Malachi David Maurice Levy, 1992 The Book of Malachi although short in content and last in the list of prophetic writings is long on meaty teaching of godly principles and by no means least in importance This volume gives a comprehensive chronology of Israel's prophetic history from the Babylonian captivity to the Millennial Kingdom This book is a treasure trove of practical truth Its timeless message speaks to the human condition today Whatever the needs social political or religious you will find the answer in this verse by verse commentary which gives much attention to the historical cultural literary and grammatical background of the Jewish people The author has presented a lucid nontechnical exposition dealing with such contemporary issues as God's love for His people compromise within the ministry the Day of the Lord the Second Coming of Christ *Malachi (revised)* David M. Levy, 2014-02-01

Testing the Gospel in the Book of Romans Charles Tarrell, 2020-11-16 Supersessionism is deeply rooted in both Roman Catholic and Protestant theology and is as old as the church It is the belief that the church is the new Israel the true Israel and as such has displaced or superseded ethnic Israel Throughout the history of the church it has been commonly held that the covenants God made with Israel and the promises God gave to that nation now belong to the Christian church The supersession controversy is not an obscure theological debate of interest only to a few Biblical scholars It involves questions of fundamental importance Does the God of the Christian Scriptures keep His promises What are the rules that guide our interpretation of Scripture Is there a connection between Christian theology and anti-Semitism in Christian lands The Biblical focus of this controversy is the 11th chapter of the book of Romans There the Apostle Paul courageously addresses the supersession issue Tarrell invites the reader to feast on the riches of Paul's teaching on the atonement Romans 1:8 and to celebrate so great a salvation But he also invites the reader to embrace Paul's teaching about Israel Romans 9:11 God's gift of salvation is precious and is thoroughly explained in the first 8 chapters of Romans But to prove the thesis of the book of Romans Paul tackles the most daunting problem of all the apparent inability of God to fulfill the promises He made to the nation of Israel Bringing up the problem of Israel is a gutsy move But it is the problem that must be addressed *The True Jesus* David Limbaugh, 2017-04-10 A New York Times Bestseller Who do you say that I am Uttered by Jesus Christ this profound question has presented an age old challenge to believers skeptics scholars and rulers In attempting to answer this question The True Jesus goes straight to the unimpeachable source the books of Matthew Mark Luke and John Only in the Gospels says 1 New York Times bestselling author David Limbaugh do we come face to face with the Son of God Whose sublime teachings miraculous actions and divine essence leap off every page and into our hearts In this book Limbaugh combines the four Gospel stories into a unified account though not he humbly admits a perfect harmony and guides readers on a faith journey through the Four Evangelists testimonies of the life of Jesus Christ Along the way Limbaugh shares his insights on Jesus words and deeds as well as His unique nature as fully human and fully divine In The True Jesus you will learn Why even the apostles failed to completely

understand Jesus true identity and mission until after His crucifixion The real basis for the rejection of Jesus message by skeptics in His hometown and elsewhere The historical events preceding Jesus birth that providentially paved the way for Christianity How Jesus message utterly contradicted modern attempts to portray Him as being non judgmental Limbaugh s passion for the Gospels infuses the pages of The True Jesus which is both a primer for new Bible readers and an outstanding guide to the Gospels for long time believers Who really is the true Jesus Open this book and begin your odyssey toward the answer

Guarding the Gospel of Grace David Maurice Levy,1997 Contending for the Faith in the Face of Compromise It s amazing how even the littlest misunderstanding about God s grace can complicate the Christian life when we lack peace joy or victory in our walk with Christ oftentimes it s because we re not clear on how God s grace works in our lives In some cases the little misunderstandings can lead to more tragic results It s safe to say that much incorrect Bible teaching and most cults get their start from the same place an erroneous view of God s grace Grace is a word we all hear frequently We cannot help but sense there is something very special about God s grace But do we really know what it is And how it changes our lives That s what the book of Galatians is all about The book of Jude goes a step further and tells the results of those who stray from the gospel of grace And both are brought together in David Levy s book Guarding the Gospel of Grace Contending for the Faith in the Face of Compromise Don t miss out on the difference that God s grace can make in your life it s nothing less than amazing

The Fiery Holy Spirit Jonathan Kienzler, 2020-01-29 The baptism with the Spirit and fire has been a major area of study by theologians and has been pursued by the historical church seeking God's holiness and power yet its relationship to judgment has often been ignored This book explores the Holy Spirit's relationship with judgment in Luke Acts through seven texts Luke 3 16 17 12 8 10 Acts 5 1 11 7 51 8 18 23 13 9 11 28 25 28 In these texts the Holy Spirit is connected with fire unforgiveness deception resistance greed blindness or condemnation In each instance Luke's presentation is examined to determine the Spirit's role in the process of judgment Through the Spirit Jesus judges cleanses purges and divides his people from the world Luke portrays the Spirit as the executive power of Jesus reign as judge exposing opposing and condemning those who reject the gospel

The Sabbath Recorder, 1905 **You are My People** Louis Stulman, Hyun Chul Paul Kim, 2010 Illuminates how the prophetic voices of the Old Testament can still speak hope to exiled and disenfranchised people

The Oracles in the New Testament Edward C. Selwyn, 2006-04-13 Intertextuality and comparative midrash have become important terms in contemporary biblical studies Several generations before these explorations Selwyn was trying to pursue similar questions with regard to the use and reuse of Old Testament materials in the New The present work is an attempt to discover the use of the Old Testament by the writers of the New The oracles are precious words and the words in the New Testament which were precious to the writers are words of the Old Testament They were precious because they proved the great fact that Jesus was the Christ The proof is known generally as the Argument from Prophecy This volume instead of being limited to the usual form of that Argument endeavours to deal with the more extended use of the Old Testament in the New for while the citation of the oracles is sometimes definite it is sometimes indefinite as in John 7 38 as the scripture saith and sometimes again where there is no mark of citation at all they are assumed by the New Testament writers to be known and whether known or not they are overwritten If an expression in the New Testament resembles or repeats another in the Old there is a possibility which may or may not finally be raised to a certainty that the resemblance or repetition is deliberate This book endeavours to discover the extent the cause and the mode of that deliberation from the Preface
