Malcolm X's Michigan Worldview Rita Kiki Edozie, Curtis Stokes, 2015-06-01 The provocative debate about Malcolm X's legacy that emerged after the publication of Manning Marable's 2011 biography raised critical questions about the revolutionary Black Nationalist's importance to American and world affairs What was Malcolm's association with the Nation of Islam How should we interpret Malcolm's discourses Was Malcolm antifeminist What is Malcolm's legacy in contemporary public affairs How do Malcolm's early childhood experiences in Michigan shape and inform his worldview Was Malcolm trending toward socialism during his final year Malcolm X's Michigan Worldview responds to these questions by presenting Malcolm's subject as an iconography used to deepen understanding of African descendent peoples experiences through advanced research and disciplinary study A Black studies reader that uses the biography of Malcolm X both to interrogate key aspects of the Black world experience and to contribute to the intellectual expansion of the discipline the book presents Malcolm as a Black subject who represents symbolizes and associates meaning with the Black Africana studies discipline Through a range of multidisciplinary prisms and themes including discourse race culture religion gender politics and community this rich volume elicits insights about the Malcolm iconography that contribute to the continuous formulation deepening and strengthening of the Black studies discipline **The Autobiography of Malcolm X** Malcolm X, 1992-01-15

ONE OF TIME'S TEN MOST IMPORTANT NONFICTION BOOKS OF THE TWENTIETH CENTURY In the searing pages of this classic autobiography originally published in 1964 Malcolm X the Muslim leader firebrand and anti integrationist tells the extraordinary story of his life and the growth of the Black Muslim movement His fascinating perspective on the lies and limitations of the American Dream and the inherent racism in a society that denies its nonwhite citizens the opportunity to dream gives extraordinary insight into the most urgent issues of our own time The Autobiography of Malcolm X stands as the definitive statement of a movement and a man whose work was never completed but whose message is timeless It is essential reading for anyone who wants to understand America Praise for The Autobiography of Malcolm X Extraordinary a brilliant painful important book The New York Times This book will have a permanent place in the literature of the Afro American struggle I F Stone **Toni Morrison for Beginners** Ron David, 2016-10-01 Many people consider Morrison's novels difficult to read Most of her readers have at least one book on their shelves that they couldn't finish or when they did finish

one just scratched their heads in confusion And when we think we are sure we know what she s writing about it turns out we are half wrong or only getting the tip of the iceberg instead of the whole beautiful brooding thing Toni Morrison For Beginners is about the woman her books her mission her word music and all that subtext in her writings Morrison s books are like the ocean the surface is beautiful but everything that gives them life lies beneath She s the kind of writer who can change your life and this book is here to help you navigate the words and the woman *American Presidency for Beginners* Justin Slaughter Doty,2017-02-01 The President of the United States is an office that attracts men of all character From George Washington to Barack Obama the office has been held by farmers scholars veterans and lawyers from all regions of the United States The American Presidency For Beginners tells a concise history of the actions and consequences of all 44 presidents The evolution of the presidency 8212from the weak curator of Congress to becoming the titan of policy both domestic and foreign 8212is highlighted in 10 sections The American Presidency For Beginners is a must read for those who find the position of commander in chief compelling and who want to learn more about the eclectic personalities that have led the US **Existentialism For Beginners** David Cogswell,2008-10-14 Existentialism For Beginners is an entertaining romp through the history of a philosophical movement that has had a broad and enduring influence on Western culture From the middle of the Nineteenth Century through the late Twentieth Century existentialism informed our politics and art and still exerts its influence today Tracing the movement s beginnings with close up views of seminal figures like Kierkegaard Dostoyevsky and Nietzsche Existentialism For Beginners follows its intellectual and literary trail to German philosophers Jaspers and Heidegger and finally to the movement s flowering in post World War II France thanks to masterworks by such giants as Jean Paul Sartre Albert Camus Simone de Beauvoir plus many others Illustrations throughout at once lighthearted and gritty help readers explore and understand a style of thinking that while pervasive in its influence is often seen as obscure difficult cryptic and dark Existentialism For Beginners draws the movement s many diverse elements together to provide an accessible introduction for those who seek a better understanding of the topic and an enjoyable historical review packed with timeless quotes from existentialism s leading lights *C.S. Lewis for Beginners* Louis Markos,2022-06-05 C S Lewis For Beginners is a thorough examination of C S Lewis the greatest Christian apologist of the twentieth century throughout his career as an author and as a professor at Oxford University A Christian apologist defends Christianity as a consistent and coherent worldview that squares with human reason history and desire It offers answers to every facet of our lives on earth as well as answers to our questions about what happens after we die What makes C S Lewis unique as an apologist is the way he balanced so perfectly reason and imagination logic and intuition and head and heart In addition to writing such non fiction apologetics books as Mere Christianity The Problem of Pain and Miracles he wrote eleven novels the seven Chronicles of Narnia a trilogy of science fiction adventures and a haunting retelling of an old myth set in the ancient world All eleven tell wonderful captivating stories that stand on their own as fiction but that also support and bring to life the

