Raquela Ruth Gruber, 2010-10-19 A National Jewish Book Award winning biography. A look at the early years of Israel's statehood experienced through the life of a pioneering nurse. During her extraordinary career, nurse Raquela Prywes was a witness to history. She delivered babies in a Holocaust refugee camp and on the Israeli frontier. She crossed minefields to aid injured soldiers in the 1948 Arab-Israeli War and organized hospitals to save the lives of those fighting the 1967 Six Day War. Along the way, her own life was a series of triumphs and tragedies mirroring those of the newly formed Jewish state. Raquela is a moving tribute to a remarkable woman and an unforgettable chronicle of the birth of Israel through the eyes of those who lived it. The Plan Kelly Bennett Seiler, 2016-09-20 A dynamic and heartwarming love story between two individuals with seemingly little in common: a woman who is left alone after the deaths of her husband and children, and a trilateral amputee on the other side of the globe. Claire Matthews' entire world, the one she shared with her husband and three children, shattered into a million pieces on a dark winter road the day after Christmas. The only survivor of a brutal car crash that claimed the life of her entire family, she struggles to find a reason to wake up each morning. On the other side of the Atlantic, Irishman Callum Fitzgerald's actual birth was deemed a tragedy. Born a trilateral amputee, no one expected his life to amount to anything. Now in his thirties, Callum has defied the odds. Victorious over his own limitations, he's built a life and a career around encouraging others to find a purpose for their pain. He assures the tens of thousands who flock from all around the world to hear his inspirational message that nothing occurs by happenstance; there's always a greater plan. Claire and Callum, two individuals with seemingly little in common, separated by years, physical abilities, and half a world. Yet their lives unexpectedly converge, thus beginning a love story so profound and enduring it turns the darkest tragedies into spectacular triumphs.
