

# A FATHER OF THE BRIDE SPEECH

Marriage is a beautiful and complex thing, the joining of two hearts, two souls as one. Today we celebrate the beginning of (groom) and (bride)'s journey together. I am (your name), father of the bride (her name). I would like to take a moment to thank you all for sharing in their special day. I'd especially like to welcome (groom) into our family with open arms and his parents (their names). And I'd like to thank (officiant) for the beautiful wedding ceremony. And thank you everyone for attending, especially those who are here from out of town.

Anyone who knows me knows that (bride) is the joy of my life. From the moment I first held her the hospital, I knew she would always be my little girl. I taught her how to tie her shoes, ride a bike, cast a fishing rod and put up a tent. So (groom), I hope you like camping, because that's how she wanted to spend every vacation since she could talk. But she is also my little princess, the girl who loved to put on fashion shows for her mom and I. But she never looked as pretty as she does today.

And (groom), I couldn't be happier than I am today, knowing that from now on she can count on you. The way she looks at you reminds me of the way her mom used to look at me when we were your age. You are her protector and her best friend and I welcome you to our family, from today on you are not my son-in-law, but the son I never had.

Their first date was a disaster. (groom's) car broke down and I had to go pick them up, in the pouring rain, on a dark country road. He was taking her on a hayride, at her request. He took off his jacket to keep her dry and sat with her the entire time, so she wouldn't be scared. He was soaking wet, but she was dry and safe. I knew then that he would always look out for my baby girl.

Thank you (groom's parents) for all of your help and generosity in planning the wedding. We are so happy that you, too, are now part of our family. I can see by the way your son treats my baby girl, that you raised him to be the perfect gentleman. He is a tribute to the love you two have shared over the years.

(turn to wife): (wife's name), my love, we dreamed of this day for so long. We started our journey 30 years ago and I would do it all over again. The first day I saw you walk into my office, I knew my life would be forever changed. And here we are today, giving away our only daughter to a wonderful man. Now we can look forward to watching them raise their family with the same joy and love that we raised our little girl.

Everyone, please stand with me and join me in a toast to (bride and groom). May you have many years of light, love and laughter as you being you adventure together. May the road be smooth and full of happy memories!

Your words will linger in memories; they may even be captured on video for future generations to hear. So what are the golden rules of speech making? How can you convey emotion, seriousness, and add a touch of humour?

*Father Of The Groom* Wedding Mentor, ATTENTION FATHERS OF THE GROOM If you've been asked to be the Father Of the Groom in a wedding, then this is the book for you. When you buy this book, you'll get the following: All of the duties required of the matron. How to prepare for your speech. A step-by-step guide to write your speech. What to expect before, during, and after the speech. The biggest mistake most matrons make. PLUS templated speeches for introverts and extroverts with time estimates. And much MUCH more. Below is a short excerpt. It goes without saying that the Father Of the Groom has one of the most difficult jobs in the entire wedding party. Aside from the officiant and perhaps the best man, the Father Of the Groom's duties are by far the most numerous and diverse. From holding rings and coordinating with catering personnel to handling last-minute fires and mingling with guests, the title of Father Of the Groom carries with it a long list of responsibilities. Chief among them is your Father Of the Groom speech. For anyone who's attended weddings before, you've probably seen the good, the bad, and the ugly. Some speakers give great speeches that energize the crowd and leave a memory that will last a lifetime. While others fumble through notes and put the audience to sleep. Worst of all is when a speaker fails so epically that they leave people feeling awkward or uncomfortable. Intentional or not, this can have a long-lasting effect that can ruin the day. Whether it's malfunctioning microphones, lost note cards, or lack of preparation, there are a million things that can go wrong during a Father Of the Groom speech. The purpose of this book is to help you navigate through the common pitfalls most matrons make and prepare you to give a KILLER Father Of the Groom speech. In this book, I'll teach you how to prepare, brainstorm, outline, rehearse, and execute your speech. We'll discuss all of the duties of a Father Of the Groom so you're completely prepared for the day of the wedding. This will include coordinating with the bride and groom, dress and appearance, interacting with friends and family, recording the speech, alcohol consumption, and so much more. Additionally, you'll learn the most common issues that happen during a matron speech and how to overcome them. Moreover, I provide an example speech at the end of the book that can be tweaked for your particular needs. Ultimately, this book will provide maids, matrons of honor, with the tools, tips, tricks, and most importantly, the confidence they'll need to give a killer speech. By the end of the event, you'll walk out feeling like a hero and knowing you gave it 110%. I'm sure you're going to love this book. But don't take my word for it. Scroll up and BUY YOUR COPY TODAY.