kinds of apologetical arguments he makes in his non fiction He also wrote two utterly unique works of fiction The Screwtape Letters and The Great Divorce that offer a fresh highly original take on sin and temptation angels and devils and heaven and hell And that s not all Lewis the apologist and novelist had a day job He was a celebrated English professor at Oxford and then Cambridge University who wrote works of literary criticism that are still famous today C S Lewis For Beginners takes the reader through the wardrobe of his complete catalog of writing Tesla for Beginners Robert Sutherland-Cohen,2016-11-08 Tesla For Beginners examines the man behind the alternating current and wireless technologies Black Panthers For Beginners Boyd, Herb,2015-08-05 A crowd of onlookers gawked from the sidewalk as four young black men dressed in black leather jackets and berets leaped from a Volkswagen each of them wielding shotguns with bandoliers strapped across their bodies The young men surrounded two white police officers who had accosted a black man and had him spread eagled against a building The young men did not say a word as the police officers watched them nervously their eyes fixed on the shotguns One of the young men held a large law book in his hand This was the Black Panther Party in ideal action The real story the whole story was both more and less heroic So begins Black Panthers For Beginners The late 1960s when the Panthers captured the imagination of the nation s youth was a time of regulation While their furious passage was marked by death destruction and government sabotage the Panthers left an instructive legacy for anyone who dares to challenge the system Herb Boyd has done exhaustive research examined the claims of all parties involved and boiled the story down to the truth We believe this is the most truthful book on the market but each Panther has his or her own story to tell We suggest that you check out the stories of all the Black Panthers *Anarchism For Beginners* Marcos Mayer,2008-12-16 During the second half of the Twentieth Century the ideas of leading anarchist thinkers such as Proudhon Bakunin and Kropotkin seemed destined to fade into history But today they are finding new energy and power Libertarian flags wave above the crowds at anti globalization and anti corporation rallies Anarchist axioms appear in contemporary debates on neoliberalism and ecology Websites passing on anarchism s radical principles proliferate in cyberspace Popular intellectuals like Michel Foucault Gilles Deleuze Osvaldo Bayer Noam Chomsky and Murray Boochkin acknowledge in their work the debt they owe to the towering nonconformist figures who preceded them The anarchists fight against power oppression and the State which reached its pinnacle with the farmers collectives of pre Franco Spain has influenced societies around the world Vanguard artistic movements high and low from dada to punk were inspired by anarchism In Anarchism For Beginners Marcos Mayer aided by illustrations from the incomparable Sany takes readers on a journey through the anarchist movement explaining its principles and documenting its influence inspiring figures and indefatigable fighting spirit African American History For Dummies Ronda Racha Penrice,2011-05-04 Understand the historical and cultural contributions of African Americans Get to know the people places and events that shaped the African American experience Want to better understand black history This comprehensive straight forward guide traces the African
