Brown,2014 In a sleepy southern town Wendy Ramburger and Abigail Phelps gladly take in two young sisters after learning that the girls have been placed in harm s way During the process Ms Ramburger catches the eye of interesting young officer Eric Lee Day to day life quickly becomes something none of them are used to With school life and sleepless nights wiping tears and sharing fears the story unfolds in a heart wrenching way Not everything is as it seems when the strangers are brought together to ultimately find true love and a family bond *The Back Stage Theater Guide* Trevor R. Griffiths,Carole Woddis,1991 The essential reference for the discriminating theatergoer The alphabetically organized entries are critical eye opening examinations of the most popular playwrights through the ages The screen and stage credits for each playwright are listed and the latest notable productions of their work described Also included are numerous essays describing major movements in contemporary theater *Mountain Blossoms* Violet June Richardson,2007-08 Katie and Dolly are two lively girls in Tumbling Creek in the mountains of Virginia A story of a time and place long gone that will bring joy and a sense of nostalgia **The Junior Bookshelf** ,1988 **Nursery Comedies** Lady Bell,2020-08-03 Reproduction of the original Nursery Comedies by Lady Bell **Emma Lois Hargis Smith The Queen of Bumpus Mills** Kay Jones,2024-11-18 Emma Lois Hargis Smith was born in Stewart County Tennessee in 1902 where she resided until her death in 1998 With the exception of a few years in Big Rock after marrying Elfry Smith and the final year of her life in Clarksville her entire life was spent in Bumpus Mills a city she affectionately referred to as the Garden Spot of the World Emma Smith was not a notable scholar never won a peace prize or medal of honor or found a cure for a disease She didn t do any of the notable things that usually bring widespread fame and recognition to a person No singular event or act made her unique and special so that a book should be written about her However her approach to life and the impact she had on others was undeniably just as great and worthy of mention in this comprehensive narrative that follows her from the womb though the one year anniversary of her death Her story spans ninety six years and references details of a changing world taking the reader from candlelight to electricity and from Model T

Fords to modern automobiles The reader experiences a touch of World War II through the eyes and hearts of the rural South The reader is invited to see glimpses of life as it was in rural Tennessee during the lifespan of Emma Smith Most of the stories and details within these pages were derived from the very lips of Emma Smith as videotaped by her daughter and granddaughter a few years prior to her death In addition the author conducted many interviews with family members and researched historical public information to ensure accuracy The quotes herein are true quotes and the events are factual
