and Luis Palau on everything a person needs to know about sharing his or her faith *I LOVE GOD, NOW WHAT? Book 1 Days 1 - 91* Steve Haines,2025-08-21 Like any professional Pastors can be busy people Often the demands upon their time are myriad The time when I first came to accept Christ as my Lord was wonderful beyond measure Although my Pastor was eager to introduce me to Christ he was not as intimately available to guide me in the aftermath of that wonderful moment You see having accepted Christ as Savior guarantees the blessing of eternity with Christ but the new believer still has the rest of his or her life to negotiate There are lots of things to learn but in big churches people can get lost in the crowd and fall through the cracks and in small churches well there is only so much a small staff can do So I stumbled around for a long time very gradually figuring out how to navigate the world and still hold to my faith in Christ I remember thinking There has to be a better way than this These discussions are part commentary part history part blessing and part questioning There s a little bit of everything I ve put considerable thought into writing these things and I want you to get some benefit some blessing from them Think about what you read You might be provoked to irritation or to curiosity or to laughter Try to apply the thoughts to your life But the bottom line is if you don t read you won t benefit This first book that you are holding tries to answer some basic questions Why should I fear God Why should I trust Him Who am I in Christ What is the nature of sin Following books talk about the Jewish Festivals and their profound meaning about God s Constitution Matthew chapters 5 7 about God s manifested love what it means to be Grafted In to God s family how to know Jesus and what it means to abide in Christ I hope you stick around to the end Every life has its ups and downs and after several cycles of this I was fed up and began to look for answers I found this crazy new church which was meeting

in a hotel conference room I remember people all around me speaking in these strange indecipherable ways people falling down on the floor and generally acting nuts I remember thinking Why am I here God had a plan but I was not awake to it But I stayed out of curiosity if nothing else and eventually God began to draw me in Since then God has led me on a wonderful journey Where once I had a sort of vague notion of God He used personal struggle to draw me closer to him Where once I looked at everything from a performance oriented point of view He taught me the true value of the love of Christ Where once I had to be doing things for Christ He taught me the value of resting in the presence of Christ I want people to understand these things I want everyone to experience the intimate presence of Christ in their lives I want everyone to see real time answers to prayer as I have I want people to understand that humble submission to God is the answer to every struggle every problem and every stress **Teaching Manual for Great Catholic Writings** J.
